

Application for extension of residence permit for economically inactive long-term third country national from outside the EU (foreign national)

Read the explanation before you start to fill out the form.

For whom is this form intended?

You can use this form if you are a foreign national who has a temporary regular residence permit with the purpose of residence 'long-term third country national from outside the EU'. You can use this form to submit an application in order to extend the period of validity of this residence permit.

If you are the (recognised) sponsor of a foreign national, then you must use a different form. These forms can be found on the IND website (see www.ind.nl).

Why use this form?

In principle, the Immigration and Naturalisation Service (IND) sends all foreign nationals a letter of extension in good time (approximately 3 months before the validity of your residence permit expires). The foreign national receives a form showing the personal details together with this letter of extension, with questions that are only relevant to the foreign national. If you have not received this letter, then use this form.

You must ensure that this application is received by the IND before the residence permit expires. This is important to prevent the foreign national encounters a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures. Do not submit an application if the residence permit is still valid for more than 3 months. The IND will disregard an application which is submitted earlier than 3 months before the expiration date of the residence permit.

The IND assesses the application and decides whether you are eligible for extension of the period of validity of your residence permit. Whether and for how long the period of validity of the residence permit is extended depends on your situation. You will only be eligible for extension of the period of validity of the residence permit if:

- you have a valid temporary Dutch residence permit at the moment; and
- you want to extend the period of validity of the residence permit with the same purpose of residence; and
- there are no changes to your situation that would affect the right of residence.

How do you fill out this form?

This form comprises different appendices. Which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Would you like more information?

Then visit the IND website at www.ind.nl. You can also contact the IND by telephone via 088 043 04 30 (normal charges apply). From abroad you can call +31 88 043 04 30.

You have gathered together all the means of evidence necessary for the application. Proceed to the appendix 'Submitting and paying for the application for extension'.

Do not enclose this appendix with the form!

Appendix

Fingerprints, passport photo and signature

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

How can the foreign national submit these?

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

This can be done while still abroad, by means of the Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for Regular Provisional Residence Permit for the foreign national (who is still abroad).
 - If a positive decision is given, then the foreign national can collect the Regular Provisional Residence Permit from the Dutch Embassy or Consulate in his/her country of origin or long-term residence. When collecting the Regular Provisional Residence Permit, the foreign national must take a new (and not previously used) passport photo with him/her. This passport photo must comply with the requirements which also apply for Dutch passports. The Embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
 - The employee at the Dutch Embassy or the Consulate will take fingerprints and the foreign national will also be required to sign the document.
- The foreign national has submitted the Regular Provisional Residence Permit to the Dutch Embassy or the Consulate in the country of origin or long-term residence.
 - When submitting the application, the foreign national must take a new (and not previously used) passport photo with him/her. The employee at the Dutch Embassy or the Consulate will also take the fingerprints and the foreign national will be required to sign the document.

When abroad, application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) counter immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to sign the document. You have to make an online appointment via the website www.ind.nl.

Applying for a first residence permit in the Netherlands or changing the purpose of residence

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must go the Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. Please check www.ind.nl to make an online appointment. There, you will also find addresses and opening hours of the IND desks. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he/she can also have a passport photograph and his/her fingerprints taken there. Please check www.ind.nl for how to make an online appointment. There, you will also find addresses and opening hours of the IND desks. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.
- The foreign national must submit the application immediately at the counter. A passport photo and the fingerprints will be taken at the counter. The foreign national will also be required to sign the document. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Information about making appointments can be found on the website www.ind.nl.

Application for extension of a residence permit, a permanent residence permit or an application for renewal or replacement of a residence document

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must go the Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. You will have to make an online appointment first. The addresses and opening hours of the Immigration and Naturalisation Service (IND) counters can be found on the website www.ind.nl.

N.B. From 1 March 2014, if the foreign national (e.g. in the context of a previous application) has had biometric features (10 fingerprints and a passport photo) taken, the foreign national does not need to provide these details (at an IND desk) again. This does not apply if the foreign national has reached the age of 6, 12 or 18 in the intervening period. The IND could invite the foreign national for gaining biometric details again, if the previously used passport photo is an insufficient similarity of the foreign national or if the photo and/or fingerprints taken previously are of an insufficiently high quality.

Explanation A company's profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits

must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.
