

## Application for family members of the holder of the EU Blue Card (recognised sponsor/non-recognised sponsor)

### 1 Who can submit this application?

- You can only use this form if you are a sponsor or you are the authorised representative of the sponsor.
- You as the worker's sponsor have been authorised by the worker to submit this application.
- You use this form for the family members of the holder of the EU Blue Card (your employee) you are bringing over. It is possible that the employee becomes a holder of the EU Blue Card for the first time, but it is also possible that your employee comes to the Netherlands from another EU Member State as a holder of the EU Blue Card in the context of long-term mobility. If the family members enter simultaneously with your employee, submit all applications to the IND at the same time.
- The employee is the sponsor for his or her family members. The rights and obligations of the sponsor lie with the employee with whom the family members will reside. The employee must therefore record the evidence and inform the IND in case of any changes. For more information, you can refer the employee to the brochure 'Enabling a family-member or relative to come to the Netherlands'.
- Only for recognised sponsors: if the family members and the employee enter the Netherlands simultaneously, you must also pay the fees for these family members via a direct debit collection.
- Here, you have to state the applicable procedure.

> *Please tick the applicable situation*

It concerns an application for the following procedure:

- Procedure for Entry and Residence: the family member of your employee still lives abroad and is obliged to apply for a regular provisional residence permit.
- Procedure for a regular residence permit: the family member of your employee is not obliged to apply for a regular provisional residence permit and resides in the Netherlands or still abroad.
- Extension of the validity of the residence permit.
- Changing the residence permit (together with extending the validity of the residence permit): the family member of your employee already has a residence permit and wants to change his residence permit into another purpose of residence.

Make sure that this application is received by the IND in time. Therefore, submit the application before the validity of the family member's current residence permit expires. *Please note!* Do not submit the application later than 4 weeks after the expiry date of the residence permit. This is important to prevent the family member encountering a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures, such as an application for a permanent residence permit or an application for naturalisation. Do not submit an application for extension of the validity if the residence permit is still valid for more than 3 months. The IND will disregard an application for extension which is submitted earlier than 3 months before the expiration date of the residence permit.

## Appendix Submitting and paying for the application by the sponsor

***Do not enclose this appendix with the form!***

Below, you can read how you can submit and pay for the Entrance and Residence Procedure (TEV procedure), the application for a residence permit (without a regular provisional residence permit) or a change to the restriction on the residence permit. *Please note!* If the foreign national relies on an exemption from the requirement to apply for a regular provisional residence permit you cannot send the application by post. In that case, the foreign national must always submit the application to the IND Desk in person. Please visit [www.ind.nl](http://www.ind.nl) for the ways you can contact the IND.

### **Submitting the Entrance and Residence Procedure (TEV procedure), a residence permit without a regular provisional residence permit or a change to the restriction on the residence permit**

You send the application form, the appendices and the requested evidence to the IND by post. Never send any original evidence. You must send clearly readable and full copies of the original evidence. Do not use any staples or paperclips. Do not send any USB sticks, CDs, DVDs and suchlike. Put all evidence in a sufficiently stamped envelope. Send your application to the following address:

*Application for an economic purpose of residence (work, study, for example)*

**Immigratie- en Naturalisatiedienst  
Postbus 5

*Application for a social purpose of residence (family formation or family reunification, for example)*

**Immigratie- en Naturalisatiedienst  
Postbus 16  
9560 AA Ter Apel**

### **How do you pay?**

An application is not free of charge. The costs depend on the purpose of the residence applied by you. After the IND has received your application, you will receive a letter stating the amount and the manner in which you have to pay (unless you use a direct debit collection) (*direct debit collection is not available for private persons, non-recognised sponsors, recognised sponsors relating to 'exchange' established in another Member State of the EU, EEA or Switzerland and applications for recognition as sponsor*). Here, you can find no information about the costs or any exemption from having to pay fees. Please visit [www.ind.nl](http://www.ind.nl) if you want to know the costs beforehand. If the assessment of your application shows that you do not qualify for the residence permit applied for, you will not receive a refund.

