Application for the purpose of residence of ‘family and relatives’ (foreign national)

Read the explanation before you start to fill out the form.

For whom is this form intended?
You can only use this form if you are a foreign national. A foreign national is someone who wants to stay in the Netherlands, for example with a family member. This family member is your sponsor. Your sponsor has Dutch nationality or a Dutch residence permit and lives in the Netherlands. If you are a sponsor and you want to submit an application for a foreign national, you can use the form ‘Application form for a stay with the purpose of residence ‘family and relatives’ for the sponsor (7518).

You can submit the application yourself if you are 12 years or older. If you want to submit an application for your minor child, you must have parental authority over your child.
• You have parental authority, you want to submit an application for your child and your child is going to stay with you? Then use the form ‘Application for the purpose of residence of ‘family members and relatives’ (sponsor)’ (7518).
• You have parental authority, you want to submit an application for your child and your child will reside with someone other than yourself, for example the other parent of your child? Then use this form ‘Application for the purpose of residence of ‘family and relatives’ (foreign national)’ (7525).

You can submit an application for a stay in the Netherlands with this form on grounds of one of the following purposes of residence:
• stay with spouse or (registered) partner;
• stay with a parent;
• stay as foreign adoptive child or foster child;
• stay with a minor who holds an asylum permit;
• stay with the holder of a medical residence permit;
• stay with a family member who holds a residence permit on ‘temporary humanitarian grounds’ because he is in the terminal phase of an illness;
• stay with an under-age foreign national who holds a residence permit due to a family supervision order by the juvenile court; or
• stay in order to carry out family life on grounds of Article 8 of the ECHR.

Further verification against other policy. During the assessment of your application, the IND can also verify whether you are eligible for a residence permit for another purpose. It concerns the following purposes:
• carrying out private life on grounds of Article 8 of the ECHR
• victim of human trafficking
• being unable to depart from the Netherlands through no fault of one’s own
• medical treatment
• residence on grounds of other humanitarian reasons
• suspension of departure under Article 64 of the Aliens Act

If you are of the opinion that you also qualify for a residence permit on the basis of one of these purposes, please substantiate this with as many relevant documents as possible. Submit a copy of these documents together with this form.

Do you already have a residence permit? Make sure that your application is received by the IND before the residence permit expires. This is important to prevent encountering a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures.
How do you fill out this form?
This form comprises different appendices. Which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

3 **Means of evidence**

**Requirements of foreign means of evidence**
You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign proof of income you will need to include.

**Language**
All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of ) the translation and (a copy of ) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp/authentication stamp provided by the competent authorities in the country of issue.

**Official means of evidence**
Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In ‘apostille countries’ an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the ‘Public Information Service’, telephone number 1400. You can also visit the website www.rijksoverheid.nl.

**Special facts and circumstances**
If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

**Choose the family member with whom you want to stay.** You can only choose one purpose of residence. If you choose more than one purpose then (possibly) your application will be no longer valid. If you are in doubt about your purpose of residence then contact the IND. Do not submit your application if you are not sure whether you comply with the conditions. Visit the website www.ind.nl for more information about your purpose of residence.

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. Appendix Fingerprint, passport photo and signature

Please do not enclose this appendix with the form!

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. **Entry and Residence procedure**
   - The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
     - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
     - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. **Application for a Regular Provisional Residence Permit (mvv) by the foreign national**
   - The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
     - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. **Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit**
   - If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.
Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post
   - The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person
   - The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix ‘Exemption from the obligation to undergo a tuberculosis (TB) test’. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

Please complete the referral form before you make an appointment with the Municipal Health Service. See also www.ggd.nl for information about the Municipal Health Service. The completed form signed by the Municipal Health Service, showing that you underwent a TB test, must have been received by the IND from the Municipal Health Service within three months after having received your residence permit.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix ‘Exemption from the obligation to undergo a tuberculosis (TB) test’. Appendix Exemption from the obligation to apply for a regular provisional residence permit and special situations

Do not enclose this appendix with the form!

Usually, you will need a Regular Provisional Residence Permit (MVV) in order to apply for residence in the Netherlands. You do not apply for a MVV in the Netherlands, but in your country of origin or in the country where you may reside for more than 90 days under a residence permit.

Sometimes, you do not require a regular provisional residence permit. These situations are mentioned and explained below. Please read all situations first. Then tick in the application form the situation that applies and enclose the requested documents with the application form.

My residence permit has expired
The validity of your residence permit is stated in your residence document. If you have been unable to extend the validity of your residence permit or to change the restriction in time, you must state the reason for this in a separate letter. Enclose this letter and as many pieces of evidence and documents as possible with your application in order to substantiate your story.

For health reasons, I am unable to apply for a regular provisional residence permit in my country of origin
If you are in the Netherlands and, for medical reasons, it is not wise for you to travel to your country of origin, you do not have to apply for a regular provisional residence permit. You have to prove this with certain pieces of evidence and documents. You must enclose all the means of evidence mentioned in the Appendix 'Explanation and means of evidence medical circumstances'. Read the appendix carefully and follow the instructions.

