Application for the purpose of 'temporary humanitarian' (foreign national)

Read the explanation before you start to fill out the form.

For whom is this form intended?
You can only use this form if you are a foreign national staying in the Netherlands. You want to apply for a residence permit or you want to change your residence permit. If you are abroad then you should go to the Dutch Embassy or Consulate there. This application cannot be submitted by a sponsor.

You can use this form in order to submit an application for a residence permit for one of the following purposes of residence:

- honour-related violence and domestic violence;
- victim of trafficking in human beings who cannot or does not want to partake in the criminal process;
- awaiting confirmation of Dutch citizenship;
- cannot leave through no fault of your own; or
- repatriation on grounds of the Repatriation Act;
- because you are a westernised school-going Afghan underage woman, her parent, or a brother or sister;
- because of a temporary placement in a foster home or institution on grounds of the ‘Hague convention on protection of children’. because you are in the terminal phase of an illness; or
- child protection measure.

Further verification against other policy. During the assessment of your application, the IND can also verify whether you are eligible for a residence permit for another purpose. It concerns the following purposes:

- protection of private or family life on grounds of Article 8 of the ECHR;
- medical treatment;
- residence on grounds of other humanitarian reasons;
- suspension of departure under Article 64 of the Aliens Act.

If you are of the opinion that you also qualify for a residence permit on the basis of one of these purposes, please substantiate this with as many relevant documents as possible. Submit a copy of these documents together with this form.

Do you have a residence permit yet? Make sure that the application is received by the IND before your residence permit expires. This is important to prevent you encountering a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures, such as an application for a permanent residence permit, an application for naturalisation or an application for a residence permit with purpose of residence ‘humanitarian non-temporary ’, for example.

How do you fill out this form?
This form comprises different appendices; which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence.

> Please tick the applicable situation

- You do not need to undergo a TB test because you have a valid residence permit in the Netherlands.
- You do not need to undergo a TB test because you are a national of one of the countries listed in the appendix ‘Exemption from the obligation to undergo a tuberculosis (TB) test’.

3 Means of evidence

Requirements of foreign means of evidence
You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign proof of income you will need to include.

Language
All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of) the translation and (a copy of) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp/authentication stamp provided by the competent authorities in the country of issue.
Official means of evidence

Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In ‘apostille countries’ an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the ‘Public Information Service’, telephone number 1400. You can also visit the website www.rijksoverheid.nl.

Special facts and circumstances

If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

Choose the purpose of residence

You can only choose one purpose of residence. If you choose more than one purpose then (possibly) your application will be no longer valid. If you are in doubt about your purpose of residence then contact the IND. Do not submit your application if you are not sure whether you comply with the conditions. Visit the website www.ind.nl for more information about your purpose of residence.

☐ You are the victim of honour-related violence (423)

Please enclose the following means of evidence with your application:

- a separate letter in which you indicate why you are the victim of honour-related violence;
- as much evidence as possible which shows that you are the victim of honour-related violence; and
- means of evidence showing that family members live in the country of origin, which family members those are and where they live.

If the IND has any questions relating to your application then you will be sent a separate letter concerning this.

☐ You are the victim of domestic violence (422)

NB. If you are (were) in possession of a residence permit as a family member, you must use the application form for residence for the purpose of stay ‘non-temporary humanitarian’ (foreigner). Please enclose the following means of evidence with your application:

- recent medical information from a (confidential) doctor or a recent statement from another counsellor (the confidential doctor does not need to be your own GP); or
- recent data relating to the stay in the shelter; or
- other recent data from trustworthy sources, providing sufficient evidence that the domestic violence actually took place; and
- means of evidence showing that you cannot avoid the violence by settling in the country of origin.

☐ You are a child with a child protection measure (424)

Please enclose the following means of evidence with your application:

- the decision of the juvenile court, where the child protection measure has been imposed; and
- the report of the Council for Child Protection (Raad voor de Kinderbescherming) advising the juvenile court to impose a child protection measure.
☐ You are victim of trafficking in human beings and you cannot or are not able to report this, or cooperate in another way with the criminal detection and prosecution of the trafficking in human beings in connection with a serious threat, and/or medical or psychological restriction and/or you being a minor. (421)
Please enclose the following means of evidence with your application:
• a statement from the police showing that there are indications that you are the victim of trafficking in human beings.

☐ You cannot leave through no fault of your own, you were younger than 15 years at your (first) residence application and you are younger than 18 years old and unmarried (488)
Please enclose the following means of evidence with your application:
• An official report from the Repatriation and Departure Service in which it is stated that - in your case - there are no adequate reception facilities in your country of origin or another country you could go to. Your case is also a no-fault case and you have genuinely tried to leave the Netherlands.

☐ You cannot leave through no fault of your own (491)
Please enclose the following means of evidence with your application:
• a written declaration from the authorities in the country of origin in which it is stated that you will not be issued with a replacement travel document/ border-crossing document, even though there is no doubt about the identity and nationality professed by you.

