Please note!

Please print the form in **A4 format** and in **actual size**. You must send this cover page with the application. This prevents delays in processing your application!

Online application form

You want to submit an application for extension of your residence permit and you rely on the Friendship Treaty between the Netherlands and the USA? You can also apply online. You can start the online application on www.ind.nl. Click the button 'Decision aid' and answer the questions.

Please read the explanation before you start to fill out the form.

Filling-in instructions

In order to be able to assess your application quickly and carefully in terms of content, the Immigration and Naturalisation Service uses scanning software with which your application is recorded in the immigration administration system. To support this, this form is equipped with a number of features, including a barcode and so-called "adjustment fields" in the corners of each page. The following is important for a good scan of your application:

1. When filling out this form, use only an HB pencil or pen with black or blue ink.
2. Write only in the space provided behind or below each question. Do you need more space? Then add a separate page on which you state your personal data and indicate to which question the added text belongs.
3. When you are presented with a choice where you have to choose between different answer options, keep the following instruction.

Check the box of your choice (as with "b")

a... b... c... d...

You want to change your choice? Then make the box of your first choice completely black and then tick the desired box.

a... b... c... d...

This form comprises different appendices. Which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

For whom is this form intended?

You can use this form if you are a foreign national who has a temporary regular residence permit with a work-related purpose of residence (excluding seasonal labour) and a combined permit for residence and work is not required. You can use this form to submit an application in order to extend the period of validity of this residence permit. If you are the (recognised) sponsor of a foreign national, then you must use a different form. You will find further information on the Immigration and Naturalisation Service (IND)'s website, www.ind.nl.

You can use this form in order to submit an application to extend the period of validity of the residence permit for one of the following purposes of residence:

- Paid employment;
- Employment as essential start-up personnel;
- (taking leave after, waiting for, or recovering from) Paid employment on board a Dutch seagoing vessel or mining installation on a continental plate;
- Carrying out work as a spiritual counsellor;
- Work on a self-employed basis;
- International Trade Regulation
- Paid employment as non-privileged soldier or as non-privileged civilian personnel;
- Cross-border service provision, as long as the maximum duration of stay has not expired;
- Work on grounds of a Headquarters Agreement;
- Work experience within the framework of an EU action programme, as long as the maximum duration of stay has not expired; or
- Work as holder of a European Blue Card.

Single Permit (Combined permit for residence and work)

If for paid employment or work experience (general) in the Netherlands a combined permit for residence and work is required, then you will need to use a different application form. You will find further information on the Immigration and Naturalisation Service (IND)'s website, www.ind.nl.

Working on a self-employed basis

You cannot use this form if you are a foreign national who is staying in the Netherlands and you have started a business in the Netherlands with a facilitator during the past year. If you want to continue to your business activities in the Netherlands as a start-up, please use the form 'Application for the purpose of residence of 'to work on a self-employed basis (foreign national)'.

Why use this form?

In principle, the Immigration and Naturalisation Service (IND) sends all foreign nationals whose residence permit is due to expire an extension letter in good time (approximately 3 months before the expiry date of the current residence permit). With this extension letter, the foreign national receives a form with the personal data and questions that are only relevant for the foreign national. If you have not received this letter, then use this form.

Make sure that the IND receives this application in time. Therefore, submit the application before the validity of your current residence permit expires. Please note! Do not submit the application later than 4 weeks after the expiry date of the residence permit. This is important to prevent you encountering a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures. Do not submit an application if the residence permit is still valid for more than 3 months. The IND will disregard an application which is submitted earlier than 3 months before the expiration date of the residence permit.

The IND assesses the application and decides whether you are eligible for extension of the period of validity of your residence permit. Whether and for how long the period of validity of the residence permit is extended depends on the situation. You will only be eligible for extension of the period of validity of the residence permit if:

- you have a valid temporary Dutch residence permit at the moment; and
- you want to extend the residence permit for the same purpose of residence; and
- there are no changes to the situation that would affect the right of residence.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Would you like more information?

Then visit the IND website at www.ind.nl. You can also contact the IND by telephone via 088 043 04 30 (normal charges apply). From abroad you can call +31 88 043 04 30.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Appendix Fingerprints, passport photo and signature

Please do not enclose this appendix with the form!

For every new application you submit, the IND needs your photo, signature and fingerprints. The IND uses these biometric details to establish your identity and make your residence document. We do not need new biometrics in the following situations:

- Your biometrics have been taken at an IND desk or embassy abroad less than 6 months ago.
- You apply for a Foreign Nationals Identity Document (Type W and Type W2). Your biometrics have been taken at an IND desk or embassy abroad less than 5 years and 3 months ago. With a Foreign Nationals Identity Document you show that you are allowed to be in the Netherlands because you are waiting for a decision on your application. The IND then reuses old biometric details.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
 - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
 - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national

- The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
 - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.

Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post

- The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person

- The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

Appendix Employer's declaration

Please note! Not completing this employer's declaration truthfully may be considered a crime (such as forgery) and may lead to filing a police report.

One copy must be completed and signed for each employer. The application form states when and of which person(s) you must enclose the employer's declaration with your application.

Please note! The IND may check the correctness of your enclosed wage, work and benefit details with another government agency (for example the Netherlands Employees Insurance Agency or the Tax and Customs Administration).

3 Income from business activities

Write in block letters

Explanation of the calculation of profits or share in the profits

A company's profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.

Please note! This explanation goes with 3.2, 3.5 and 3.12
