

Application for the purpose of stay 'Intra Corporate Transfer/Mobile ICT' (Directive 2014/66/EU) (sponsor)

Please use this form if the foreign national holds an Intra Corporate Transfer permit issued by another Member State.

Please read the explanatory notes before you start completing the form.

Who is this form for?

You can only use this form if you are a sponsor of an employee (a foreign national) for whom you wish to apply for a residence permit on the basis of work, for the purpose of which it is required that the foreign national has a combined permit for residence and work. The sponsor is the employer of the employee.

By using this form, you can make an application on behalf of the employee for a combined permit for residence and work with the purpose of stay 'Directive of the Intra Corporate Transfer/Mobile ICT'. You must submit the application to the IND. The IND requests advice from the Employee Insurance Agency (UWV). UWV's advice subsequently forms part of the decision taken on the part of the IND. For this purpose of stay, the combined permit for residence and work consists of a residence permit without an additional document.

How to complete the form.

This form consists of a number of appendices. You have to fill in certain appendices which shall depend on the situation the foreign national is in. Do not submit this form until you completed it in full, signed it and until you collected all the required documents and evidence. IND is not able to make a proper assessment of your application if it is not complete.

5 Tuberculosis

You want to apply for a residence permit in the Netherlands on behalf of a foreign national. The foreign national may need to undergo an examination and treatment for tuberculosis (TB). This depends on the situation.

> Please tick the applicable situation

- The foreign national does not need to undergo a TB test because he is a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'.
- The foreign national has a different nationality and has not yet undergone a TB test in the Netherlands. Then you should complete the 'Declaration of intent to undergo a TB test' appendix and send this together with the application. The foreign national must sign this appendix him/herself.

If the foreign national is in the Netherlands, then an appointment should be made for the test with the Municipal Health Service (GGD) in the area where he/she lives or will be living (for further information visit the website www.ggd.nl). Take the appendix 'TB test referral form' with you to the Municipal Health Service (GGD). The Municipal Health Service (GGD) will then send the form to the IND.

6 Means of evidence

You have to collect means of evidence to file the application. The personal situation of the foreign national and the purpose of residence determine what evidence is needed. Please do not submit an application until all of the means of evidence is collected and copied. Please ensure that the copies are of a good quality.

Requirements of foreign means of evidence

It may be so that documentary evidence from abroad may have to be added to this application. The personal situation and the purpose of residence determine which foreign means of evidence has to be added.

Language

All foreign means of evidence must be compiled in Dutch, English, French or German. However, it is preferable for the documents to be set out in Dutch or English. Is this not the case? Please arrange for the translation of the documentary evidence by a translator who has been sworn in by the District Court. Please send the translation and the documentary evidence together with the application to the IND. If you are arranging for the translation abroad and not in the Netherlands by a translator sworn in by the District Court, the translation must be legalized or it must be provided with an apostille stamp from the competent authorities in the country of issue.

Official means of evidence

Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question.

In 'apostille countries' an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the 'Public Information Service', telephone number 1400. You can also visit the website www.rijksoverheid.nl.

Special facts and circumstances

If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

7 Biometric information, signature and Antecedents certificate

Do not enclose this appendix with the form!

Appendix

Fingerprints, passport photo and signature

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

How can the foreign national submit these?

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

This can be done while still abroad, by means of the Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for Regular Provisional Residence Permit for the foreign national (who is still abroad).
 - If a positive decision is given, then the foreign national can collect the Regular Provisional Residence Permit from the Dutch Embassy or Consulate in his/her country of origin or long-term residence. When collecting the Regular Provisional Residence Permit, the foreign national must take a new (and not previously used) passport photo with him/her. This passport photo must comply with the requirements which also apply for Dutch passports. The Embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
 - The employee at the Dutch Embassy or the Consulate will take fingerprints and the foreign national will also be required to sign the document.
- The foreign national has submitted the Regular Provisional Residence Permit to the Dutch Embassy or the Consulate in the country of origin or long-term residence.
 - When submitting the application, the foreign national must take a new (and not previously used) passport photo with him/her. The employee at the Dutch Embassy or the Consulate will also take the fingerprints and the foreign national will be required to sign the document.

When abroad, application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) counter immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to sign the document. You have to make an online appointment via the website www.ind.nl.

Applying for a first residence permit in the Netherlands or changing the purpose of residence

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must go the Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. Please check www.ind.nl to make an online appointment. There, you will also find addresses and opening hours of the IND desks. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he/she can also have a passport photograph and his/her fingerprints taken there. Please check www.ind.nl for how to make an online appointment. There, you will also find addresses and opening hours of the IND desks. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.
- The foreign national must submit the application immediately at the counter. A passport photo and the fingerprints will be taken at the counter. The foreign national will also be required to sign the document. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Information about making appointments can be found on the website www.ind.nl.

Application for extension of a residence permit, a permanent residence permit or an application for renewal or replacement of a residence document

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must go the Immigration and Naturalisation Service (IND) desk within 2 weeks after receiving a confirmation letter in order to have his/her fingerprints and passport photo taken. You will have to make an online appointment first. The addresses and opening hours of the Immigration and Naturalisation Service (IND) counters can be found on the website www.ind.nl.

N.B. From 1 March 2014, if the foreign national (e.g. in the context of a previous application) has had biometric features (10 fingerprints and a passport photo) taken, the foreign national does not need to provide these details (at an IND desk) again. This does not apply if the foreign national has reached the age of 6, 12 or 18 in the intervening period. The IND could invite the foreign national for gaining biometric details again, if the previously used passport photo is an insufficient similarity of the foreign national or if the photo and/or fingerprints taken previously are of an insufficiently high quality.

Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

Submitting and paying for the application by the sponsor

How do you pay?

An application is not free of charge. The costs depend on the purpose of the residence applied by you. After the IND has received your application, you will receive a letter stating the amount and the manner in which you have to pay (unless you use a direct debit collection) (*direct debit collection is not available for private persons, non-recognised sponsors, recognised sponsors relating to 'exchange' established in another Member State of the EU, EEA or Switzerland and applications for recognition as sponsor*). Here, you can find no information about the costs or any exemption from having to pay fees. Please visit www.ind.nl if you want to know the costs beforehand. If the assessment of your application shows that you do not qualify for the residence permit applied for, you will not receive a refund.

What happens with your application?

If you have submitted your application to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application.