Please note! For the application it is of great importance that the IND receives a positive weighty advice in an official report from the Repatriation and Departure Service (DT&V). This official report is sent by the DT&V to the IND if the DT&V concludes that you are unable to leave the Netherlands due to no-fault of your own. If you are not sure whether the DT&V has drawn up such an official report, please contact your supervisor at the DT&V. Without the positive advice, your application will be rejected.

☐ You are awaiting establishment of Dutch citizenship (361)
Please enclose with your application a copy of your application to the District Court of The Hague to establish your Dutch citizenship (under Section 17 of the Netherlands Nationality Act (RWN)).

Please submit the following means of evidence together with this form:

If several practitioners are involved in your treatment, each individual practitioner must complete and sign an appendix.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

How can the foreign national submit these?
In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

This can be done while still abroad, by means of the Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for Regular Provisional Residence Permit for the foreign national (who is still abroad).
  - If a positive decision is given, then the foreign national can collect the Regular Provisional Residence Permit from the Dutch Embassy or Consulate in his/her country of origin or long-term residence. When collecting the Regular Provisional Residence Permit, the foreign national must take a new (and not previously used) passport photo with him/her. This passport photo must comply with the requirements which also apply for Dutch passports. The Embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
  - The employee at the Dutch Embassy or the Consulate will take fingerprints and the foreign national will also be required to sign the document.

- The foreign national has submitted the Regular Provisional Residence Permit to the Dutch Embassy or the Consulate in the country of origin or long-term residence.
  - When submitting the application, the foreign national must take a new (and not previously used) passport photo with him/her. The employee at the Dutch Embassy or the Consulate will also take the fingerprints and the foreign national will be required to sign the document.

When abroad, application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) counter immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to sign the document. You have to make an online appointment via the website www.ind.nl.

Applying for a first residence permit in the Netherlands or changing the purpose of residence

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must go the Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. Please check www.ind.nl to make an online appointment. There, you will also find addresses and opening hours of the IND desks. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he/she can also have a passport photograph and his/her fingerprints taken there. Please check www.ind.nl for how to make an online appointment. There, you will also find addresses and opening hours of the IND desks. The addresses and opening hours of the Expats Centres can be found at www.ind.nl.

- The foreign national must submit the application immediately at the counter. A passport photo and the fingerprints will be taken at the counter. The foreign national will also be required to sign the document. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Information about making appointments can be found on the website www.ind.nl.

Application for extension of a residence permit, a permanent residence permit or an application for renewal or replacement of a residence document

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must go the Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. You will have to make an online appointment first. The addresses and opening hours of the Immigration and Naturalisation Service (IND) counters can be found on the website www.ind.nl.

N.B. From 1 March 2014, if the foreign national (e.g. in the context of a previous application) has had biometric features (10 fingerprints and a passport photo) taken, the foreign national does not need to provide these details (at an IND desk) again. This does not apply if the foreign national has reached the age of 6, 12 or 18 in the intervening period. The IND could invite the foreign national for gaining biometric details again, if the previously used passport photo is an insufficient similarity of the foreign national or if the photo and/or fingerprints taken previously are of an insufficiently high quality.

Appendix
Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix ‘Exemption from the obligation to undergo a tuberculosis (TB) test’. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

TB test referral form

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

In order to undergo the TB test, you must make an appointment with the Municipal Health Service. For this appointment, you must complete the referral form as much as possible (part 1) and take it with you.

1 Details of foreign national to be tested (the applicant)

Appendix
Exemption from the obligation to apply for a regular provisional residence permit and special situations

I have a valid residence permit issued in a Schengen member state
You do not require a regular provisional residence permit if:
• you have a valid residence permit issued in a Schengen member state;
• a recognised sponsor has applied for your residence permit; and
• you meet the requirements for the purpose of residence.
If your family members meet the requirements above, they also do not need a regular provisional residence permit.

Austria, Poland, Portugal, Slovenia, Slovakia, Spain, Czech republic, Iceland, Sweden, Switzerland.

I worked on a Dutch seagoing vessel or in a mining installation on the continental shelf for 7 years or longer
If you can demonstrate that you worked on a Dutch seagoing vessel or on the continental shelf for 7 years or longer, you do not require a regular provisional residence permit. Please enclose the proof hereof with this application.

I have Turkish nationality and worked legally in the Netherlands over the past year
If you have Turkish nationality and worked legally in the Netherlands over the past year, you do not require a regular provisional residence permit under an international convention. This convention only applies if you want to remain employed in the Netherlands and apply for a residence permit for this purpose.

I am a (former) family member of an employee having Turkish nationality and lived together with this employee having Turkish nationality
If, as a family member of an employee having Turkish nationality, you lived together with him legally in the Netherlands for three years, you do not require a regular provisional residence permit under an international convention.

I have Turkish nationality and I want to perform work in the Netherlands as a self-employed person
If you have Turkish nationality and you want to perform work in the Netherlands as a self-employed person, the requirement to apply for a regular provisional residence permit will not be enforced against you beforehand if, upon submitting your application for performing work as a self-employed person, you immediately submit a business plan and you appear to have sufficient personal experience and your profession or business has added value for the Dutch economy. If the handling of your application shows that you meet all substantive admission conditions for work as a self-employed person, you do not require a regular provisional residence permit under an international convention.