The IND asks the independent physician from the IND’s Medical Advisors Office (Bureau Medische Advisering or BMA) for advice about your medical situation. If you do not submit all the requested details, then BMA cannot advice and the IND can not assess whether your medical situation is grounds for exemption from the MVV requirement.

I have a valid residence permit issued in a Schengen member state
You do not require a regular provisional residence permit if:

• you have a valid residence permit issued in a Schengen member state; and
• a recognised sponsor has applied for your residence permit; and
• you meet the requirements for the purpose of residence.

If your family members meet the requirements above, they also do not need a regular provisional residence permit.

Schengen member states: Belgium, Denmark, Germany, Estonia, Finland, France, Greece, Hungary, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Norway, Austria, Poland, Portugal, Slovenia, Slovakia, Spain, Czech republic, Iceland, Sweden, Switzerland.

I am residing as a family member with someone who had a privileged status.
My family member qualifies for a permanent residence permit him/herself. If you are residing as a family member with someone having a privileged status and you currently also have a privileged status yourself, you do not require a regular provisional residence permit. This only applies if you and the family member you are residing with have submitted an application for a permanent residence permit simultaneously. Staff member of a foreign diplomatic or consular post or an international treaty organisation have a privileged status, for example.
I worked on a Dutch seagoing vessel or in a mining installation on the continental shelf for 7 years or longer
If you can demonstrate that you worked on a Dutch seagoing vessel or on the continental shelf for 7 years or longer, you do not require a regular provisional residence permit. Please enclose the proof hereof with this application.

I have Turkish nationality and worked legally in the Netherlands over the past year.
If you have Turkish nationality and worked legally in the Netherlands over the past year, you do not require a regular provisional residence permit under an international convention. This convention only applies if you want to remain employed in the Netherlands and apply for a residence permit for this purpose.

I am a (former) family member of an employee having Turkish nationality and lived together with this employee having Turkish nationality
If, as a family member of an employee having Turkish nationality, you lived together with him legally in the Netherlands for three years, you do not require a regular provisional residence permit under an international convention.

I have Turkish nationality and I want to perform work in the Netherlands as a self-employed person
If you have Turkish nationality and you want to perform work in the Netherlands as a self-employed person, the requirement to apply for a regular provisional residence permit will not be enforced against you beforehand if, upon submitting your application for performing work as a self-employed person, you immediately submit a business plan and you appear to have sufficient personal experience and your profession or business has added value for the Dutch economy. If the handling of your application shows that you meet all substantive admission conditions for work as a self-employed person, you do not require a regular provisional residence permit under an international convention.

I was born in the Netherlands, am 12 years of age or younger and did not move the location of my principal residence outside the Netherlands
A child aged 12 or younger, born in the Netherlands and forming part of the family of the sponsor (who did not move the location of his principal residence outside the Netherlands either) does not require a regular provisional residence permit. The parent(s) must lawfully reside in the Netherlands.

I qualify for a residence permit with the purpose of residence ‘cross-border service provision’.
You do not need a regular provisional residence if you qualify for this residence permit.

I am a victim of or witness reporting human trafficking
If you are a victim of or witness reporting human trafficking, you must report to the police. You may be entitled to a residence permit based on this report. You are not obliged to submit a separate application for this. In that case, you do not require a regular provisional residence permit.

I do not have a residence permit and I am a victim of or witness reporting human trafficking. I cannot or will not file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker because of important reasons.
If you do not have a residence permit, are a victim of or witness reporting human trafficking and you cannot or will not file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker because of important reasons. You do not need a regular provisional residence if you qualify for a residence permit with the purpose of stay “temporary humanitarian” for these reasons.

I do not have a residence permit and I have fallen victim to (or might fall victim to) honour-related violence or domestic violence.
You do not need a regular provisional residence if you qualify for a residence permit with the purpose of stay “temporary humanitarian” for these reasons.

I am a minor child of a person who has a residence permit on temporary humanitarian grounds in connection with human trafficking or honour-related violence or domestic violence
If you are the minor child of someone who has a residence permit on temporary humanitarian grounds, as referred to above, and you are staying in the Netherlands with this parent, then you may be eligible for exemption from the requirement for a Regular Provisional Residence Permit.

I am unable to depart from the Netherlands
If you are not to blame for being unable to depart from the Netherlands, because you do not have a valid passport and, for valid reasons, you cannot be put into the possession of alternative travel documents, you do not require a regular provisional residence permit.
I am a minor child and actually resided in the Netherlands for at least three years
You do not require a regular provisional residence permit if you:
• are under age;
• actually resided in the Netherlands for at least three years;
• are of school age; and
• intend to reside with a Dutch citizen or a sponsor with lawful residence.

I want to reside with a family member who has an asylum residence permit, but my nationality differs from the nationality of this family member

• submit the application for family reunification within three months after an asylum residence permit has been granted to your family member residing in the Netherlands;
• you are unable to reside in a country you have special ties with (your country of origin, for example).

