1 What is your situation

> Please tick the applicable situation and follow the instructions

1. You have a valid residence permit in the Netherlands and you want to change the residence permit (as well as renewing the period of validity of the residence permit) to a different purpose of residence.
   □ You want to submit an application for changing the purpose of residence of your residence permit.

2. You are in the Netherlands and you want a residence permit. You are a national of one of the following countries: Australia, Canada, Japan, New Zealand, the United States of America, South Korea, Monaco, Vatican City, the EU/EEA countries or Switzerland.
   □ You want to submit an application for a regular residence permit.

3. You are in the Netherlands and you want to submit an application for a residence permit. Your nationality is one whereby you will need a Regular Provisional Residence Permit (MVV) (a nationality other than the nationalities mentioned under 2). You will usually need a Regular Provisional Residence Permit (MVV) in order to apply for residence in the Netherlands. In exceptional circumstances mentioned in the appendix 'Exemption from requirement for Regular Provisional Permit, this is not necessary.
   Follow the instructions below if you think that one of the exceptional circumstances apply to you.
   □ You want to submit an application for a residence permit (without a Regular Provisional Residence Permit (MVV)):
     > Go to the appendix 'Exemption from requirement for Regular Provisional Residence Permit (MVV)' and see which exceptions there are to the requirement for a Regular Provisional Residence Permit (MVV). Please indicate below which situation applies. You can only tick one situation.
     You are applying for an exemption from the requirement for a Regular Provisional Residence Permit (MVV) because:
     □ your residence permit has expired;
     □ you cannot apply for a Regular Provisional Residence Permit (MVV) in your country of origin due to health reasons;
     □ you are residing as a family member with someone who had a privileged status;

     □ you are unable to depart from the Netherlands because this is contrary to Article 8 of the ECHR.
     □ another reason, namely:
2 Tuberculosis

You want to apply for a residence permit in the Netherlands. You may need to undergo an examination and treatment for tuberculosis (TB). This depends on the situation.

> Please tick the applicable situation

☐ You do not need to undergo a TB test because you have a valid residence permit in the Netherlands.
☐ You do not need to undergo a TB test because you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'.
☐ You do not need to undergo a TB test because you were born in the Netherlands and you have not changed the location of your principal place of residence to outside the Netherlands since your birth.
☐ You are a foster child or an adopted child that has successfully undergone a TB test in your country of origin and you are able to send a recent medical statement which shows this fact to be evident. This statement may not be more than 6 months old.

You have a different nationality and:

☐ have already undergone a TB test in the Netherlands. Enclose an original and recent ‘TB test referral form’ with the application. This form is the proof that you have undergone a TB test in the Netherlands. The form may not be more than 6 months old.
☐ have not yet undergone a TB test in the Netherlands. Then you should complete the Appendix Declaration of intent to undergo a TB test’ and send this together with the application. You must sign this appendix yourself.

If you are in the Netherlands, then you should make an appointment for the test with the Municipal Health Service (GGD) in the region where you live or where you will be living (for further information, visit the website www.ggd.nl). Take the appendix ‘TB test referral form’ with you to the Municipal Health Service (GGD). The Municipal Health Service (GGD) will then send the form to the IND.

3 Means of evidence

Requirements of foreign means of evidence
You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application. Your personal situation and the purpose of residence determine which foreign means of evidence you will need to include.

Language
All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of ) the translation and (a copy of ) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp/authentication stamp provided by the competent authorities in the country of issue.

Official means of evidence
Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In ‘apostille countries’ an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the ‘Public Information Service’, telephone number 1400. You can also visit the website www.rijksoverheid.nl.
Special facts and circumstances
If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
• If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, the foreign national must go to an Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. Please check www.ind.nl to make an online appointment. There, you will also find addresses and opening hours of the IND desks. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he/she can also have a passport photograph and his/her fingerprints taken there. Please check www.ind.nl for how to make an online appointment. There, you will also find addresses and opening hours of the IND desks. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

• The foreign national or sponsor submits the application immediately at the counter. A passport photo and the fingerprints will be taken at the counter. The foreign national will also be required to sign the document. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Information about making appointments can be found on the website www.ind.nl.

N.B. From 1 March 2014, if the foreign national (e.g. in the context of a previous application) has had biometric features (10 fingerprints and a passport photo) taken, the foreign national does not need to provide these details (at an IND desk) again. This does not apply if the foreign national has reached the age of 6, 12 or 18 in the intervening period. The IND could invite the foreign national for gaining biometric details again, if the previously used passport photo is an insufficient similarity of the foreign national or if the photo and/or fingerprints taken previously are of an insufficiently high quality.