Usually, you will need a Regular Provisional Residence Permit (MVV) in order to apply for residence in the Netherlands. You do not apply for a MVV in the Netherlands, but in your country of origin or in the country where you may reside for more than 90 days under a residence permit.

Sometimes, you do not require a regular provisional residence permit. These situations are mentioned and explained below. Please read all situations first. Then tick in the application form the situation that applies and enclose the requested documents with the application form.

My residence permit has expired
The validity of your residence permit is stated in your residence document. If you have been unable to extend the validity of your residence permit or to change the restriction in time, you must state the reason for this in a separate letter. Enclose this letter and as many pieces of evidence and documents as possible with your application in order to substantiate your story.

For health reasons, I am unable to apply for a regular provisional residence permit in my country of origin
If you are in the Netherlands and, for medical reasons, it is not wise for you to travel to your country of origin, you do not have to apply for a regular provisional residence permit. You have to prove this with certain pieces of evidence and documents. You must enclose all the means of evidence mentioned in the Appendix ‘Explanation and means of evidence medical circumstances’. Read the appendix carefully and follow the instructions.

The IND asks the independent physician from the IND’s Medical Advisors Office (Bureau Medische Advisering of BMA) for advice about your medical situation. If you do not submit all the requested details, then BMA cannot advice and the IND can not assess whether your medical situation is grounds for exemption from the MVV requirement.

I am residing as a family member with someone who had a privileged status.
My family member, a foreign national with a privileged status, has formed a household with me in the Netherlands. If they had a recognized status, you do not require a regular provisional residence permit. This only applies if you and the family member you are residing with have submitted an application for a permanent residence permit simultaneously. Staff members of a foreign diplomatic or consular post or an international treaty organisation have a privileged status, for example.
I was born in the Netherlands, am 12 years of age or younger and did not move the location of my principal residence outside the Netherlands
A child aged 12 or younger, born in the Netherlands and forming part of the family of the sponsor (who did not move the location of his principal residence outside the Netherlands either) does not require a regular provisional residence permit. The parent(s) must lawfully reside in the Netherlands.

I qualify for a residence permit with the purpose of residence ‘cross-border service provision’. You do not need a regular provisional residence if you qualify for this residence permit.

I am a victim of or witness reporting human trafficking
If you are a victim of or witness reporting human trafficking, you must report to the police. You may be entitled to a residence permit based on this report. You are not obliged to submit a separate application for this. In that case, you do not require a regular provisional residence permit.

I do not have a residence permit and I am a victim of or witness reporting human trafficking. I cannot or will not file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker because of important reasons.
If you do not have a residence permit, are a victim of or witness reporting human trafficking and you cannot or will not file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker because of important reasons. You do not need a regular provisional residence if you qualify for a residence permit with the purpose of stay ‘temporary humanitarian’ for these reasons.

I do not have a residence permit and I have fallen victim to (or might fall victim to) honour-related violence or domestic violence. You do not need a regular provisional residence if you qualify for a residence permit with the purpose of stay ‘temporary humanitarian’ for these reasons.

I am a minor child of a person who has a residence permit on temporary humanitarian grounds in connection with human trafficking or honour-related violence or domestic violence.
If you are the minor child of someone who has a residence permit on temporary humanitarian grounds, as referred to above, and you are staying in the Netherlands with this parent, then you may be eligible for exemption from the requirement for a Regular Provisional Residence Permit.

I am unable to depart from the Netherlands
If you are not to blame for being unable to depart from the Netherlands, because you do not have a valid passport and, for valid reasons, you cannot be put into the possession of alternative travel documents, you do not require a regular provisional residence permit.

I am a minor child and actually resided in the Netherlands for at least three years.
You do not require a regular provisional residence permit if you:
- are under age;
- actually resided in the Netherlands for at least three years;
- are of school age; and
- intend to reside with a Dutch citizen or a sponsor with lawful residence.

I want to reside with a family member who has an asylum residence permit, but my nationality differs from the nationality of this family member.
You do not require a regular provisional residence permit if you:
- submit the application for family reunification within three months after an asylum residence permit has been granted to your family member residing in the Netherlands;
- you are unable to reside in a country you have special ties with (your country of origin, for example).

I am unable to leave the Netherlands because this is contrary to Article 8 of the ECHR
In case of an appeal for protection of your family life:
- evidence showing the relationship pertaining to family law between you and the sponsor, for example a copy of a birth certificate; and
- evidence showing how you conduct your family life with the sponsor. In case of an appeal for protection of your private life:
- evidence showing your connections with the Netherlands and which also shows the intensity of these connections.

I want to reside with my Dutch minor child of whom I am the only carer parent.
If you are the only carer parent of a Dutch minor child who you have to support and who must leave the European Union if no residence permit is granted to you, you do not require a regular provisional residence permit.