I am unable to leave the Netherlands because this is contrary to Article 8 of the ECHR
You believe that you are unable to leave the Netherlands because it is an interference on your family or private life as set out in Article 8 of the ECHR. Enclose the following evidence with your application:
In case of an appeal for protection of your family life:
• evidence showing the relationship pertaining to family law between you and the sponsor, for example a copy of a birth certificate; and

• evidence showing your connections with the Netherlands and which also shows the intensity of these connections.

I want to reside with my Dutch minor child of whom I am the only carer parent
If you are the only carer parent of a Dutch minor child who you have to support and who must leave the European Union if no residence permit is granted to you, you do not require a regular provisional residence permit.

I resided in another Member State as a holder of a European blue card
You need not have a regular provisional residence permit if:
• you resided in another Member State for a period of eighteen months as a holder of a European blue card; or
• you resided as a family member with a holder of a European blue card in another Member State for eighteen months. Please enclose with this application the documentary evidence showing the nature and duration of the residence in the other Member State.

You are the victim of human trafficking and you are unwilling or unable to file a report of this or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats, and/or a medical or psychological limitation and/or you being a minor.
You do not need a Regular Provisional Residence Permit if you can show that you are unable or unwilling to file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats, and/or a medical or psychological limitation and/or you being a minor. You are required to prove this by means of the following evidence:
• a statement from the police showing that there are indications that you are the victim of trafficking in human beings.
Add at least one of the three following statements:
• a statement from the police showing that you cannot be expected to collaborate in the criminal proceedings because of serious threats here in this country from the trafficker in human beings; or
• a dated and signed written declaration, not older than six weeks, from a medical practitioner, including:
  ▪ the medical practitioner’s name, address and registration number under the medical practitioner in the Individual Healthcare Professions Register (BIG), or the Netherlands Institute of Psychologists register;
  ▪ which medical symptoms you have;
  ▪ the effect of your medical symptoms for the collaboration in the criminal proceedings.
and/or;
• a statement from the police or Royal Netherlands Marechaussee (KMar) stating that you, in connection with being a minor, cannot be expected to collaborate with the criminal proceedings. This statement contains detailed and specific comments on your individual situation, addressing the consequences of you being a minor for the collaboration in the criminal proceedings. You will only assumed to be a minor based on identifying documents, or when established by the IND (as described in paragraph C1/2.2 of the Aliens Act Implementation Guidelines).
Other
You want to apply for a regular residence permit and do not have a valid or correct regular provisional residence permit. Only in case of special and individual circumstances could you be granted a residence permit without a regular provisional residence permit. This only applies if you cannot be expected to apply for a regular provisional residence permit in your country of origin or a country of continuous residence outside the Netherlands. Please state in a separate letter why this is not possible for you. Enclose this letter with the application form.

How do you submit the application?
If you rely upon one of the exemptions from the MVV-requirement, you must submit the application immediately at the counter. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Information about making appointments can be found on the website www.ind.nl. You will receive an invitation letter after making the appointment.

Explanation A company’s profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.

Appendix Proof of medical situation of foreign national

For the foreign national:
Please have this appendix completed and signed by your physician/practitioner. If you have more than one physician/practitioner, you are asked to copy this appendix so that each physician can complete and sign a copy.

The physician/practitioner must be registered in the registers under the Individual Healthcare Professions Act (Wet op de Beroepen in de Individuele Gezondheidszorg or BIG) or the Dutch Association of Psychologists (Nederlands Instituut van Psychologen or NIP).

For the physician/practitioner: Through this form, you are asked a few questions about the presence of any medical treatment of the foreign national you refer to below. The foreign national can use your answers to demonstrate that any medical facts or treatments exist which could be of importance to the assessment of his/her application for a residence permit in the Netherlands. When answering these questions, you are not asked to assess whether the conditions for a residence permit in the Netherlands are met. You only need to provide factual data in simple words that can be understood by non-physicians. The non-medically qualified officials from the Immigration and Naturalisation Service (IND) will not use your answers to form a medical opinion themselves, but do want to be informed of the fact that the foreign national receives active medical treatment from you. In case of any ongoing treatment, they may ask the independent physician from the IND’s Medical Advisors Office (Bureau Medische Advisering or BMA) for advice. Following this, the BMA will contact you with the specific written consent of the foreign national.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
Appendix Civic integration requirement

You must have passed the civic integration examination referred to in Article 7(2)(a) of the Civic Integration Act, if you are at least 18 years old. If you are of statutory pensionable age or older, you need not sit the civic integration examination. You may be exempt in some cases, for example based on diplomas or other evidence. Please indicate the situation that applies to you below. Enclose the evidence requested with your application. You must also enclose a list of marks in some cases. You only need to do this if you must have passed the subject of Dutch.

