1 What is your situation

> Please tick the applicable situation and follow the instructions

1. You have a valid residence permit in the Netherlands and you want to change the residence permit (as well as renewing the period of validity of the residence permit) to a different purpose of residence. This also applies if you have (had) a residence permit as a start-up with a facilitator in the Netherlands and you want to continue your business activities in the Netherlands.

☐ You want to submit an application for changing the purpose of residence of your residence permit

2. You are in the Netherlands and you want a residence permit. You are a national of one of the following countries: Australia, Canada, Japan, New Zealand, the United States of America, South Korea, Monaco, Vatican City, the United Kingdom, the EU/EEA countries or Switzerland.

☐ You want to submit an application for a regular residence permit.

3. You are abroad and your nationality is one whereby you will need a Regular Provisional Residence Permit (MVV) (a nationality other than the nationalities mentioned under 2).

A Regular Provisional Residence Permit (MVV) is a visa with which you can enter the Netherlands for a stay of longer than 90 days. Having entered the Netherlands with a valid Regular Provisional Residence Permit (MVV) you can be issued with a residence permit.

☐ You cannot use this form. You will need to approach the Dutch Embassy or Consulate in your country of origin or the country in which you are staying.

4. You are in the Netherlands and you want to submit an application. Your nationality is one whereby you will need a Regular Provisional Residence Permit (MVV) (a nationality other than the nationalities mentioned under 2). You will usually need a Regular Provisional Residence Permit (MVV) in order to apply for residence in the Netherlands. In exceptional circumstances mentioned in the appendix ‘Exemption from requirement for Regular Provisional Permit, this is not necessary.

Follow the instructions below if you think that one of the exceptional circumstances apply to you.

☐ You want to submit an application for a residence permit (without a Regular Provisional Residence Permit (MVV))

> Go to the appendix ‘Exemption from requirement for Regular Provisional Residence Permit (MVV)’ and see which exceptions there are to the requirement for a Regular Provisional Residence Permit (MVV). Please indicate below which situation applies. You can only tick one situation.

You are applying for an exemption from the requirement for a Regular Provisional Residence Permit (MVV) because:

☐ your residence permit has expired;

☐ you cannot apply for a Regular Provisional Residence Permit (MVV) in your country of origin due to health reasons;

☐ you are residing as a family member with someone who had a privileged status;

☐ you worked on a Dutch seagoing vessel or in a mining installation on the continental shelf for 7 years or longer;

☐ you are a victim of, or witness reporting human trafficking;

☐ you have an EC residence permit as long-term resident, or you are a family member or relative of someone with an EC residence permit;

☐ you want to stay with a family member who has an asylum residence permit;

☐ you are unable to depart from the Netherlands because this is contrary to Article 8 of the ECHR.

☐ another reason, namely:
2 **Tuberculosis**

You want to apply for a residence permit in the Netherlands. You may need to undergo an examination and treatment for tuberculosis (TB). This depends on the situation.

> **Please tick the applicable situation**

- You do not need to undergo a TB test because you have a valid residence permit in the Netherlands.
- You do not need to undergo a TB test because you have an EC residence permit for long-term residence that was issued by another EU country, or you are a family member of a long-term resident in an EU country.
- You do not need to undergo a TB test because you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'.

If you have a different nationality and:

- have already undergone a TB test in the Netherlands. Enclose an original and recent 'TB test referral form' with the application. This form is the proof that you have undergone a TB test in the Netherlands. The form may not be more than 6 months old.
- have not yet undergone a TB test in the Netherlands. Then you should complete the Appendix Declaration of intent to undergo a TB test and send this together with the application. You must sign this appendix yourself.

If you are in the Netherlands, then you should make an appointment for the test with the Municipal Health Service (GGD) in the region where you live or where you will be living (for further information, visit the website www.ggd.nl). Take the appendix 'TB test referral form' with you to the Municipal Health Service (GGD). The Municipal Health Service (GGD) will then send the form to the IND

3 **Means of evidence**

**Requirements of foreign means of evidence**

You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign proof of income you will need to include.

**Language**

All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of) the translation and (a copy of) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp/authentication stamp provided by the competent authorities in the country of issue.

**Official means of evidence**

Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In 'apostille countries' an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the 'Public Information Service', telephone number 1400. You can also visit the website www.rijksoverheid.nl.
Special facts and circumstances
If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

Choose the purpose of residence. You can only choose one purpose of residence. If you choose more than one purpose then (possibly) your application will be no longer valid. If you are in doubt about your purpose of residence then contact the IND. Do not submit your application if you are not sure whether you comply with the conditions. Visit the website www.ind.nl for more information about your purpose of residence.

Appendix Fingerprint, passport photo and signature

Please do not enclose this appendix with the form!

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. Entry and Residence procedure
   - The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
     - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
     - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national
   - The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
     - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit
   - If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.
Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post
   - The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person
   - The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

Processing of personal data
The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

Appendix Exemption from the obligation to apply for a regular provisional residence permit and special situations

Do not enclose this appendix with the form!

Usually, you will need a Regular Provisional Residence Permit (MVV) in order to apply for residence in the Netherlands. You do not apply for a MVV in the Netherlands, but in your country of origin or in the country where you may reside for more than 90 days under a residence permit.

Sometimes, you do not require a regular provisional residence permit. These situations are mentioned and explained below. Please read all situations first. Then tick in the application form the situation that applies and enclose the requested documents with the application form.

My residence permit has expired
The validity of your residence permit is stated in your residence document. If you have been unable to extend the validity of your residence permit or to change the restriction in time, you must state the reason for this in a separate letter. Enclose this letter and as many pieces of evidence and documents as possible with your application in order to substantiate your story.

For health reasons, I am unable to apply for a regular provisional residence permit in my country of origin

Read the appendix carefully and follow the instructions.

Explanation A company’s profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.