Do not enclose this appendix with the form!

Appendix

Fingerprints, passport photo and signature

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

How can the foreign national submit these?
In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

This can be done while still abroad, by means of the Entry and Residence procedure

• The sponsor (in the Netherlands) will have submitted the application for Regular Provisional Residence Permit for the foreign national (who is still abroad).
  - If a positive decision is given, then the foreign national can collect the Regular Provisional Residence Permit from the Dutch Embassy or Consulate in his/her country of origin or long-term residence. When collecting the Regular Provisional Residence Permit, the foreign national must take a new (and not previously used) passport photo with him/her. This passport photo must comply with the requirements which also apply for Dutch passports. The Embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
  - The employee at the Dutch Embassy or the Consulate will take fingerprints and the foreign national will also be required to sign the document.

• The foreign national has submitted the Regular Provisional Residence Permit to the Dutch Embassy or the Consulate in the country of origin or long-term residence.
  - When submitting the application, the foreign national must take a new (and not previously used) passport photo with him/her. The employee at the Dutch Embassy or the Consulate will also take the fingerprints and the foreign national will be required to sign the document.

When abroad, application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit

• If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) counter immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to sign the document. You have to make an online appointment via the website www.ind.nl.

Appendix
Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix "Exemption from the obligation to undergo a tuberculosis (TB) test". Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

You do not require a regular provisional residence permit if:
• you have a valid residence permit issued in a Schengen member state; and
• a recognised sponsor has applied for your residence permit; and
• you meet the requirements for the purpose of residence.
If your family members meet the requirements above, they also do not need a regular provisional residence permit.

Schengen member states: Belgium, Denmark, Germany, Estonia, Finland, France, Greece, Hungary, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Norway, Austria, Poland, Portugal, Slovenia, Slovakia, Spain, Czech republic, Iceland, Sweden, Switzerland.

I worked on a Dutch seagoing vessel or in a mining installation on the continental shelf for 7 years or longer
If you can demonstrate that you worked on a Dutch seagoing vessel or on the continental shelf for 7 years or longer, you do not require a regular provisional residence permit. Please enclose the proof hereof with this application.

I have Turkish nationality and worked legally in the Netherlands over the past year
If you have Turkish nationality and worked legally in the Netherlands over the past year, you do not require a regular provisional residence permit under an international convention. This convention only applies if you want to remain employed in the Netherlands and apply for a residence permit for this purpose.

I am a (former) family member of an employee having Turkish nationality and lived together with this employee having Turkish nationality
If, as a family member of an employee having Turkish nationality, you lived together with him legally in the Netherlands for three years, you do not require a regular provisional residence permit under an international convention.

I have Turkish nationality and I want to perform work in the Netherlands as a self-employed person
If you have Turkish nationality and you want to perform work in the Netherlands as a self-employed person, the requirement to apply for a regular provisional residence permit will not be enforced against you beforehand if, upon submitting your application for performing work as a self-employed person, you immediately submit a business plan and you appear to have sufficient personal experience and your profession or business has added value for the Dutch economy. If the handling of your application shows that you meet all substantive admission conditions for work as a self-employed person, you do not require a regular provisional residence permit under an international convention.

Do not enclose this appendix with the form!

Usually, you will need a Regular Provisional Residence Permit (MVV) in order to apply for residence in the Netherlands. You do not apply for a MVV in the Netherlands, but in your country of origin or in the country where you may reside for more than 90 days under a residence permit.

Sometimes, you do not require a regular provisional residence permit. These situations are mentioned and explained below. Please read all situations first. Then tick in the application form the situation that applies and enclose the requested documents with the application form.

My residence permit has expired
The validity of your residence permit is stated in your residence document. If you have been unable to extend the validity of your residence permit or to change the restriction in time, you must state the reason for this in a separate letter. Enclose this letter and as many pieces of evidence and documents as possible with your application in order to substantiate your story.

For health reasons, I am unable to apply for a regular provisional residence permit in my country of origin
If you are in the Netherlands and, for medical reasons, it is not wise for you to travel to your country of origin, you do not have to apply for a regular provisional residence permit. You have to prove this with certain pieces of evidence and documents. You must enclose all the means of evidence mentioned in the Appendix ‘Explanation and means of evidence medical circumstances’. Read the appendix carefully and follow the instructions.

The IND asks the independent physician from the IND’s Medical Advisors Office (Bureau Medische Advisering or BMA) for advice about your medical situation. If you do not submit all the requested details, then BMA cannot advice and the IND can not assess whether your medical situation is grounds for exemption from the MVV requirement.

