Please use this form if the foreign national holds an Intra Corporate Transfer permit issued by another Member State.

Please read the explanatory notes before you start completing the form.

Who is this form for?
You can only use this form if you are a sponsor of an employee (a foreign national) for whom you wish to apply for a residence permit on the basis of work, for the purpose of which it is requirement that the foreign national has a combined permit for residence and work. The sponsor is the employer of the employee.

By using this form, you can make an application on behalf of the employee for a combined permit for residence and work with the purpose of stay ‘Directive of the Intra Corporate Transfer/Mobile ICT’. You must submit the application to the IND. The IND requests advice from the Employee Insurance Agency (UWV). UWV’s advice subsequently forms part of the decision taken on the part of the IND. For this purpose of stay, the combined permit for residence and work consists of a residence permit without an additional document.

This form consists of a number of appendices. You have to fill in certain appendices which shall depend on the situation the foreign national is in. Do not submit this form until you completed it in full, signed it and until you collected all the required documents and evidence. IND is not able make a proper assessment of your application if it is not complete.

5 **Tuberculosis**

You want to apply for a residence permit in the Netherlands on behalf of a foreign national. The foreign national may need to undergo an examination and treatment for tuberculosis (TB). This depends on the situation.

> Please tick the applicable situation

- The foreign national does not need to undergo a TB test because he is a national of one of the countries listed in the appendix ‘Exemption from the obligation to undergo a tuberculosis (TB) test’.
- The foreign national has a different nationality and has not yet undergone a TB test in the Netherlands. Then you should complete the ‘Declaration of intent to undergo a TB test’ appendix and send this together with the application. The foreign national must sign this appendix him/herself.

If the foreign national is in the Netherlands, then an appointment should be made for the test with the Municipal Health Service (GGD) in the area where he/she lives or will be living (for further information visit the website www.ggd.nl). Take the appendix ‘TB test referral form’ with you to the Municipal Health Service (GGD). The Municipal Health Service (GGD) will then send the form to the IND.

6 **Means of evidence**

You have to collect means of evidence to file the application. The personal situation of the foreign national and the purpose of residence determine what evidence is needed. Please do not submit an application until all of the means of evidence is collected and copied. Please ensure that the copies are of a good quality.

**Requirements of foreign means of evidence**

It may be so that documentary evidence from abroad may have to be added to this application. The personal situation and the purpose of residence determine which foreign means of evidence has to be added.

**Language**

All foreign means of evidence must be compiled in Dutch, English, French or German. However, it is preferable for the documents to be set out in Dutch or English. Is this not the case? Please arrange for the translation of the documentary evidence by a translator who has been sworn in by the District Court. Please send the translation and the documentary evidence together with the application to the IND. If you are arranging for the translation abroad and not in the Netherlands by a translator sworn in by the District Court, the translation must be legalized or it must be provided with an apostille stamp from the competent authorities in the country of issue.

**Official means of evidence**

Official foreign means of evidence must be issued and legalized by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question.

In ‘apostille countries’ an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalized by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalized or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalized or provided with an apostille stamp in the country of origin. For more information about legalization or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the ‘Public Information Service’, telephone number 1400. You can also visit the website www.rijksoverheid.nl.

**Special facts and circumstances**

If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.
The transfer within a corporation (GVVA - 934)

Please add the following documentary evidence to your application:

- A copy of the passport of the foreign national (only the pages showing the identity details and stamped pages);
- The appendix ‘Engagement letter’ from the employer, as completed, showing the details of the current employment with the employer not based in the EU, the transfer to the EU and the content of the job with the Dutch employer;
- The appendix ‘Declaration of intent to undergo a TB test’ as completed;
- The appendix ‘Antecedents certificate’ as completed by the foreign national;
- The appendix ‘Declaration by sponsor (employment)’ as completed and signed;
- Upon the performance of a regulated profession: Proof of acknowledgement of the professional qualifications.
- A copy of the valid Intra Corporate Transfer residence permit, issued by the other EU Member State.

7 Biometric information, signature and Antecedents certificate

- The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national. See the appendix Fingerprints, passport photo and signature.
- Fill out the Antecedents certificate appendix and submit this appendix together with your application.