I resided in another Member State as a holder of a European blue card.
You need not have a regular provisional residence permit if:
- you resided in another Member State for a period of eighteen months as a holder of a European blue card; or
- you resided as a family member with a holder of a European blue card in another Member State for eighteen months. Please enclose with this application the documentary evidence showing the nature and duration of the residence in the other Member State.

You are the victim of human trafficking and you are unwilling or unable to file a report of this or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats, and/or a medical or psychological limitation and/or you being a minor.
You do not need a Regular Provisional Residence Permit if you can show that you are unable or unwilling to file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats, and/or a medical or psychological limitation and/or you being a minor. You are required to prove this by means of the following evidence:
- a statement from the police showing that there are indications that you are the victim of trafficking in human beings. Add at least one of the three following statements:
  - a statement from the police showing that you cannot be expected to collaborate in the criminal proceedings because of serious threats here in this country from the trafficker in human beings; or
  - a dated and signed written declaration, not older than six weeks, from a medical practitioner, including:
    - the medical practitioner’s name, address and registration number under the medical practitioner in the Individual Healthcare Professions Register (BIG), or the Netherlands Institute of Psychologists register;
    - which medical symptoms you have
    - the effect of your medical symptoms for the collaboration in the criminal proceedings.
And/or
- a statement from the police or Royal Netherlands Marechaussee (KMar) stating that you, in connection with being a minor, can not be expected to collaborate with the criminal proceedings. This statement contains detailed and specific comments on your individual situation, addressing the consequences of you being a minor for the collaboration in the criminal proceedings. You will only assumed to be a minor based on identifying documents, or when established by the IND (as described in paragraph C1/2.2 of the Aliens Act Implementation Guidelines).

Other
You want to apply for a regular residence permit and do not have a valid or correct regular provisional residence permit. Only in case of special and individual circumstances could you be granted a residence permit without a regular provisional residence permit. This only applies if you cannot be expected to apply for a regular provisional residence permit in
your country of origin or a country of continuous residence outside the Netherlands. Please state in a separate letter why this is not possible for you. Enclose this letter with the application form.

**How do you submit the application?**

If you rely upon one of the exemptions from the MVV-requirement, you must submit the application immediately at the counter. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Information about making appointments can be found on the website www.ind.nl. You will receive an invitation letter after making the appointment.

**Explanations**

A company’s profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated in accordance with generally accepted commercial standards. With respect to this, the following is noted:

If there is no closed financial year, the calculation of the monthly profits must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
The physician/practitioner must be registered in the registers under the Individual Healthcare Professions Act (Wet op de Beroepen in de Individuele Gezondheidszorg or BIG) or the Dutch Association of Psychologists (Nederlands Instituut van Psychologen or NIP).

For the physician/practitioner: Through this form, you are asked a few questions about the presence of any medical treatment of the foreign national you refer to below. The foreign national can use your answers to demonstrate that any medical facts or treatments exist which could be of importance to the assessment of his/her application for a residence permit in the Netherlands. When answering these questions, you are not asked to assess whether the conditions for a residence permit in the Netherlands are met. You only need to provide factual data in simple words that can be understood by non-physicians. The non-medically qualified officials from the Immigration and Naturalisation Service (IND) will not use your answers to form a medical opinion themselves, but do want to be informed of the fact that the foreign national receives active medical treatment from you. In case of any ongoing treatment, they may ask the independent physician from the IND’s Medical Advisors Office (Bureau Medische Advisering or BMA) for advice. Following this, the BMA will contact you with the specific written consent of the foreign national.

What happens with your application?
If you have submitted your application to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application.

V-number
A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.

3.2 Signature
If you apply for a residence permit for a foreign national, you are the sponsor. This comes with responsibilities. As a sponsor, you must ensure that the foreign national meets the conditions for a residence permit. Not only when applying for a residence permit, but also afterwards. If the foreign national can no longer lawfully reside in the Netherlands, you, as sponsor, are responsible for the foreign national leaving the Netherlands.

Please note! If you are (also) requesting for a child, who is not your own child, but a child from a previous relationship of your spouse/partner to come over to the Netherlands, then not you, but your spouse/partner must complete the ‘Declaration by sponsor’ regarding the child.

Obligation to provide information
You are obliged to report changes to the IND within 4 weeks if they could have an effect on the residence permit. Please use the ‘Notification form for family members and relatives’, which you can download from www.ind.nl. The form lists the changes you need to report.

Duty to keep records
You are obliged to collect and store any relevant information about the foreign national. You can find the data you are obliged to store in the Aliens Regulations. You must store this documentary evidence up to 5 years after you are no longer the sponsor of the foreign national. The IND can request data at any time in order to assess whether you have complied with your obligations.

Processing of personal data
The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Questionnaire for residence with partner

What is important in this questionnaire?

Use separate sheets of paper when answering the questions. Mention the number of the question and your answer on the sheet. You must place your signature and the date of signing on each sheet of paper.