Enclose means of evidence
If you send the application, you should enclose a certified copy (and not the original copies) of the requested diplomas, certificates and/or lists of marks. A copy of civic integration examination does not have to be certified. A certified copy contains a statement that the contents of the copy correspond with the original. This statement must have been signed by a person who is authorised to do so. The statement must also contain: the name of this person, a date and a stamp of the school (or the municipality, the notary’s office). A copy of a diploma may only be certified by the relevant educational institution. If it concerns a diploma that has not been issued in the Netherlands, the diploma or certificate must bear an apostille stamp.

If you submit the application to the desk in person, you may also bring the original diplomas, certificates and/or lists of marks with you. The IND staff member will make copies hereof to be put in your file. You keep the original copies yourself.

You must still satisfy the integration requirements.

☐ You are permanently unable to sit the civic integration examination on medical grounds

- a medical advice issued by a designated doctor selected by the municipal executive of your place of residence. Or if you have moved: an advice issued by a designated doctor from your previous place of residence. The advice must not be older than six months. Based on this advice, the State Secretary for Justice and Security will assess whether you are permanently unable to pass the civic integration examination due to a psychological or physical impairment or a mental handicap (you can submit this if you became obliged to participate in a civic integration programme before 1 January 2013); or
- a medical advice (not older than six months) from an independent medical adviser appointed by the Minister of Social Affairs and Employment. Despite sufficient efforts you did not pass the civic integration examination and you do not qualify for one of the above-mentioned exemption grounds. Please submit one of the following additional pieces of evidence and documents with the application:

- Despite efforts made, you cannot reasonably be expected to obtain the civic integration examination because you:
  a) have participated at least 600 hours in a civic integration course, a course Dutch as a second language I or II (NT2) or a combination of those courses at an institution with the “Blik op Werk” quality mark and you have not passed parts of the civic integration exam at least four times, of which a maximum of two times are related to the course Dutch as a second language;
  b) have participated at least 600 hours in a in an (adult) literacy course at an institution with the ‘Blik op Werk’ quality mark and you have demonstrated with a learning ability test taken by DUO that you do not have the learning ability to pass the civic integration examination.
  c) have participated at least 600 hours in an (adult) literacy course and a subsequent civic integration course, both at an institution with the ‘Blik op Werk’ quality mark and you have spent at least 300 hours in the (adult) literacy course and you have demonstrated with a learning ability test taken by DUO that you do not have the learning ability to pass the civic integration examination.

DUO will give an advice if a person meets the criteria mentioned under a, b and c. The IND includes this advice from DUO to examine this exemption ground. If you wish to be considered for this release you need to apply for this test yourself at DUO. After the test, DUO will give the advice. For the application form and more information on this procedure, please consult the DUO website: www.inburgeren.nl.

- Until 1 July 2013, it was possible to submit a request at the Amsterdam Regional Training Centre (ROC) for an advice in which is stated that due to your illiteracy - possibly in combination with limited educational skills - you are unable to pass the civic integration examination, a so-called ‘feasibility study’. Do you still have an advice from the ROC Amsterdam then you can get exempted from the civic integration examination if this advice is not older than five years on the date of submission of the application. You must also submit a document showing that you passed the Spoken Dutch Test at level A2, in order to demonstrate that you can speak and understand Dutch at level A2.
Due to special individual circumstances you cannot pass the civic integration examination

You want to qualify for a residence permit "non-temporary humanitaria” or "permanent residence (regular or asylum)” without having passed the civic integration examination. Due to special individual circumstances and despite sufficient efforts you cannot pass the civic integration examination. Please submit with the application pieces of evidence and documents showing:

- that you have the will to take the civic integration examination and that you have made efforts which could reasonably be required to pass the civic integration examination; and

- that due to special individual circumstances you are unable to participate in or to pass the civic integration examination.

Explanation

If you apply for a residence permit for a foreign national, you are the sponsor. This comes with responsibilities. As a sponsor, you must ensure that the foreign national meets the conditions for a residence permit. Not only when applying for a residence permit, but also afterwards. If the foreign national can no longer lawfully reside in the Netherlands, you, as sponsor, are responsible for the foreign national leaving the Netherlands.

Obligation to provide information

You are obliged to report changes to the IND within 4 weeks if they could have an effect on the residence permit. Please use the 'Notification form for family members and relatives', which you can download from www.ind.nl. The form lists the changes you need to report.

Duty to keep records

You are obliged to collect and store any relevant information about the foreign national. You can find the data you are obliged to store in the Aliens Regulations. You must store this documentary evidence up to 5 years after you are no longer the sponsor of the foreign national. The IND can request data at any time in order to assess whether you have complied with your obligations.

Do not enclose this appendix with the form!

You can use these notes if you:

• want to submit an application (to stay in the Netherlands) whereby the Immigration and Naturalisation Service (IND) assesses your medical situation.
• want to be eligible for accommodation while awaiting the decision on an application under the scope of the Spekman motion. This is only possible if you are an asylum seeker who has exhausted all legal means or an asylum seeker who is in the appeal phase of an asylum procedure and you want to submit an application for a regular residence permit for medical treatment or postponement of departure for health reasons (Section 64 of the Aliens Act).

These notes set out which details you will need to submit.