8 Location where the residence permit is collected

Please indicate below the IND Desk where the foreign national will collect the residence permit:

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
Appendix Fingerprints, passport photo and signature

Please do not enclose this appendix with the form!

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. Entry and Residence procedure
   ● The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
     ▪ When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
     ▪ If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national
   ● The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
     ▪ When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit
   ● If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.
Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post
   - The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person
   - The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

Processing of personal data
The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

In order to undergo the TB test, you must make an appointment with the Municipal Health Service. For this appointment, you must complete the referral form as much as possible (part 1) and take it with you.

Please complete the referral form before you make an appointment with the Municipal Health Service. See also www.ggd.nl for information about the Municipal Health Service. The completed form signed by the Municipal Health Service, showing that you underwent a TB test, must have been received by the IND from the Municipal Health Service within three months after having received your residence permit.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix ‘Exemption from the obligation to undergo a tuberculosis (TB) test’. Nor does the obligation to undergo the test apply if you have an EC residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

Appendix Submitting and paying for the application by the sponsor

Do not enclose this appendix with the form!

Below, you can read how you can submit and pay for the Entrance and Residence Procedure (TEV procedure), the application for a residence permit (without a regular provisional residence permit) or a change to the restriction on the residence permit. Please note! If the foreign national relies on an exemption from the requirement to apply for a regular provisional residence permit you cannot send the application by post. In that case, the foreign national must always submit the application to the IND Desk in person. Please visit www.ind.nl for the ways you can contact the IND.

Submitting the Entrance and Residence Procedure (TEV procedure), a residence permit without a regular provisional residence permit or a change to the restriction on the residence permit
You send the application form, the appendices and the requested evidence to the IND by post. Never send any original evidence. You must send clearly readable and full copies of the original evidence. Do not use any staples or paperclips. Do not send any USB sticks, CDs, DVDs and suchlike. Put all evidence in a sufficiently stamped envelope. Send your application to the following address:

Application for an economic purpose of residence (work, study, for example)
Immigratie- en Naturalisatiedienst
Postbus 5
9560 AA Ter Apel

Application for a social purpose of residence (family formation or family reunification, for example)
Immigratie- en Naturalisatiedienst
Postbus 16
9560 AA Ter Apel

How do you pay?
An application is not free of charge. The costs depend on the purpose of the residence applied by you. After the IND has received your application, you will receive a letter stating the amount and the manner in which you have to pay (unless you use a direct debit collection) (direct debit collection is not available for private persons, non-recognised sponsors, recognised sponsors relating to ‘exchange’ established in another Member State of the EU, EEA or Switzerland and applications for recognition as sponsor). Here, you can find no information about the costs or any exemption from having to pay fees. Please visit www.ind.nl if you want to know the costs beforehand. If the assessment of your application shows that you do not qualify for the residence permit applied for, you will not receive a refund.

What happens with your application?
If you have submitted your application to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application. If you fail to make a payment or timely payment or submit an incomplete application, the handling of your application will be delayed. You will be informed in writing once your application has been handled. If your application is granted, you will also receive a letter with information about the follow-up procedure.

Providing correct information
Providing incorrect information or withholding relevant information may lead to withdrawal of the permit. If punishable offences are observed, the IND reports this to the police.

V-number
A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.

Explanation

If you apply for a residence permit for a foreign national, you are the sponsor. This comes with responsibilities. As a sponsor, you must ensure that the foreign national meets the conditions for a residence permit. Not only when applying for a residence permit, but also afterwards. If the foreign national can no longer lawfully reside in the Netherlands, you, as sponsor, are responsible for the foreign national leaving the Netherlands.

Obligation to provide information

You are obliged to report changes to the IND within 4 weeks if they could have an effect on the residence permit. Please use the 'Notification form for labour-related residence purposes', which you can download from www.ind.nl. The form lists the changes you need to report to the IND.

Duty to keep records

You are obliged to collect and store any relevant information about the foreign national. You can find the data you are obliged to store in the Aliens Regulations. You must store this documentary evidence up to 5 years after you are no longer the sponsor of the foreign national. The IND can request data at any time in order to assess whether you have complied with your obligations.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations.