You must substantiate your answers with as much documentary evidence as possible. For example, letters, photographs, e-mails and aeroplane tickets. You may submit copies.
If you do not answer the questions in extensive detail and do not submit documentary evidence, the IND cannot assess your relationship properly. Your application can then be rejected.

Questions:
1. Since when do you know your partner? Name the day, month and year.
2. How did you come in contact with your partner?
3. Where did you get to know your partner? Name the place and exact location.
4. If you got to know each other via internet or family: have you already met each other in person?
5. Since when have you had a love affair with each other? Name the day, month and year. How did this happen?
6. How have you maintained the relationship since the beginning until now? Submit as much documentary evidence as possible, such as letters, e-mails, photographs and aeroplane tickets.
7. Has your partner ever been in the Netherlands?
8. If so, when was that? Name the day, month and year.
9. What was the reason for that stay?
10. In what place and with whom did your partner stay?
11. Have you previously had a relationship with someone who came from abroad to the Netherlands for you? If so, with whom and when was that?
12. Has your partner previously had a relationship with someone in the Netherlands? If so, with whom and when was that?
13. Does your partner have minor-aged children?
14. If so, what are those children's names, how old are they and where do they live now?
15. Will the children travel together with your partner to the Netherlands?
16. If not, why not? Who will take care of the children after your partner’s departure to the Netherlands?
17. Are you related to your partner? If so, what is the family relationship?

Please note!
• Have you signed and dated all the pages?
• Have you attached all the documentary evidence (as copies)?

Stuur deze brief niet mee met de aanvraag

Geachte collega,

Uw patiënt(e) wil in het kader van verblijf in Nederland dat zijn/haar gezondheidsstoestand beoordeeld wordt. De patiënt(e) richt zich daarom tot u met het verzoek om zijn/haar medische gegevens te verstrekken. In deze brief wordt uitgelegd wat van u wordt gevraagd en om welke gegevens het gaat.

Deze werkwijze is wellicht anders dan u van het Bureau Medische Advise-ring (BMA) gewend bent. Dit komt omdat de vreemdeling zelf verantwoordelijk is geworden voor het aanleveren van alle medische gegevens ter onderbouwing van de aanvraag. Dit verzoek loopt daarom niet langer via het BMA en richt uw patiënt(e) zich rechtstreeks tot u. De KNMG is over deze werkwijze geïnformeerd.

Mocht u geen behandelaar zijn van deze patiënt(e), dan wordt uiteraard van u niet verlangd de medische gegevens te verstrekken aan patiënt(e).

Waarom medische informatie in deze vreemdelingrechtelijke procedure verstrekken?

De Immigratie- en Naturalisatiedienst (IND) laat zich in de vreemdelingrechtelijke procedure adviseren door het BMA over de medische omstandigheden. Die vreemdelingrechtelijke procedures betreffen bijvoorbeeld een aanvraag om een verblijfsvergunning op medische gronden of om uitstel van vertrek op grond van artikel 64 van de Vreemdelingenwet of specifiek een medische art 3 EVRM beoordeling.

De IND neemt haar beslissing mede op basis van het medisch advies van het BMA. Het BMA heeft de medische informatie van uw patiënt(e) nodig om dit medisch advies op te stellen. Centraal in dit advies staat de beoordeling van de medische gevolgen als de medische behandeling van belang. Vaak bestaat deze behandeling uit diverse onderdelen en wordt deze vanwege meerdere tegelijk bestaande klachten uitgevoerd. Daarom kunnen de artsen geen meer gerichte vragen voorleggen, maar wel op die onderbaan de vraagstelling stel je. Wij vragen u om begrip hiervoor.

Voor het schrijven van een déegelijk medisch advies heeft BMA de medische informatie van uw patiënt(e). De arm van de vraagstelling en de redenen van de vraagstelling en voorbeelden zijn verwerkt. De vragen van u, behalve wat de relevante medische voorgeschiedenis voor zover u bekend is, al dan niet kan reizen en onder welke reisvoorwaarden. Dit zijn namelijk de vreemdelingrechtelijke procedure.

Om welke medische informatie gaat het?

We vragen u om zowel psychiatrische klachten als somatische klachten te beschrijven. Bij het verstrekken van medische informatie aan de patiënt(e) heeft u de volgende keuze:

1. U kunt zelf een brief opstellen waarin u puntuërgewijs onderstaande vragen beantwoordt.
2. U kunt ook een kopie van de relevante medische gegevens (uit het dossier) meegeven aan de patiënt(e) waaruit de antwoorden op onderstaande vragen reeds duidelijk worden. (Echter geen antwoorden op vragen over de persoonlijke gegevens of van de advocatuur).

Met het oog op het bovenstaande, zijn antwoorden op de volgende vragen relevant:

Opmerkingen van het KNMG en LHV mbt de inhoud van deze vraagstelling, de redenen van de vraagstelling en voorbeelden zijn verwerkt:

- Wat is/zijn de actuele cq recent gestelde diagnose(s)?
- Wat zijn op dit moment de belangrijkste door u geconstateerde klachten en het beloop van deze klachten?
- Wat is de relevante medische voorgeschiedenis voor zover u bekend (NB: niet het asielrelaas en/of traumatische ervaringen in het land
van herkomst maar wel bijvoorbeeld eerdere ziekenhuisopnames, behandelingen en/of doorgemaakte ziekteperiodes).