### **What happens with your application?**

If you have submitted your application to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application. If you fail to make a payment or timely payment or submit an incomplete application, the handling of your application will be delayed. You will be informed in writing once your application has been handled. If your application is granted, you will also receive a letter with information about the follow-up procedure.

### **Providing correct information**

*Providing incorrect information or withholding relevant information may lead to withdrawal of the permit. If punishable offences are observed, the IND reports this to the police.*

### **V-number**

A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.

### **Processing of personal data**

## Appendix Questionnaire for residence with partner

The questions must be answered by the partner (the sponsor) who lives in the Netherlands.

### What is important in this questionnaire?

You must answer the following list of questions extensively and in detail. The IND can then assess whether your relationship is lasting and exclusive. Use separate sheets of paper when answering the questions. Mention the number of the question and your answer on the sheet. You must place your signature and the date of signing on each sheet of paper. You must substantiate your answers with as much documentary evidence as possible. For example, letters, photographs, e-mails and aeroplane tickets. You may submit copies. If you do not answer the questions in extensive detail and do not submit documentary evidence, the IND cannot assess your relationship properly. Your application can then be rejected.

### Questions

- 1 Since when do you know your partner? Name the day, month and year.
- 2 How did you come in contact with your partner?
- 3 Where did you get to know your partner? Name the place and exact location.

- 4.2 If so, when and where did you meet? If not, why not?
- 5 Since when have you had a love affair with each other? Name the day, month and year. How did this happen?
- 6 How have you maintained the relationship since the beginning until now? Submit as much documentary evidence as possible, such as letters, e-mails, photographs and aeroplane tickets.
- 7.1 Has your partner ever been in the Netherlands?
- 7.2 If so, when was that? Name the day, month and year.
- 7.3 What was the reason for that stay?
- 7.4 In what place and with whom did your partner stay?

- 10.2 If so, what are those children's names, how old are they and where do they live now?
- 11.1 Will the children travel together with your partner to the Netherlands?  
*Please be aware that if your children will not travel immediately with your partner there may be a waiting period of 1 year.*
- 11.2 If not, why not? Who will take care of the children after your partner's departure to the Netherlands?
- 12 Are you related to your partner? If so, what is the family relationship?

### Please note!

- ✓ Have you signed and dated all the pages?
- ✓ Have you attached all the documentary evidence (as copies)?

## Appendix Fingerprints, passport photo and signature

***Please do not enclose this appendix with the form!***

For every new application you submit, the IND needs your photo, signature and fingerprints. The IND uses these biometric details to establish your identity and make your residence document. We do not need new biometrics in the following situations:

- Your biometrics have been taken at an IND desk or embassy abroad less than 6 months ago.
- You apply for a Foreign Nationals Identity Document (Type W and Type W2). Your biometrics have been taken at an IND desk or embassy abroad less than 5 years and 3 months ago. With a Foreign Nationals Identity Document you show that you are allowed to be in the Netherlands because you are waiting for a decision on your application. The IND then reuses old biometric details.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

### **Situation: application starts when the foreign national is abroad**

#### **1. Entry and Residence procedure**

- The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
  - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
  - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

#### **2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national**

- The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
  - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

#### **3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit**

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website [www.ind.nl](http://www.ind.nl).

## **Situation: application starts when the foreign national is in the Netherlands**

### **1. The application is submitted by post**

- The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on [www.ind.nl](http://www.ind.nl). If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check [www.ind.nl](http://www.ind.nl) for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at [www.ind.nl](http://www.ind.nl).

### **2. The foreign national submits the application in person**

- The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit [www.ind.nl](http://www.ind.nl).

### **Processing of personal data**

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On [www.ind.nl](http://www.ind.nl) you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
