

Application for the purpose of residence of 'family and relatives' (foreign national)

Read the explanation before you start to fill out the form.

For whom is this form intended?

You can only use this form if you are a foreign national. A foreign national is someone who wants to stay in the Netherlands, for example with a family member. This family member is your sponsor.

Your sponsor has Dutch nationality or a Dutch residence permit and lives in the Netherlands. If you are a sponsor and you want to submit an application for a foreign national, you can use the form 'Application form for a stay with the purpose of residence 'family and relatives' for the sponsor.

If you are a minor child, under the age of 12, then your parent or legal representative must submit an application for you with the form 'Application form for a stay with the purpose of residence 'family and relatives' for the sponsor'

You are a foreign national.

You can submit an application for a stay in the Netherlands with this form on grounds of one of the following purposes of residence:

- stay with spouse or (registered) partner;
- stay with a parent;
- stay as foreign adoptive child or foster child;
- stay with a minor who holds an asylum permit;
- stay with the holder of a medical residence permit; or
- stay in order to carry out family life on grounds of Article 8 of the ECHR.

N.B. If you want to submit an application for a residence permit to conduct family life on grounds of Article 8 of the ECHR, then you must first submit the 'Notification of Application for a Regular Residence Permit Article 8 ECHR/Humanitarian grounds'. You also need to use the form 'Notification of Application for a Regular Residence Permit Article 8 ECHR/Humanitarian grounds' if your residence permit has expired more than 2 years ago. You can find this form, as well as further information about this, on the website www.ind.nl.

If you already have a residence permit and you want to change this to a permit for conducting family life on grounds of Article 8 of the ECHR, then you may use this form. You can also use this form if you are applying for a residence permit within 2 years after your previous permit has expired.

If you want to submit an application for your child you have to be the legal representative of your child. You are the legal representative of your child if you have parental authority over your child. You can find more information on this on www.ind.nl.

Make sure that your application is received by the IND before the residence permit expires. This is important to prevent encountering a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures. Do not submit an application if the residence permit is still valid for more than 3 months. The IND will disregard an application which is submitted earlier than 3 months before the expiration date of the residence permit.

How do you fill out this form?

This form comprises different appendices; which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

Would you like more information?

Then visit the IND website at www.ind.nl. You can also contact the IND by telephone via 088 043 04 30 (normal charges apply). From abroad you can call +31 88 043 04 30.

3 Means of evidence

Requirements of foreign means of evidence

You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign proof of income you will need to include.

Language

All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of) the translation and (a copy of) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp/authentication stamp provided by the competent authorities in the country of issue.

Official means of evidence

Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence.

In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In 'apostille countries' an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the 'Public Information Service', telephone number 1400. You can also visit the website www.rijksoverheid.nl.

Special facts and circumstances

If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

Choose the family member with whom you want to stay

You can only choose one purpose of residence. If you choose more than one purpose then (possibly) your application will be no longer valid. If you are in doubt about your purpose of residence then contact the IND. Do not submit your application if you are not sure whether you comply with the conditions. Visit the website www.ind.nl for more information about your purpose of residence.

In order to be able to make a residence document, the Immigration and Naturalisation Service (IND) need the fingerprints, passport photo and signature of the foreign national. How can the foreign national submit these?

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

This can be done while still abroad, by means of the Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for Regular Provisional Residence Permit for the foreign national (who is still abroad).
 - If a positive decision is given, then the foreign national can collect the Regular Provisional Residence Permit from the Dutch Embassy or Consulate in his/her country of origin or long-term residence. When collecting the Regular Provisional Residence Permit, the foreign national must take a new (and not previously used) passport photo with him/her. This passport photo must comply with the requirements which also apply for Dutch passports. The Embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
 - The employee at the Dutch Embassy or the Consulate will take fingerprints and the foreign national will also be required to sign the document.
- The foreign national has submitted the Regular Provisional Residence Permit to the Dutch Embassy or the Consulate in the country of origin or long-term residence.
 - When submitting the application, the foreign national must take a new (and not previously used) passport photo with him/her. The employee at the Dutch Embassy or the Consulate will also take the fingerprints and the foreign national will be required to sign the document.

When abroad, application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) counter immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to sign the document. No appointment needs to be made for this. The addresses and opening hours of the Immigration and Naturalisation Service (IND) counters can be found on the website www.ind.nl.

