

Application for the purpose of residence of ‘family members and relatives’ (sponsor)

Read the explanation before you start to fill out the form.

For whom is this form intended?

You can use this form if you are a sponsor. A sponsor is someone who lives in the Netherlands and wants to bring a family member to the Netherlands, for example. A sponsor has Dutch nationality or a Dutch residence permit. A sponsor can use this form to submit an application for the foreign national. If you are a foreign national and you want to submit an application for yourself, you can use the form ‘Application form for a residence permit with the purpose of residence being ‘family members and relatives’ for the foreign national’.

You are a sponsor.

You can use this form to submit an application for the foreign national who wants to reside in the Netherlands on grounds of one of the following purposes of residence:

- stay with spouse or (registered) partner;
- stay with a parent;

Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. 5 Means of evidence

Requirements of foreign means of evidence

You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign means of evidence you will need to include.

Language

All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of) the translation and (a copy of) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp provided by the competent authorities in the country of issue.

Official means of evidence

Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence.

In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In 'apostille countries' an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the 'Public Information Service', telephone number 1400. You can also visit the website www.rijksoverheid.nl.

Special facts and circumstances

If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

Select the family member you want to bring over. Complete 1 application form for each family member. You can only choose one purpose of residence. If you choose more than one purpose then (possibly) your application will be no longer valid. If you are in doubt about the purpose of residence of the foreign national, then contact the IND. Do not submit the application if you are not sure whether he/she complies with the conditions. Visit the website www.ind.nl for more information about the purpose of residence.

In order to be able to make a residence document, the Immigration and Naturalisation Service (IND) need the fingerprints, passport photo and signature of the foreign national. How can the foreign national submit these?

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

This can be done while still abroad, by means of the Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for Regular Provisional Residence Permit for the foreign national (who is still abroad).
 - If a positive decision is given, then the foreign national can collect the Regular Provisional Residence Permit from the Dutch Embassy or Consulate in his/her country of origin or long-term residence. When collecting the Regular Provisional Residence Permit, the foreign national must take a new (and not previously used) passport photo with him/her. This passport photo must comply with the requirements which also apply for Dutch passports. The Embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
 - The employee at the Dutch Embassy or the Consulate will take fingerprints and the foreign national will also be required to sign the document.
- The foreign national has submitted the Regular Provisional Residence Permit to the Dutch Embassy or the Consulate in the country of origin or long-term residence.

The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to sign the document. Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Usually, you will need a Regular Provisional Residence Permit (MVV) in order to apply for residence in the Netherlands. You do not apply for a MVV in the Netherlands, but in your country of origin or in the country where you may reside for more than 90 days under a residence permit.

Sometimes, you do not require a regular provisional residence permit. These situations are mentioned and explained below. Please read all situations first. Then tick in the application form the situation that applies and enclose the requested documents with the application form.

My residence permit has expired

The validity of your residence permit is stated in your residence document. If you have been unable to extend the validity of your residence permit or to change the restriction in time, you must state the reason for this in a separate letter. Enclose this letter and as many pieces of evidence and documents as possible with your application in order to substantiate your story.

For health reasons, I am unable to apply for a regular provisional residence permit in my country of origin

If you are in the Netherlands and, for medical reasons, it is not wise for you to travel to your country of origin, you do not have to apply for a regular provisional residence permit. You have to prove this with certain pieces of evidence and documents. You must enclose all the means of evidence mentioned in the Appendix 'Explanation and means of evidence medical circumstances'. Read the appendix carefully and follow the instructions.

The IND asks the independent physician from the IND's Medical Advisors Office (Bureau Medische Advisering or BMA) for advice about your medical situation. If you do not submit all the requested details, then BMA cannot advise and the IND can not assess whether your medical situation is grounds for exemption from the MVV requirement.

I am residing as a family member with someone who had a privileged status.

My family member qualifies for a permanent residence permit him/herself. If you are residing as a family member with someone having a privileged status and you currently also have a privileged status yourself, you do not require a regular provisional residence permit. This only applies if you and the family member you are residing with have submitted an application for a permanent residence permit simultaneously. Staff members of a foreign diplomatic or consular post or an international treaty organisation have a privileged status, for example.

Explanation A company's profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits

must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.

Proof of medical situation of foreign national

The physician/practitioner must be registered in the registers under the Individual Healthcare Professions Act (Wet op de Beroepen in de Individuele Gezondheidszorg or BIG) or the Dutch Association of Psychologists (Nederlands Instituut van Psychologen or NIP).

For the physician/practitioner: Through this form, you are asked a few questions about the presence of any medical treatment of the foreign national you refer to below. The foreign national can use your answers to demonstrate that any medical facts or treatments exist which could be of importance to the assessment of his/her application for a residence permit in the Netherlands. When answering these questions, you are not

asked to assess whether the conditions for a residence permit in the Netherlands are met. You only need to provide factual data in simple words that can be understood by non-physicians. The non-medically qualified officials from the Immigration and Naturalisation Service (IND) will not use your answers to form a medical opinion themselves, but do want to be informed of the fact that the foreign national receives active medical treatment from you. In case of any ongoing treatment, they may ask the independent physician from the IND's Medical Advisors Office (Bureau Medische Advisering or BMA) for advice. Following this, the BMA will contact you with the specific written consent of the foreign national.

Submitting and paying for the application by the sponsor

How do you pay?

An application is not free of charge. The costs depend on the purpose of the residence applied by you. After the IND has received your application, you will receive a letter stating the amount and the manner in which you have to pay (unless you use a direct debit collection) (*direct debit collection is not available for private persons, non-recognised sponsors and applications for recognition as sponsor*).

Here, you can find no information about the costs or any exemption from having to pay fees. Please visit www.ind.nl if you want to know the costs beforehand. If the assessment of your application shows that you do not qualify for the residence permit applied for, you will not receive a refund.

What happens with your application?

If you have submitted your application to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application. If you fail to make a payment or timely payment or submit an incomplete application, the handling of your application will be delayed. You will be informed in writing once your application has been handled. If your application is granted, you will also receive a letter with information about the follow-up procedure.

Providing correct information

Providing incorrect information or withholding relevant information may lead to withdrawal of the permit. If punishable offences are observed, the IND reports this to the police.

V-number

A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.