• Wat is de soort behandeling die reeds is ingezet of is geïndiceerd? Wat is de frequentie van de behandelcontacten en hoe lang zal de behandeling -naar verwachting- geïndiceerd zijn?

• Welke geneesmiddelen worden momenteel aan de patiënt(e) voorgeschreven? Zijn er allergieën bekend met betrekking tot bepaalde medicatie en kunt u aangeven welke specifiek eerder voorgeschreven medicatie niet heeft gewerkt?

• Alleen in het geval dat bij u bekend is dat mantelzorg aan de orde is (zorg door niet professionals, zoals familie of vrienden) en dat dit ook een essentieel onderdeel is van de medische behandeling, kunt u dan aangeven wie deze mantelzorg geeft, op welke wijze precies en de frequentie? (Er wordt bijvoorbeeld dus niet naar hulp bij financiën of huishoudelijke hulp gevraagd, maar wel naar bijvoorbeeld toezicht op inname van medicatie bij schizofrene patiënten).

Toelichting en voorbeelden
Als toelichting op deze instructie, volgen hieronder enkele veel voorkomende situaties waarbij wordt aangegeven welke medische informatie relevant kan zijn. Deze dienen ter illustratie. In ieder geval dient u aan de hand van het bovenstaande zelf een afweging te maken welke informatie relevant is of kan zijn.

U hoeft geen informatie aan te leveren over:
• Klachten waarvoor geen medische behandeling noodzakelijk is zoals lichte huidaandoening zonder dat daarvoor behandeling nodig is.
• Klachten die in het verleden zijn behandeld maar nu geen relatie meer hebben met de huidige behandeling zoals doorgemaakte infecties die succesvol zijn uitbehandeld met antibiotica.

U dient wel informatie aan te leveren over:
Bij een patiënt(e) met een Post Traumatische Stress Stoornis (=PTSS)
• Is bij betrokken momenteel deze diagnose gesteld en zijn deze klachten momenteel actief aanwezig, of betreft het een reeds doorgemaakte PTSS waarbij er nog restklachten zijn? Benoem de bijkomende aandoeningen zoals depressie en somatische aandoeningen, verslaving of middelenmisbruik?
• Beloop en voorgeschiedenis: er wordt niet gevraagd naar een asielrelaat of inhoud van traumatische ervaringen in het land van herkomst, maar wel eerdere (BOPZ) opnames, doorgemaakte psychoses, andere crissisituaties en eventuele medicatiewisselingen.
• Behandeling: psychotherapie en het soort psychotherapie, EMDR, de frequentie van therapiesessies. En de psychofarmaca.

Patienten met nierinsufficiëntie, diabetes mellitus, astma en/of hypertensie
• Aanwezigheid van bijkomende aandoeningen en complicaties (zoals orgaanschade) die eventueel ook worden behandeld (mogelijk ook door andere specialisten).
• Beloop en voorgeschiedenis: indien bekend; het beloop van de nierfunctie, beloop van de bloedsuikers, beloop van de longfunctie, exacerbaties/opnames wegens astma en beloop van de tensie. Eerdere ziekenhuisopnames en waarvoor.
• Behandeling: welke medicatie wordt precies gegeven (bij dialyse patiënten wordt soms vergeten alle gegeven medicatie mee te sturen), welke controles en frequentie van controles. Indien relevant: soort dialyse (hemodialyse of peritoneaal dialyse), transplantatie geïndiceerd of mogelijk reeds uitgevoerd.

Wie levert de gegevens aan bij BMA?
De medische informatie en het declaratieformulier -waarover hieronder meer- kunt u in een gesloten envelop gericht aan het Bureau Medische Advisering, met de aantekening medisch geheim aan uw patiënt(e) meegeven. In het belang van uw patiënt wordt u verzocht deze informatie volledig en zo spoedig mogelijk aan te leveren.

Uw patiënt(e) is vervolgens verantwoordelijk voor de verzending van in ieder geval de volgende stukken naar de Immigratie- en Naturalisatiedienst:
• De envelop gericht aan het Bureau Medische Advisering, welke door u en door de overige medische behandelaars van uw patiënt(e) zijn gevuld met medische informatie en declaratieformulier(en).
• Bijlage toestemmingsverklaring medische gegevens.
• Bijlage bewijs omtrent medische situatie vreemdeling.

Vergoeding
De door u gemaakte kosten zullen aan u worden vergoed gebaseerd op tarieven van de NZA richtlijnen. Ik verzoek u hiervoor expliciet gebruik te maken van bijgevoegd declaratieformulier. Voor alle duidelijkheid wijs ik u erop dat bij andersoortige declaratieformulieren de uitbetaling van uw declaratie niet kan plaatsvinden.