Appendix

Fingerprints, passport photo and signature

Applying for a first residence permit in the Netherlands or changing the purpose of residence

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must go the Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. Please check www.ind.nl if you need to make an appointment. There, you will also find addresses and opening hours of the IND desks. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he/she can also have a passport photograph and his/her fingerprints taken there. Please check www.ind.nl if you need to make an appointment. There, you will also find addresses and opening hours of the IND desks. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.
- The foreign national must submit the application immediately at the counter. A passport photo and the fingerprints will be taken at the counter. The foreign national will also be required to sign the document. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Information about making appointments can be found on the website www.ind.nl.

Application for extension of a residence permit, a permanent residence permit or an application for renewal or replacement of a residence document

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must then go to the Immigration and Naturalisation Service (IND) counter within 2 weeks in order to have his/her fingerprints and passport photo taken. No appointment is necessary for this purpose. The addresses and opening hours of the Immigration and Naturalisation Service (IND) counters can be found on the website www.ind.nl.

N.B. From 1 March 2014, if the foreign national (e.g. in the context of a previous application) has had biometric features (10 fingerprints and a passport photo) taken, the foreign national does not need to provide these details (at an IND desk) again. This does not apply if the foreign national has reached the age of 6, 12 or 18 in the intervening period. The IND could invite the foreign national for gaining biometric details again, if the previously used passport photo is an insufficient similarity of the foreign national or if the photo and/or fingerprints taken previously are of an insufficiently high quality.

Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

Appendix TB test referral form

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

In order to undergo the TB test, you must make an appointment with the Municipal Health Service. For this appointment, you must complete the referral form as much as possible (part 1) and take it with you.

Please complete the referral form before you make an appointment with the Municipal Health Service. See also www.ggd.nl for information about the Municipal Health Service. The completed form signed by the Municipal Health Service, showing that you underwent a TB test, must have been received by the IND from the Municipal Health Service within three months after the date on which the application for a residence permit has been submitted.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EC residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

Usually, a foreign national requires a regular provisional residence permit in order to travel into the Netherlands and to qualify for a residence permit in the Netherlands. The foreign national applies for a regular provisional residence permit in his country of continuous residence. This is the country of origin or the country where the foreign national may reside for more than 90 days under a residence permit.

Sometimes, a foreign national does not require a regular provisional residence permit. These situations are mentioned and explained below. Please read all situations first. Then tick in the application form the situation that applies and enclose the requested documents with the application form.

My residence permit has expired

The validity of your residence permit is stated in your residence document. If you have been unable to extend the validity of your residence permit or to change the restriction within 2 years after your document has expired, you must state the reason for this in a separate letter. You do not require a regular provisional residence permit only in case of circumstances beyond your control. Enclose this letter and as many pieces of evidence and documents as possible with your application in order to substantiate your story.

For health reasons, I am unable to apply for a regular provisional residence permit in my country of origin (N.B. see also under 'Notification')

If you are in the Netherlands and, for medical reasons, it is not wise for you to travel to your country of origin, you do not have to apply for a regular provisional residence permit. You have to prove this with the following pieces of evidence and documents:

- An Appendix 'Proof of medical situation of foreign national' completed and signed by your physician(s). This appendix may not be older than 6 weeks. Changes to your medical situation that could be of importance to a decision to be made must be notified by means of new evidence.
- The Appendix 'Medical Information Disclosure Consent Form' completed and signed by you. This appendix may not be older than 6 months. If several practitioners are involved, you must give your consent for each practitioner separately.
- Your relevant medical details from your doctor(s) in reaction to the letter with explanation from the Medical Advisors Office (BMA). In order to do this you need to give the letter (with explanation) from the Medical Advisors Office (BMA) to your Mental Healthcare Association (GGZ) doctor, general practitioner and/or specialist (therefore not a letter with questions composed by someone else). You can find these letters with explanations from the Medical Advisors Office (BMA) in the appendix 'Notes and means of evidence medical circumstances'. Therefore you should use this appendix. If you do not submit all the requested details or these are incomplete, then your medical situation cannot be assessed.

I am residing as a family member with someone who had a privileged status.

My family member qualifies for a permanent residence permit him/herself. If you are residing as a family member with someone having a privileged

I have Turkish nationality and I want to perform work in the Netherlands as a self-employed person

If the handling of your application shows that you meet all substantive admission conditions for work as a self-employed person, you do not require a regular provisional residence permit under an international convention.

I was born in the Netherlands, am 12 years of age or younger and did not move the location of my principal residence outside the Netherlands

You do not need a regular provisional residence if you qualify for this residence permit.

