## 7 Report of loss or theft

Enclose a copy of the report of loss or theft together with your application. In case of the loss or theft of a foreign nationals document or Foreign Nationals Identity Document type W/W2 you must report this at the nearest police station. It must be clearly stated in the official report that this involves the loss or theft of your foreign nationals document or Foreign Nationals Identity Document type W/W2. A report that is filed with the local police abroad must be compiled in Dutch, English, French or German. If this is not the case, then you are required to have the report translated by a translator who has been sworn in by a district court and enclose a copy of the translation together with official report and your application.

### Finding the residence document again after report of theft/loss

Did you report the theft/loss to the police? This makes the residence document permanently invalid. You then always have to apply for replacement. Even when you find the residence document again, you can no longer use it. You must hand in this residence document to the IND. You can do this at an IND Desk. For example, when you collect the replacement residence document. ## 9 Biometric details (fingerprints and passport photo) and signature

You need to allow your fingerprints to be taken and also a passport photo for the purpose of establishing your identity. The biometric details are also needed for making a residence document. In addition, your signature is also needed. Fingerprints are made of applicants of 6 years old and older. Every applicant from 12 years old and older is required to provide his/her own signature. In the appendix 'Fingerprints, passport photo and signature' you can read how to give biometric details.

### Citizens of the EU, EEA and Switzerland

If you are a citizen of the EU, EEA or Switzerland then your fingerprints will not be taken and these will not appear on your residence document. However, your residence document will include your passport photo and signature. You can use the photo card appendix for this purpose. The appendix includes instructions for use. You can also choose to go to an Immigration and Naturalisation Service (IND) desk to make a passport photo and to place your signature. You need to make an online appointment for this. Please check [www.ind.nl](http://www.ind.nl) for how to make an online appointment. You can also find the addresses and opening times of the Immigration and Naturalisation Service (IND) desks on the website [www.ind.nl](http://www.ind.nl).

## Appendix

### Fingerprints, passport photo and signature

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

How can the foreign national submit these?

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

#### **This can be done while still abroad, by means of the Entry and Residence procedure**

- The sponsor (in the Netherlands) will have submitted the application for Regular Provisional Residence Permit for the foreign national (who is still abroad).
  - If a positive decision is given, then the foreign national can collect the Regular Provisional Residence Permit from the Dutch Embassy or Consulate in his/her country of origin or long-term residence. When collecting the Regular Provisional Residence Permit, the foreign national must take a new (and not previously used) passport photo with him/her. This passport photo must comply with the requirements which also apply for Dutch passports. The Embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
  - The employee at the Dutch Embassy or the Consulate will take fingerprints and the foreign national will also be required to sign the document.
- The foreign national has submitted the Regular Provisional Residence Permit to the Dutch Embassy or the Consulate in the country of origin or long-term residence.
  - When submitting the application, the foreign national must take a new (and not previously used) passport photo with him/her. The employee at the Dutch Embassy or the Consulate will also take the fingerprints and the foreign national will be required to sign the document.

#### **When abroad, application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit**

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) counter immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to sign the document. You have to make an online appointment via the website [www.ind.nl](http://www.ind.nl).

#### **Applying for a first residence permit in the Netherlands or changing the purpose of residence**

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must go the Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. Please check [www.ind.nl](http://www.ind.nl) to make an online appointment. There, you will also find addresses and opening hours of the IND desks. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he/she can also have a passport photograph and his/her fingerprints taken there. Please check [www.ind.nl](http://www.ind.nl) for how to make an online appointment. There, you will also find addresses and opening hours of the IND desks. The addresses and opening hours of the Expat Centres can be found at [www.ind.nl](http://www.ind.nl).
- The foreign national must submit the application immediately at the counter. A passport photo and the fingerprints will be taken at the counter. The foreign national will also be required to sign the document. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Information about making appointments can be found on the website [www.ind.nl](http://www.ind.nl).

#### **Application for extension of a residence permit, a permanent residence permit or an application for renewal or replacement of a residence document**

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must go the Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. You will have to make an online appointment first. The addresses and opening hours of the Immigration and Naturalisation Service (IND) counters can be found on the website [www.ind.nl](http://www.ind.nl).

**N.B.** From 1 March 2014, if the foreign national (e.g. in the context of a previous application) has had biometric features (10 fingerprints and a passport photo) taken, the foreign national does not need to provide these details (at an IND desk) again. This does not apply if the foreign national has reached the age of 6, 12 or 18 in the intervening period. The IND could invite the foreign national for gaining biometric details again, if the previously used passport photo is an insufficient similarity of the foreign national or if the photo and/or fingerprints taken previously are of an insufficiently high quality.

**Processing of personal data**

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On [www.ind.nl](http://www.ind.nl) you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

This appendix may only be used for children younger than 6 years and Union citizens and nationals of the EEA and Switzerland.
