### Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On [www.ind.nl](http://www.ind.nl) you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