De IND neemt haar beslissing mede op basis van het medisch advies van het BMA. Het BMA heeft de medische informatie van uw patiënt(e) nodig om het medisch advies op te stellen. Centraal in dit advies staat de beoordeling van de medische gegevens als de medische behandeling zou worden gestaakt (beoordeling van de medische ноядството в случае отсутствия лечения). Daarnaast wordt gewogen of er enige plek aanwezig c.q. beschikbaar zijn (de daadwerkelijke toegang -bv financieel, geografisch- onderzoek het BMA niet) en of betrokken medisch gezien al dan niet kan reizen en onder welke reisvoorwaarden. Dit zijn namelijk de vreemdelingrechtelijke voorwaarden waar de IND aan toest.

Ter verduidelijking: een verblijfsvergunning op medische gronden staat helemaal los van de asielprocedure waarbij bijvoorbeeld de aannemelijkheid van een ondervonden trauma in het land van herkomst centraal staat.

Met enige regelmaat stellen behandelaars in de informatie aan BMA het gevoel van onveiligheid en de onmogelijkheid van het opbouwen van een vertrouwensband met een behandelaar in het land van herkomst, in verband met een door de vreemdeling gesteld ondervonden trauma dat in dat land zou hebben plaatsgevonden. De vraag aan u gaat echter niet over het beoordelen van een vermeend trauma in relatie tot de asielaanvraag, wel om het feitelijk verhelderen van de actuele medische zorgvraag van uw patiënt.

Hierbij dient te worden opgemerkt dat de aannemelijkheid van het trauma en de vraag of het trauma al dan niet asielgerelateerd is, in de asielprocedure door de IND worden onderzocht. Het is dan ook de procedure waarin de vreemdeling die aspecten kan inbrengen. BMA artsen spelen overigens geen rol bij die waarheidsvinding in de asielprocedure.

In aanvulling op het formulier met de aard van de medische klachten (bewijs omtrent medische situatie vreemdeling), is bij de aanvraag om verblijf op de medische gronden door uw patiënt de gehele actuele medische behandeling van belang. Vaak bestaat deze behandeling uit diverse onderdelen en wordt deze vanwege meerdere tegelijk bestaande klachten uitgevoerd. Daarom kunnen de artsen geen méér gerichte vragen voorleggen, dan die welke in onderstaande vraagstelling staan.

Voor het schrijven van een degelijk medisch advies heeft BMA de medische informatie van de patiënt(e) nodig. Aan de hand van gerichte vragen wordt u verzocht om die medische informatie aan te leveren conform de KNMG Richtlijnen (zie: KNMG Richtlijnen inzake het omgaan met medische gegevens) dient u zich te beperken tot uitsluitend feitelijke informatie. Van u wordt niet verlangd te beoordelen of een medische noodzorgontstaat bij het uitblijven van een behandeling. Ook wordt van u niet verlangd om te oordelen over de beschikbaarheid van de behandelomstandigheden in het land van herkomst en de reisvaardigheid. De medisch adviseur van het BMA zal die beoordelingen mede op basis van de door u aangeleverde feitelijke medische informatie verrichten.

Om welke medische informatie gaat het?

We vragen u om zowel psychiatrisch probleematiek als de eventuele somatische klachten te beschrijven (indien er een behandelplan voor de somatiek is gemachtigd door de patiënt(e) worden daarbij ook separaat medische gegevens opgevraagd door de patiënt(e)). Bij het verstrekken van medische informatie aan de patiënt(e) heeft u de volgende keuze:

1. U kunt zelf een brief opstellen waarin u puntegrafisch onderstaande vragen beantwoordt.
2. U kunt een kopie van de relevante medische gegevens meegeven aan de patiënt(e) waaruit de antwoorden op onderstaande vragen reeds duidelijk worden (zoals een psychiatrisch behandelpakket).

Echter geen antwoorden op vragen van andere instanties of van de advocatuur.

De vreemdelingrechtelijke procedures betreffen bijvoorbeeld een aanvraag om een verblijfsvergunning op medische gronden of om uitstel van vertrek op grond van artikel 64 van de Vreemdelingenwet of specifiek een medische art 3 EVRM beoordeling.

De IND neemt haar beslissing mede op basis van het medisch advies van het BMA. Het BMA heeft de medische informatie van uw patiënt(e) nodig om het medisch advies op te stellen. Centraal in dit advies staat de beoordeling van de medische gegevens in het land van herkomst. Dit is om te onderzoeken of uw patiënt(e) voldoet aan de vreemdelingrechtelijke voorwaarden. De KNMG richt uw patiënt(e) zich rechtstreeks tot u. De KNMG is over deze werkwijze geïnformeerd.

Mocht u geen behandelaar zijn van deze patiënt(e), dan wordt uiteraard van u niet verlangd de medische gegevens te verstrekken aan patiënt(e).