What do you need to do?
Please enclose the following means of evidence with your application. Make sure that you and your doctor or practitioner sign the attachments when asked.

• Enclose a copy of your valid passport. Only copy the pages containing the identity details and the pages which are stamped. Do you not have a passport (any longer) and are you unable to obtain a new passport? Then send a written statement with your application in which the authorities of the country of which you are a citizen confirm and explain why you are unable to obtain a passport. You must also substantiate your identity and nationality in another manner, for example by means of an identity card or a birth certificate. The Immigration and Naturalisation Service (IND) needs to know who you are and where you come from.

• The Appendix ‘Medical Information Disclosure Consent Form’ completed and signed by you. This appendix may not be older than 6 months.

• A statement from your doctor. See the Appendix ‘Proof of medical situation of foreign national’. Are there changes to your medical situation? Then send a new statement to the IND. The statement may not be older than 6 weeks.

• You must also enclose all the means of evidence mentioned in this appendix (Appendix ‘Explanation and means of evidence medical circumstances’). These are letters in which the Medical Advisors Office asks your doctor or practitioner for medical information. Please note! For this purpose, you must give the enclosed letters with explanations from the Medical Advisors Office (BMA) for the person treating you at the Mental Healthcare Association (GGZ), your general practitioner and specialist to the doctor treating you. In the letters Medical Advisors Office explains to your doctor why the IND needs your medical information. Furthermore, the Medical Advisors Office asks a number of questions to your doctor. It is important that your doctor answers all questions and provides all requested information. If you do not submit all of the information required or if this information is incomplete, your medical situation cannot be assessed. You must submit the answered questions, as well as a copy of the requested medical details, together with the application form. The response from your doctor or practitioner and the medical documents must not be older than 3 months.

• You also submit means of evidence of everything you claim. If, for example, you claim that medical treatment is not available to you in your country, you must prove this. In that case, also submit the Appendix ‘Declaration passport or identity card in case of medical circumstances.

• Proof of insurance for the healthcare costs that you have incurred in the Netherlands. You can also submit a different proof instead showing that financing the costs of the medical treatment has been arranged satisfactorily.

Brief

Uitleg huisartsen en andere eerstelijnsbehandelaars zoals artsen werkzaam bij de GGD, Kruisposten en Menzis

Geachte collega,

Uw patiënt(e) wil in het kader van verblijf in Nederland dat zijn/haar gezondheidstoestand beoordeeld wordt. De patiënt(e) richt zich daarom tot u met het verzoek om zijn/haar medische gegevens te verstrekken. In deze brief wordt uitgelegd wat van u wordt gevraagd en om welke gegevens het gaat.

Deze werkwijze is wellicht anders dan u van het Bureau Medische Advisering (BMA) gewend bent. Dit komt omdat de vreemdeling zelf verantwoordelijk is geworden voor het aanleveren van alle medische gegevens ter onderbouwing van de aanvraag. Dit verzoek loopt daarom niet langer via het BMA en richt uw patiënt(e) zich rechtstreeks tot u. De KNMG is over deze werkwijze geïnformeerd.

Mocht u geen behandelaar zijn van deze patiënt(e), dan wordt uiteraard van u niet verlangd de medische gegevens te verstrekken aan patiënt(e).

Waarom medische informatie in deze vreemdelingrechtelijke procedure verstrekken?

De Immigratie- en Naturalisatiedienst (IND) laat zich in de vreemdelingrechtelijke procedure adviseren door het BMA over de medische omstandigheden. Die vreemdelingrechtelijke procedures betreffen bijvoorbeeld een aanvraag om een verblijfsvergunning op medische gronden of om uitstel van vertrek op grond van artikel 64 van de Vreemdelingenwet of specifiek een medische art 3 EVRM beoordeling. De IND neemt haar beslissing mede op basis van het medisch advies van het BMA. Het BMA heeft de medische informatie van uw patiënt(e) nodig om het medisch advies op te stellen.

Centraal in dit advies staat de beoordeling van de medische gevolgen als de medische behandeling zou worden gestaakt (beoordeling van de medische noodsituatie binnen 3 maanden bij uitblijven van behandeling). Daarnaast wordt gewogen -voor zover aan de orde- welke therapiemogelijkheden in het land van herkomst op enige plek aanwezig c.q. beschikbaar zijn (de daadwerkelijke toegang -bv financieel, geografisch- onderzocht het BMA niet) en of betrokkene medisch gezien al dan niet kan reizen en onder welke reisvoorwaarden. Dit zijn namelijk de vreemdelingrechtelijke voorwaarden waar de IND aan toetst.

Ter verduidelijking; een verblijfsvergunning op medische gronden staat helemaal los van de asielprocedure waarbij bijvoorbeeld de aannemelijkheid van een ondervonden trauma in het land van herkomst centraal staat.

