Application for extension of residence permit for work-related purposes of residence (foreign national)

You want to submit an application for extension of your residence permit and you rely on the Friendship Treaty between the Netherlands and the USA? You can also apply online. You can start the online application on www.ind.nl. Click the button 'Apply online' and answer the questions.

Read the explanation before you start to fill out the form.

For whom is this form intended?
You can use this form if you are a foreign national who has a temporary regular residence permit with a work-related purpose of residence (excluding seasonal labour) and a combined permit for residence and work is not required. You can use this form to submit an application in order to extend the period of validity of this residence permit. If you are the (recognised) sponsor of a foreign national, then you must use a different form. You will find further information on the Immigration and Naturalisation Service (IND)'s website, www.ind.nl.

You can use this form in order to submit an application to extend the period of validity of the residence permit for one of the following purposes of residence:

• Paid employment
• (taking leave after, waiting for, or recovering from) Paid employment on board a Dutch seagoing vessel or mining installation on a continental plate;
• Carrying out work as a spiritual counsellor;
• Work on a self-employed basis;
• International Trade Regulation
• Paid employment as non-privileged soldier or as non-privileged civilian personnel;
• Cross-border service provision, as long as the maximum duration of stay has not expired;
• Work on grounds of a Headquarters Agreement;
• Work experience within the framework of an EU action programme, as long as the maximum duration of stay has not expired; or
• Work as holder of a European Blue Card.

Single Permit (Combined permit for residence and work)
If for paid employment or work experience (general) in the Netherlands a combined permit for residence and work is required, then you will need to use a different application form. You will find further information on the Immigration and Naturalisation Service (IND)'s website, www.ind.nl.

Working on a self-employed basis
You cannot use this form if you are a foreign national who is staying in the Netherlands and you have started a business in the Netherlands with a facilitator during the past year. If you want to continue to your business activities in the Netherlands as a start-up, please use the form 'Application for the purpose of residence of 'to work on a self-employed basis (foreign national)'.

Why use this form?
In principle, the Immigration and Naturalisation Service (IND) sends all foreign nationals a letter of extension in good time (approximately 3 months before the validity of your residence permit expires). The foreign national receives a form showing the personal details together with this letter of extension, with questions that are only relevant to the foreign national. If you have not received this letter, then use this form.
You must ensure that this application is received by the IND before the residence permit expires. This is important to prevent the foreign national encounters a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures. Do not submit an application if the residence permit is still valid for more than 3 months. The IND will disregard an application which is submitted earlier than 3 months before the expiration date of the residence permit.

The IND assesses the application and decides whether you are eligible for extension of the period of validity of your residence permit. Whether and for how long the period of validity of the residence permit is extended depends on the situation. You will only be eligible for extension of the period of validity of the residence permit if:

- you have a valid temporary Dutch residence permit at the moment; and
- you want to extend the residence permit for the same purpose of residence; and
- there are no changes to the situation that would affect the right of residence.

How do you fill out this form?
This form comprises different appendices. Which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

Appendix Fingerprint, passport photo and signature

Please do not enclose this appendix with the form!

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. Entry and Residence procedure
   • The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
     ▪ When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
     ▪ If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national
   • The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
     ▪ When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit
   • If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.
Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post
   - The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person
   - The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

Processing of personal data
The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Explanation A company’s profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.
