

Appendix Declaration 'More than normal emotional ties'

You have to fill in this questionnaire as extensive and detailed as possible. Use a separate sheet of paper to answer the questions if you need extra space. Also send documents that can prove your answers.

By filling in these questions, you should explain the relationship between you and your family member. You must demonstrate that you depend on your relative more so than usual. Or that your relative is more dependent on you than usual. In this context, 'dependent' means: can your family member manage without you? Or can you manage without your family member?