Met enige regelmaat stellen behandelaars in de informatie aan BMA het gevoel van onveiligheid en de onmogelijkheid van het opbouwen van een vertrouwensband met een behandelaar in het land van herkomst, in verband met een door de vreemdeling gesteld ondervonden trauma dat in dat land zou hebben plaatsgevonden. De vraag aan u gaat echter niet over het beoordelen van een vermeend trauma in relatie tot de asielaanvraag, wel om het feitelijk verhelderen van de actuele medische zorgvraag van uw patiënt.

Hierbij dient te worden opgemerkt dat de aannemelijkheid van het trauma en de vraag of het trauma al dan niet asielgerelateerd is, in de asielprocedure door de IND worden onderzocht. Het is dan ook die procedure waarin de vreemdeling die aspecten kan inbrengen. BMA artsen spelen overigens geen rol bij die waarheidsvinding in die asielprocedure.

In aanvulling op het formulier met de aard van de medische klachten (bewijs omtrent medische situatie vreemdeling), is bij de aanvraag om verblijf op de medische gronden door uw patiënt de gehele actuele medische behandeling van belang. Vaak bestaat deze behandeling uit diverse onderdelen en wordt deze vanwege meerdere tegelijk bestaande klachten uitgevoerd. Daarom kunnen de artsen geen méér gerichte vragen voorleggen, dan die welke in onderstaande vraagstelling staan. Wij vragen u om begrip hiervoor.
Voor het schrijven van een degelijk medisch advies heeft BMA de medische informatie van de patiënt(e) nodig. Aan de hand van gerichte vragen wordt u verzocht om die medische informatie aan te leveren conform de KNMG Richtlijnen (zie: KNMG Richtlijnen inzake het omgaan met medische gegevens) dient u zich te beperken tot uitsluitend feitelijke informatie. Van u wordt niet verlangd te beoordelen of een medische noodsituatie ontstaat bij het uitblijven van een behandeling. Ook wordt van u niet verlangd te oordelen over de beschikbaarheid van de behandelmogelijkheden in het land van herkomst en de reisvaardigheid. De medisch adviseur van het BMA zal die beoordelingen mede op basis van de door u aangeleverde feitelijke medische informatie verrichten.

Om welke medische informatie gaat het?
We vragen u om zowel psychiatrische klachten als somatische klachten te beschrijven. Bij het verstrekken van medische informatie aan de patiënt(e) heeft u de volgende keuze:
1. U kunt zelf een brief opstellen waarin u puntsgewijs onderstaande vragen beantwoordt.
2. U kunt ook een kopie van de relevante medische gegevens (uit het dossier) meegeven aan de patiënt(e) waaruit de antwoorden op onderstaande vragen reeds duidelijk worden. (Echter geen antwoorden op vragen van andere instanties of van de advocatuur).

Met het oog op het bovenstaande, zijn antwoorden op de volgende vragen relevant:
Opmerkingen van het KNMG en LHV m.b.t. de inhoud van deze vraagstelling, de redenen van de vraagstelling en voorbeelden zijn verwerkt.
• Wat is/zijn de actuele cq recent gestelde diagnose(s)?
• Wat zijn op dit moment de belangrijkste door u geconstateerde klachten en het beloop van deze klachten?
• Wat is de relevante medische voorgeschiedenis voor zover u bekend (NB: niet het asielrelaas en/of traumatische ervaringen in het land van herkomst maar wel bijvoorbeeld eerdere ziekenhuisopnames, behandelingen en/of doorgemaakte ziekteperiodes).
• Wat is de soort behandeling die reeds is ingezet of is geïndiceerd? Wat is de frequentie van de behandelcontacten en hoe lang zal de behandeling -naar verwachting- geïndiceerd zijn?
• Welke geneesmiddelen worden momenteel aan de patiënt voorgeschreven? Zijn er allergieën bekend met betrekking tot bepaalde medicatie en kunt u aangeven welke specifiek eerder voorgeschreven medicatie niet heeft gewerkt?
• Alleen in het geval dat bij u bekend is dat mantelzorg aan de orde is (zorg door niet professionals, zoals familie of vrienden) en dat dit ook een essentieel onderdeel is van de medische behandeling, kunt u dan aangeven wie deze mantelzorg geeft, op welke wijze precies en de frequentie? (Er wordt bijvoorbeeld dus niet naar hulp bij financiën of huishoudelijke hulp gevraagd, maar wel naar bijvoorbeeld toezicht op inname van medicatie bij schizofrene patiënten).

Toelichting en voorbeelden
Als toelichting op deze instructie, volgen hieronder enkele veel voorkomende situaties waarbij wordt aangegeven welke medische informatie relevant kan zijn. Deze dienen ter illustratie. In ieder geval dient u aan de hand van het bovenstaande zelf een afweging te maken welke informatie relevant is of kan zijn.

U hoeft geen informatie aan te leveren over:
• Klachten waarvoor geen medische behandeling noodzakelijk is zoals lichte huidaandoening zonder dat daarvoor behandeling nodig is.
• Klachten die in het verleden zijn behandeld maar nu geen relatie meer hebben met de huidige behandeling zoals doorgemaakte infecties die succesvol zijn uitbehandeld met antibiotica.