Voor het schrijven van een degelijk medisch advies heeft BMA de medische informatie van de patiënt(e) nodig. Aan de hand van gerichte vragen wordt u verzocht om die medische informatie aan te leveren conform de KNMG Richtlijnen (zie: KNMG Richtlijnen inzake het omgaan met medische gegevens) dient u zich te beperken tot uitsluitend feitelijke informatie. Van u wordt niet verlangd te beoordelen of een medische noodzakelijkheid van het verzoek om zijn/haar medische gegevens te verstrekken. Ook wordt van u niet verlangd te oordelen over de beschikbaarheid van de behandelmogelijkheden in het land van herkomst en de reisvaardigheid. De medisch adviseur van het BMA zal die beoordelingen mede op basis van de door u aangeleverde feitelijke medische informatie verrichten.

Om welke medische informatie gaat het?

Bij het verstrekken van medische informatie aan de patiënt(e) heeft u de volgende keuze:
1. U kunt zelf een brief opstellen waarin u puntsgewijs onderstaande vragen beantwoordt.
2. U kunt ook een kopie van de relevante medische gegevens (uit het dossier) meegeven aan de patiënt(e) waaruit de antwoorden op onderstaande vragen reeds duidelijk worden. (Echter geen antwoorden op vragen van andere instanties van of aan de advocatuur)

Met het oog op het bovenstaande, zijn antwoorden op de volgende vragen relevant:

Opmerkingen van het KNMG mbt de inhoud van deze vraagstelling, de redenen van de vraagstelling en voorbeelden zijn verwerkt:

- Wat is/zijn de actuele cq recent gestelde diagnose(s)?
- Wat zijn op dit moment de belangrijkste door u geconstateerde klachten en het beloop van deze klachten?
- Wat is de relevante medische voorgeschiedenis voor zover u bekend (NB: niet het asielrelaas en/of traumatische ervaringen in het land van herkomst maar wel bijvoorbeeld eerdere ziekenhuisopnames, behandelingen en/of doorgemaakte ziekteperioden).
- Wat is de soort behandeling die reeds is ingezet of is geïndiceerd? Wat is de frequentie van de behandelcontacten en hoe lang zal de behandeling -naar verwachting- geïndiceerd zijn?
- Vindt er -zover u bekend- op dit moment medisch (specialistische) behandeling of diagnostiek plaats door andere medisch (super) specialismen dan het uwe (NB: over eventuele behandeling door de huisarts wordt BMA meestal separaat ingelicht)?
- Welke geneesmiddelen worden momenteel aan de patiënt voor geschreven? Zijn er allergieën bekend met betrekking tot bepaalde medicatie en kunt u aangeven welke specifiek eerder voorgeschreven medicatie niet heeft gewerkt?

In aanvulling op het formulier met de aard van de medische klachten (bewijs omtrent medische situatie vreemdeling), is bij de aanvraag om verblijf op de medische gronden door uw patiënt de gehele actuele medische behandeling van belang. Vaak bestaat deze behandeling uit diverse onderdelen en wordt deze vanwege meerdere tegelijk bestaande klachten uitgevoerd. Daarom kunnen de artsen geen méér gerichte vragen voorleggen, dan die welke in onderstaande vraagstelling staan. Wij vragen u om begrip hiervoor.
Toelichting en voorbeelden
Als toelichting op deze instructie, volgen hieronder enkele veel voorkomende situaties waarbij wordt aangegeven welke medische informatie relevant kan zijn. Deze dienen ter illustratie. In ieder geval dient u aan de hand van het bovenstaande zelf een afweging te maken welke informatie relevant is of kan zijn.

Patienten met nierinsufficiëntie, diabetes mellitus, astma en/of hypertensie
- Aanwezigheid van bijkomende aandoeningen en complicaties (zoals orgaanschade) die eventueel ook worden behandeld (mogelijk ook door andere specialisten).
- Beloop en voorgeschiedenis: indien bekend; het beloop van de nierfunctie, beloop van de bloedsuikers, beloop van de longfunctie, exacerbaties/opnames wegens astma en beloop van de tensie.
- Eerdere ziekenhuisopnames en waarvoor.
- Behandeling: welke medicatie wordt precies gegeven (bij dialysepatiënten wordt soms vergeten alle voorgeschreven medicatie mee te sturen), welke controles en frequentie van controles. Indien relevant: soort dialyse (hemodialyse of peritoneaal dialyse), transplantatie geïndiceerd of mogelijk reeds uitgevoerd.

Bij een patiënt met een HIV infectie
- Bijkomende infecties of aandoeningen (zoals Hepatitis C en TBC).
- Beloop en voorgeschiedenis: (opportunistische) infecties, eerdere ziekenhuisopnames, de slechtste CD 4 waardes en viral load bepalingen voordat met therapie werd gestart (indien bekend), eventuele medicatiewisselingen en de redenen daarvoor.
- Behandeling: welke antiretrovirale medicijnen worden precies gegeven, welke laboratoriumcontroles worden momenteel uitgevoerd (zoals CD 4 en viral load), wat zijn de meest recente waardes daarvan en wat is de frequentie van de laboratoriumcontroles.

Wie levert de gegevens aan bij BMA?
