Read the explanation before you start to fill out the form.

You can use this form to let the IND know that you are in possession of a valid residence permit for research within the meaning of Directive (EU) 2016/801 issued by another Member State of the European Union and that you want to carry out part of the research programme in the Netherlands as second Member State. You can also use this notification to inform the IND of the stay of any family members.

For whom is this form?
You are in possession of a valid residence permit for research within the meaning of Directive (EU) 2016/801 issued by another Member State of the European Union. You want to carry out part of the research programme in the Netherlands and you want to stay in the Netherlands for that purpose for a maximum of 180 days in a period of 360 days. In that case you do not have to apply for a Dutch residence permit. You do however have to inform the IND of your stay in the Netherlands and the stay of any family members. You can do so with this form. Recognised research institutes that have been authorised by the researcher to submit the notification of inbound mobility make use of the form ‘Kennisgeving Inkomende kortetermijnmobiliteit onderzoeker (gemachtigde)’.

Do not fill in this form if:
• you are in possession of a Dutch residence permit for research and you want to carry out part of the research programme in another Member State within the European Union (outbound mobility). Your research institute notifies outbound mobility with the ‘Notification form for research within the meaning of Directive (EU) 2016/801’;
• you want to carry out research in the Netherlands in the context of long-term mobility. In case of inbound long-term mobility the research institute must apply for a residence permit by using the form ‘Application for the purpose of stay ‘researcher within the meaning of Directive (EU) 2016/801’. For more information see www.ind.nl.

How do you fill out this form?
This form comprises different appendices; which appendices you need to fill out depends on your situation. Only submit this form once you have completed filling out this form fully, signed and have collected all of the required means of evidence.