U dient wel informatie aan te leveren over:

Bij een patiënt(e) met een Post Traumatische Stress Storunis(=PTSS)
• Is bij betrokkene momenteel deze diagnose gesteld en zijn deze klachten momenteel actief aanwezig, of betreft het een reeds doorgemaakte PTSS waarbij er nog restklachten zijn? Benoem de bijkommende aandoeningen zoals depressie en somatische aandoeningen, verslaving of middelenmisbruik?
• Beloop en voorgeschiedenis: er wordt niet gevraagd naar een asielrelaas of inhoud van traumatische ervaringen in het land van herkomst, maar wel eerdere (BOPZ) opnames, doorgemaakte psychoses, andere crisis situaties en eventuele medicatiewisselingen.
• Behandeling: psychotherapie en het soort psychotherapie, EMDR, de frequentie van therapisessies. En de psychofarmaca.
Patiënten met nierinsufficiëntie, diabetes mellitus, astma en/of hypertensie

- Aanwezigheid van bijkomende aandoeningen en complicaties (zoals orgaanschade) die eventueel ook worden behandeld (mogelijk ook door andere specialisten).
- Beloop en voorgeschiedenis: indien bekend; het beloop van de nierfunctie, beloop van de bloedsuikers, beloop van de longfunctie, exacerbaties/opnames wegens astma en beloop van de tensie. Eerdere ziekenhuisopnames en waarvoor.
- Behandeling: welke medicatie wordt precies gegeven (bij dialyse patiënten wordt soms vergeten alle gegeven medicatie mee te sturen), welke controles en frequentie van controles. Indien relevant: soort dialyse (hemodialyse of peritoneaal dialyse), transplantatie geïndiceerd of mogelijk reeds uitgevoerd.

Wie levert de gegevens aan bij BMA?
De medische informatie en het declaratieformulier -waarover hieronder meer- kunt u in een gesloten envelop gericht aan het Bureau Medische Advisering, met de aantekening medisch geheim aan uw patiënt(e) meegeven. In het belang van uw patiënt wordt u verzocht deze informatie volledig en zo spoedig mogelijk aan te leveren.

Uw patiënt(e) is vervolgens verantwoordelijk voor de verzending van in ieder geval de volgende stukken naar de Immigratie- en Naturalisatiedienst:
- De envelop gericht aan het Bureau Medische Advisering, welke door u en door de overige medische behandelaren van uw patiënt(e) zijn gevuld met medische informatie en declaratieformulier(en).
- Bijlage toestemmingsverklaring medische gegevens.
- Bijlage bewijs omtrent medische situatie vreemdeling.

Vergoeding
De door u gemaakte kosten zullen aan u worden vergoed gebaseerd op tarieven van de NZA richtlijnen. Ik verzoek u hiervoor expliciet gebruik te maken van bijgevoegd declaratieformulier. Voor alle duidelijkheid wijs ik u erop dat bij andersoortige declaratieformulieren de uitbetaling van uw declaratie niet kan plaatsvinden.

Uitleg GGZ behandelaars zoals psychiater, klinisch psycholoog psychotherapeut en sociaal psychiatrisch verpleegkundige

Geachte collega,

Uw patiënt(e) wil in het kader van verblijf in Nederland dat zijn/haar gezondheidstoestand beoordeeld wordt. De patiënt(e) richt zich daarom tot u met het verzoek om zijn/haar medische gegevens te verstrekken. In deze brief wordt uitgelegd wat van u wordt gevraagd en om welke gegevens het gaat.

Deze werkwijze is wellicht anders dan u van het Bureau Medische Advisering (BMA) gewend bent. Dit komt omdat de vreemdeling zelf verantwoordelijk is geworden voor het aanleveren van alle medische gegevens ter onderbouw van de aanvraag. Dit verzoek loopt daarom niet langer via het BMA en richt uw patiënt(e) zich rechtstreeks tot u. De KNMG is over deze werkwijze geïnformeerd.

Mocht u geen behandelar zijn van deze patiënt(e), dan wordt uiteraard van u niet verlangd de medische gegevens te verstrekken aan patiënt(e).

Waarom medische informatie in deze vreemdeling rechtelijke procedure verstrekken?

De Immigratie- en Naturalisatiedienst (IND) laat zich in de vreemdelingrechtelijke procedure adviseren door het BMA over de medische omstandigheden. Die vreemdelingrechtelijke procedures betreffen bijvoorbeeld een aanvraag om een verblijfsvergunning op medische gronden of om uitstel van vertrek op grond van artikel 64 van de Vreemdelingenwet of specifiek een medische art 3 EVRM beoordeling.

De IND neemt haar beslissing mede op basis van het medisch advies van het BMA. Het BMA heeft de medische informatie van uw patiënt(e) nodig om het medisch advies op te stellen. Centraal in dit advies staat de beoordeling van de medische gevolgen als de medische behandeling zou worden gestaakt (beoordeling van de medische noodsituatie binnen 3 maanden bij uitblijven van behandeling). Dit zijn namelijk de vreemdelingrechtelijke voorwaarden waar de IND aan toetst.

