1 Means of evidence

Requirements of foreign means of evidence
You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign means of evidence you will need to include.

Language
All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of ) the translation and (a copy of ) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp provided by the competent authorities in the country of issue.

Official means of evidence
Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In ‘apostille countries’ an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the ‘Public Information Service’, telephone number 1400. You can also visit the website www.rijksoverheid.nl.

Special facts and circumstances
If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

Choose the purpose of residence. You can only choose one purpose of residence. If you choose more than one purpose then (possibly) your application will be no longer valid. If you are in doubt about the purpose of residence then contact the IND. Do not submit your application if you are not sure whether you and the foreign national comply with the conditions. Visit the website www.ind.nl for more information about your purpose of residence.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
Appendix Fingerprints, passport photo and signature

Please do not enclose this appendix with the form!

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. Entry and Residence procedure
   ● The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
     ▪ When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
     ▪ If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national
   ● The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
     ▪ When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit
   ● If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.
Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post
   • The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check [www.ind.nl](http://www.ind.nl) for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at [www.ind.nl](http://www.ind.nl).

2. The foreign national submits the application in person
   • The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit [www.ind.nl](http://www.ind.nl).

Explanation A company’s profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.

How do you pay?
An application is not free of charge. The costs depend on the purpose of the residence applied by you. Explanation
If you apply for a residence permit for a foreign national, you are the sponsor. This comes with responsibilities. As a sponsor, you must ensure that the foreign national meets the conditions for a residence permit. Not only when applying for a residence permit, but also afterwards. If the foreign national can no longer lawfully reside in the Netherlands, you, as sponsor, are responsible for the foreign national leaving the Netherlands.

Obligation to provide information
You are obliged to report changes to the IND within 4 weeks if they could have an effect on the residence permit. Please use the 'Notification form for family members and relatives', which you can download from www.ind.nl. The form lists the changes you need to report.

Duty to keep records
You are obliged to collect and store any relevant information about the foreign national. You can find the data you are obliged to store in the Aliens Regulations. You must store this documentary evidence up to 5 years after you are no longer the sponsor of the foreign national. The IND can request data at any time in order to assess whether you have complied with your obligations.

Processing of personal data
The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
Appendix Questionnaire for residence with partner

The questions must be answered by the partner (the sponsor) who lives in the Netherlands.

What is important in this questionnaire?
You must answer the following list of questions extensively and in detail. The IND can then assess whether your relationship is lasting and exclusive. Use separate sheets of paper when answering the questions. Mention the number of the question and your answer on the sheet. You must place your signature and the date of signing on each sheet of paper. You must substantiate your answers with as much documentary evidence as possible. For example, letters, photographs, e-mails and aeroplane tickets. You may submit copies. If you do not answer the questions in extensive detail and do not submit documentary evidence, the IND cannot assess your relationship properly. Your application can then be rejected.
