3 Declaration of intent to undergo a TB test

In order to obtain a residence permit, you must be prepared to undergo a tuberculosis (TB) test in the Netherlands and - if necessary - treatment. If you are granted a residence permit, you will actually have to undergo a TB test within three months after having received your residence permit.

When you are in the Netherlands, you should make a TB test appointment with the Municipal Health Service (GGD) in the area where you live or will be living (for further information visit the website www.ggd.nl).

Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Please note! The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix ‘Exemption from the obligation to undergo a tuberculosis (TB) test’.

> Please check either one of the following two boxes

☐ I hereby declare that I am prepared to cooperate in a tuberculosis test and any treatment. I am aware of the fact that I must undergo a TB test within three months after the residence permit has been received. If I fail to do so, this might have consequences for my right of residence in the Netherlands.

☐ I do not need to undergo a TB test because I am a national of one of the countries listed in the appendix ‘Exemption from the obligation to undergo a tuberculosis (TB) test’.
4 Means of evidence

Requirements of foreign means of evidence
Documents must be in Dutch, English, French or German. In case the documents are drafted in another language, you need to have these translated by an authorised translator. Send a copy of the original documents together with a copy of the translation.

☐ Medical treatment (410 - 411)
Please enclose the following means of evidence with your application. Make sure that you and your doctor or practitioner sign the attachments when asked
- a copy of your passport. Make copies of all the pages with travel stamps as well. Do not copy empty pages;
- a signed and completed appendix ‘Antecedents certificate’ (only if you are 12 years of age or older);
- a completed and signed appendix ‘Medical Information Disclosure Consent Form’. This appendix may not be older than 6 months.
- a statement from your doctor. See the appendix ‘Proof of medical situation of foreign national’. Are there changes to your medical situation? Then send a new statement to the IND. The statement may not be older than 6 weeks.
- all the means of evidence mentioned in the appendix ‘Explanation and means of evidence medical circumstances’. These are letters in which the Medical Advisors Office asks your doctor or practitioner for medical information.

☐ You want to exercise your private life in the Netherlands on grounds of Article 8 of the ECHR (648)
Please enclose with your application means of evidence that show your connections with the Netherlands and which also show the strength of these connections.

5 Payment of fees

Before your application can be assessed, you must pay a fee. Please check Fees: Costs of an application (ind.nl) for the fee applicable to your situation. The application is free of charge for citizens of San Marino and Israel.

Please transfer the fee for the application to the bank account of the IND referred to below. Please quote the V-number, which you will receive from the Dutch embassy/consulate where you apply, as your payment reference.

Bank
Account number 70.50.05.356

IBAN number NL31INGB0705005356
SWIFT code INGBNL2A
Address Postbus 85449
Postcode 2508 CC

You must transfer the fee within three weeks after the date on top of this form (filled in by the Netherlands embassy or consulate). Your application will only be assessed when the whole amount has been received by the IND. Please check whether your bank deducts a fee from the amount being transferred.

If the assessment of your application shows that you do not qualify for a residence permit in the Netherlands, you will not receive a refund.
6 Declaration of consent

The IND will assess and decide on your application. If you wish communication with the IND to take place by e-mail (instead of by post), you must consent to this first.

> Please check either one of the following two boxes

☐ I agree that communication with the IND will take place by e-mail. I want the email address I provided above to be used for this (section 1.13). I access this email address on a regular basis.

☐ I do not agree that communication with the IND will take place by e-mail. I want correspondence to be sent to the address I provided above (section 1.11).

If you give your consent to communication by e-mail, the IND will send the decision on your application to your e-mail address. The message will be encrypted using the file password you received from the embassy or consulate employee. You can open the encrypted document in the email with this password. Therefore, it is very important that you keep your password safe and it is strongly recommended that you keep a copy of this application form for your records.

Please note! The IND accepts no responsibility for any email messages that fail to reach you or are delayed. The IND cannot guarantee the reliability of sending or receiving messages by email, or the confidentiality and integrity of email correspondence sent over the internet.

7 What will happen with your application?

After receipt of your application, your documents and fee, the IND will assess your application. You will be contacted by the IND if your payment or your documents are not received. You will also be informed once the assessment of your application has been finalised. If your application is granted, you will also receive information about the follow-up procedure.

8 MVV and residence permit

In case your application is granted you will receive an MVV (entry visa) from the Dutch embassy/consulate. When your application is granted you can make an appointment to collect your MVV via www.netherlandsworldwide.nl. The IND aims to have your residence permit ready within a few weeks following your arrival in the Netherlands. The IND will send you a letter indicating when you can collect your residence permit. For this, you have to make an appointment online at the IND desk stated in the letter.

This is a mandatory procedure. When you are registered in the BRP, you will automatically obtain a citizen service number (BSN), unless you already have this.