Ter verduidelijking; een verblijfsvergunning op medische gronden staat helemaal los van de asielprocedure waarbij bijvoorbeeld de aannemelijkheid van een ondervonden trauma in het land van herkomst centraal staat.

Met enige regelmaat stellen behandelaars in de informatie aan BMA het gevoel van onveiligheid en de onmogelijkheid van het opbouwen van een vertrouwensband met een behandelar in het land van herkomst, in verband met een door de vreemdeling gesteld ondervonden trauma dat in dat land zou hebben plaatsgevonden. De vraag aan u gaat echter niet over het beoordelen van een vermeend trauma in relatie tot de asielaanvraag, wel om het feitelijk verhelderen van de actuele medische zorgvraag van uw patiënt.

Hierbij dient te worden opgemerkt dat de aannemelijkheid van het trauma en de vraag of het trauma al dan niet asielgerelateerd is, in de asielprocedure door de IND worden onderzocht. Het is dan ook die procedure waarin de vreemdeling die aspecten kan inbrengen. BMA artsen spelen overigens geen rol bij die waarheidsvinding in die asielprocedure.

Om welke medische informatie gaat het?
We vragen u om zowel psychiatrische probleematiek als de eventuele somatische klachten te beschrijven (indien er een behandelaar voor de somatiek is gemachtigd door de patiënt(e) worden daarbij ook separaat medische gegevens opgevraagd door de patiënt(e)). Bij het verstrekken van medische informatie aan de patiënt(e) heeft u de volgende keuze:
1. U kunt zelf een brief opstellen waarin u puntsgewijs onderstaande vragen beantwoordt.
2. U kunt ook een kopie van de relevante medische gegevens meegeven aan de patiënt(e) waaruit de antwoorden op onderstaande vragen reeds duidelijk worden (zoals een psychiatrisch behandelplan). Echter geen antwoorden op vragen van andere instanties of van de advocatuur.

Met het oog op het bovenstaande, zijn antwoorden op de volgende vragen relevant:
Opmerkingen van het KNMG, NVVP en LHV mbt de inhoud van deze vraagstelling, de redenen van de vraagstelling en voorbeelden zijn verwerkt.

• Wat is/zijn de actuele c.q. recent gestelde diagnose(s) (conform DSM IV)?
• Wat zijn op dit moment de belangrijkste door u geconstateerde psychiatrische klachten en het beloop van deze klachten?
• Wat is de relevante medische voorgeschiedenis (NB: niet het asielrelaas en/of traumatische ervaringen in het land van herkomst). Is er voor zover u kunt nagaan, sprake geweest van klinisch psychiatrische opnames, BOPZ maatregelen, van psychotische klachten in het verleden, of van andere belangrijke crisisituaties zoals een tentamen suicide? Zo ja, is er een directe aanleiding aan te geven waardoor deze crisis ontstond?
• Wat is de soort behandeling die reeds is ingezet of is geïndiceerd? Wat is de frequentie van de behandelcontacten en hoe lang zal de behandeling -naar verwachting- geïndiceerd zijn?
• Welke geneesmiddelen worden momenteel aan de patiënt(e) voorgeschreven? Zijn er allergieën bekend met betrekking tot bepaalde medicatie en kunt u aangeven welke specifiek eerder voorgeschreven medicatie niet heeft gewerkt?

**Bij een patiënt(e) met schizofrenie**

- Behandeling: ambulant of klinisch (open of gesloten) en frequentie van behandelsessies. Beschrijf eventueel bijzondere woonvormen zoals beschermd/begeleid wonen of mantelzorg door familieleden die essentieel is voor het slagen van de medische behandeling. - Vindt er -zover u bekend- op dit moment medisch (specialistische) behandeling of diagnostiek plaats door andere medisch (super) specialismen dan het uwe (NB: over eventuele behandeling door de huisarts wordt BMA meestal separaat ingelicht).
- Welke geneesmiddelen worden momenteel aan de patiënt voorgeschreven? Zijn er allergieën bekend met betrekking tot bepaalde medicatie en kunt u aangeven welke specifiek eerder voorgeschreven medicatie niet heeft gewerkt?

Indien relevant: soort dialyse (hemodialyse of peritoneaal dialyse), transplantatie geïndiceerd of mogelijk reeds uitgevoerd.

Bij een patiënt met een HIV infectie
- Bijkomende infecties of aandoeningen (zoals Hepatitis C en TBC).
- Beloop en voorgeschiedenis: (opportunistische) infecties, eerdere ziekenhuisopnames, de slechtste CD 4 waardes en viral load bepalingen voordat met therapie werd gestart (indien bekend), eventuele medicatiewisselingen en de redenen daarvoor.
- Behandeling: welke antiretrovirale medicijnen worden precies gegeven, welke laboratoriumcontroles worden momenteel uitgevoerd (zoals CD 4 en viral load), wat zijn de meest recente waardes daarvan en wat is de frequentie van de laboratoriumcontroles.