I am a victim of or witness reporting human trafficking (N.B. see also under 'Notification')

If you are a victim of or witness reporting human trafficking, you must report to the police. You may be entitled to a residence permit based on this report. You are not obliged to submit a separate application for this. In that case, you do not require a regular provisional residence permit.

I am unable to depart from the Netherlands

If you are not to blame for being unable to depart from the Netherlands, because you do not have a valid passport and, for valid reasons, you cannot be put into the possession of alternative travel documents, you do not require a regular provisional residence permit.

You are the victim of human trafficking and you are unwilling or unable to file a report of this or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats and/or a medical or psychological limitation

You do not need a Regular Provisional Residence Permit if you can show that you are unable or unwilling to file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats and/or a medical or psychological limitation. You are required to prove this by means of the following evidence:

Other (N.B. see also under 'Notification')

Only in case of special and individual circumstances could you be granted a residence permit without a regular provisional residence permit. This only applies if you cannot be expected to apply for a regular provisional residence permit in your country of origin or a country of continuous residence outside the Netherlands. Please state in a separate letter why this is not possible for you. Enclose this letter with the application form.

2. I am a victim or witness/reporter of human trafficking
3. I am unable to leave the Netherlands because this is contrary to Article 8 of the ECHR

You should visit the IND Desk in person in order to submit your application for a residence permit. Please visit www.ind.nl to find out how you can contact the IND. You must bring the original copies of all evidence requested. The IND verifies and copies this evidence, after which all original evidence is returned to you. The copies must be enclosed with your application. The person submitting an application must take his valid passport with him. You can pay the fees (costs) due at the IND Desk. Explanation A company's profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits

must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.

Appendix Proof of medical situation of foreign national

The physician/practitioner must be registered in the registers under the Individual Healthcare Professions Act (Wet op de Beroepen in de Individuele Gezondheidszorg or BIG) or the Dutch Association of Psychologists (Nederlands Instituut van Psychologen or NIP).

For the physician/practitioner: Through this form, you are asked a few questions about the presence of any medical treatment of the foreign national you refer to below. The foreign national can use your answers to demonstrate that any medical facts or treatments exist which could be of importance to the assessment of his/her application for a residence permit in the Netherlands. When answering these questions, you are not

asked to assess whether the conditions for a residence permit in the Netherlands are met. You only need to provide factual data in simple words that can be understood by non-physicians. The non-medically qualified officials from the Immigration and Naturalisation Service (IND) will not use your answers to form a medical opinion themselves, but do want to be informed of the fact that the foreign national receives active medical treatment from you. In case of any ongoing treatment, they may ask the independent physician from the IND's Medical Advisors Office (Bureau Medische Advisering or BMA) for advice. Following this, the BMA will contact you with the specific written consent of the foreign national.

You will be informed in writing once your application has been handled. If your application is granted, you will also receive a letter with information about the follow-up procedure.

Providing correct information

Providing incorrect information or withholding relevant information may lead to withdrawal of the permit. If punishable offences are observed, the IND reports this to the police.

V-number

A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.

Personal Data Protection Act

Under the Personal Data Protection Act, the IND is obliged to inform you that the IND is the organisation that processes the data of your request or application. The IND does so in order to handle your request or application. You can ask any questions about this data processing by sending a letter to the IND, Postbus 17, 9560 AA Ter Apel. You can also ask for an overview of the data processed about you. Following this request, you can ask for your personal details to be changed, deleted or protected.

If you apply for a residence permit for a foreign national, you are the sponsor. This comes with responsibilities. As a sponsor, you must ensure that the foreign national meets the conditions for a residence permit. Not only when applying for a residence permit, but also afterwards. If the foreign national can no longer lawfully reside in the Netherlands, you, as sponsor, are responsible for the foreign national leaving the Netherlands.

Please note! If you are (also) requesting for a child, who is not your own child, but a child from a previous relationship of your spouse/partner to come over to the Netherlands, then not you, but your spouse/partner must complete the 'Declaration by sponsor' regarding the child.

Obligation to provide information

You are obliged to report changes to the IND within 4 weeks if they could have an effect on the residence permit. Please use the 'Notification form for family members and relatives', which you can download from www.ind.nl. The form lists the changes you need to report.

Duty to keep records

You are obliged to collect and store any relevant information about the foreign national. You can find the data you are obliged to store in the Aliens Regulations. You must store this documentary evidence up to 5 years after you are no longer the sponsor of the foreign national. The IND can request data at any time in order to assess whether you have complied with your obligations.