I am residing as a family member with someone who had a privileged status.
My family member qualifies for a permanent residence permit him/herself. If you are residing as a family member with someone having a privileged status and you currently also have a privileged status yourself, you do not require a regular provisional residence permit. This only applies if you and the family member you are residing with have submitted an application for a permanent residence permit simultaneously. Staff members of a foreign diplomatic or consular post or an international treaty organisation have a privileged status, for example.
I was born in the Netherlands, am 12 years of age or younger and did not move the location of my principal residence outside the Netherlands
A child aged 12 or younger, born in the Netherlands and forming part of the family of the sponsor (who did not move the location of his principal residence outside the Netherlands either) does not require a regular provisional residence permit. The parent(s) must lawfully reside in the Netherlands.

I qualify for a residence permit with the purpose of residence ‘cross-border service provision’. You do not need a regular provisional residence if you qualify for this residence permit.

I am a victim of or witness reporting human trafficking
If you are a victim of or witness reporting human trafficking, you must report to the police. You may be entitled to a residence permit based on this report. You are not obliged to submit a separate application for this. In that case, you do not require a regular provisional residence permit.

I do not have a residence permit and I am a victim of or witness reporting human trafficking. I cannot or will not file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker because of important reasons.
If you do not have a residence permit, are a victim of or witness reporting human trafficking and you cannot or will not file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker because of important reasons. You do not need a regular provisional residence if you qualify for a residence permit with the purpose of stay ‘temporary humanitarian’ for these reasons.

I do not have a residence permit and I have fallen victim to (or might fall victim to) honour-related violence or domestic violence.
You do not need a regular provisional residence if you qualify for a residence permit with the purpose of stay ‘temporary humanitarian’ for these reasons.

I am a minor child of a person who has a residence permit on temporary humanitarian grounds in connection with human trafficking or honour-related violence or domestic violence.
If you are the minor child of someone who has a residence permit on temporary humanitarian grounds, as referred to above, you are staying in the Netherlands with this parent, then you may be eligible for exemption from the requirement for a Regular Provisional Residence Permit.

I am unable to depart from the Netherlands
If you are not to blame for being unable to depart from the Netherlands, because you do not have a valid passport and, for valid reasons, you cannot be put into the possession of alternative travel documents, you do not require a regular provisional residence permit.

I am a minor child and actually resided in the Netherlands for at least three years
You do not require a regular provisional residence permit if you:
- are under age;
- actually resided in the Netherlands for at least three years;
- are of school age; and
- intend to reside with a Dutch citizen or a sponsor with lawful residence.

- evidence showing how you conduct your family life with the sponsor.
In case of an appeal for protection of your private life:
- evidence showing your connections with the Netherlands and which also shows the intensity of these connections.

I want to reside with my Dutch minor child of whom I am the only carer parent
If you are the only carer parent of a Dutch minor child who you have to support and who must leave the European Union if no residence permit is granted to you, you do not require a regular provisional residence permit.

I resided in another Member State as a holder of a European blue card
You need not have a regular provisional residence permit if:
- you resided in another Member State for a period of eighteen months as a holder of a European blue card; or
- you resided as a family member with a holder of a European blue card in another Member State for eighteen months. Please enclose with this application the documentary evidence showing the nature and duration of the residence in the other Member State.

You are the victim of human trafficking and you are unwilling or unable to file a report of this or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats, and/or a medical or psychological limitation and/or you being a minor.
You do not need a Regular Provisional Residence Permit if you can show that you are unable or unwilling to file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats, and/or a medical or psychological limitation and/or you being a minor. You are required to prove this by means of the following evidence:

This statement contains detailed and specific comments on your individual situation, addressing the consequences of you being a minor for the collaboration in the criminal proceedings. You will only assumed to be a minor based on identifying documents, or when established by the IND (as described in paragraph C1/2.2 of the Aliens Act Implementation Guidelines).

Other
You want to apply for a regular residence permit and do not have a valid or correct regular provisional residence permit. Only in case of special and individual circumstances could you be granted a residence permit without a regular provisional residence permit. This only applies if you cannot be expected to apply for a regular provisional residence permit in...
your country of origin or a country of continuous residence outside the Netherlands. Please state in a separate letter why this is not possible for you. Enclose this letter with the application form.

How do you submit the application?
If you rely upon one of the exemptions from the MVV-requirement, you must submit the application immediately at the counter. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Information about making appointments can be found on the website www.ind.nl. You will receive an invitation letter after making the appointment.
