Please note!

Please print the form in **A4 format** and in **actual size**. You must send this cover page with the application. This prevents delays in processing your application!

Read the explanation before you start to fill out the form.

Filling-in instructions

In order to be able to assess your application quickly and carefully in terms of content, the Immigration and Naturalisation Service uses scanning software with which your application is recorded in the immigration administration system. To support this, this form is equipped with a number of features, including a barcode and so-called "adjustment fields" in the corners of each page. The following is important for a good scan of your application:

1. When filling out this form, use only an HB pencil or pen with black or blue ink.
2. Write only in the space provided behind or below each question. Do you need more space? Then add a separate page on which you state your personal data and indicate to which question the added text belongs.
3. When you are presented with a choice where you have to choose between different answer options, keep the following instruction.

Check the box of your choice (as with "b")

☐ a... ☒ b... ☐ c... ☐ d...

You want to change your choice? Then make the box of your first choice completely black and then tick the desired box.

☐ a... ☒ b... ☐ c... ☒ d...

For whom is this form intended?

You can use this form if you are a sponsor. A sponsor is someone who lives in the Netherlands and wants to bring a family member to the Netherlands, for example. A sponsor has Dutch nationality or a Dutch residence permit. A sponsor can use this form to submit an application for the foreign national.

When not to use this form

You cannot submit an application as sponsor for a family member residing in the Netherlands with a provisional residence permit requirement (see also part 1, situation 4 in this form). The application must be submitted by the family member using the form '[Application for the purpose of residence 'family and relatives' \(foreign national\)](#)'. If the family member is a minor foreign national of whom you are the legal representative, you must also use the form '[Application for the purpose of residence 'family and relatives' \(foreign national\)](#)'.

If you are a foreign national and wish to submit an application for yourself, you also use the form '[Application for the purpose of residence 'family and relatives' \(foreign national\)](#)'.

You are a sponsor. You can use this form to submit an application for the foreign national who wants to reside in the Netherlands on grounds of one of the following purposes of residence:

- stay with a parent;
- stay as foreign adoptive child or foster child;
- stay with a minor who holds an asylum permit;
- stay with the holder of a medical residence permit;
- stay with a family member who holds a residence permit on 'temporary humanitarian grounds' because he is in the terminal phase of an illness; or
- stay in order to carry out family life on grounds of Article 8 of the ECHR;
- stay with a minor foreign national who holds 'humanitarian temporary' or 'humanitarian non-temporary' residence permit because he has been put under court supervision order by the juvenile court.

If you want to submit an application for your married or registered partner, use the application form '[Application residence permit: residence with married or registered partner](#)'.

If you want to submit an application for your unmarried partner, use the application form '[Application residence permit: residence with unmarried partner](#)'.

Does the foreign national already have a residence permit? Make sure that the IND receives this application in time. Therefore submit the application before the validity of the current residence permit expires. Please note! Do not submit the application later than 4 weeks after the expiry date of the residence permit. This is important to prevent the family member encountering a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures

How do you fill out this form?

This form comprises different appendices; which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

5 Tuberculosis

You want to apply for a residence permit in the Netherlands on behalf of a foreign national. The foreign national may need to undergo an examination and treatment for tuberculosis (TB). This depends on the situation.

> Please tick the applicable situation

- ☐ The foreign national does not need to undergo a TB test because he has a valid residence permit in the Netherlands.
- ☐ The foreign national does not need to undergo a TB test because he was born in the Netherlands and he has not changed the location of his principal place of residence since birth.
- ☐ The foreign national does not need to undergo a TB test because he is a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'.
The foreign national has a different nationality and:

Take the appendix 'TB test referral form' with you to the Municipal Health Service (GGD). The Municipal Health Service (GGD) will then send the form to the IND.

6 Means of evidence

Requirements of foreign means of evidence

You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign means of evidence you will need to include

Language

All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of) the translation and (a copy of) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp provided by the competent authorities in the country of issue.

Official means of evidence

Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In 'apostille countries' an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the 'Public Information Service', telephone number 1400. You can also visit the website www.rijksoverheid.nl.

Special facts and circumstances

If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

Select the family member you want to bring over. Complete 1 application form for each family member. You can only choose one purpose of residence. If you choose more than one purpose then (possibly) your application will be no longer valid. If you are in doubt about the purpose of residence of the foreign national, then contact the IND. Do not submit the application if you are not sure whether he/she complies with the conditions. Visit the website www.ind.nl for more information about the purpose of residence.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Appendix Fingerprints, passport photo and signature

Please do not enclose this appendix with the form!

For every new application you submit, the IND needs your photo, signature and fingerprints. The IND uses these biometric details to establish your identity and make your residence document. We do not need new biometrics in the following situations:

- Your biometrics have been taken at an IND desk or embassy abroad less than 6 months ago.
- You apply for a Foreign Nationals Identity Document (Type W and Type W2). Your biometrics have been taken at an IND desk or embassy abroad less than 5 years and 3 months ago. With a Foreign Nationals Identity Document you show that you are allowed to be in the Netherlands because you are waiting for a decision on your application. The IND then reuses old biometric details.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
 - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
 - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national

- The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
 - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.

Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post

- The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person

- The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

3 Income from business activities

Write in block letters

Explanation of the calculation of profits or share in the profits

A company's profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.

Appendix Proof of medical situation of foreign national

For the foreign national:

Please have this appendix completed and signed by your physician/ practitioner. If you have more than one physician/ practitioner, you are asked to copy this appendix so that each physician can complete and sign a copy.

The physician/practitioner must be registered in the registers under the Individual Healthcare Professions Act (Wet op de Beroepen in de Individuele Gezondheidszorg or BIG) or the Dutch Association of Psychologists (Nederlands Instituut van Psychologen or NIP).

For the physician/practitioner: Through this form, you are asked a few questions about the presence of any medical treatment of the foreign national you refer to below. The foreign national can use your answers to demonstrate that any medical facts or treatments exist which could be of importance to the assessment of his/her application for a residence permit in the Netherlands. When answering these questions, you are not asked to assess whether the conditions for a residence permit in the Netherlands are met. You only need to provide factual data in simple words that can be understood by non-physicians. The non-medically qualified officials from the Immigration and Naturalisation Service (IND) will not use your answers to form a medical opinion themselves, but do want to be informed of the fact that the foreign national receives active medical treatment from you. In case of any ongoing treatment, they may ask the independent physician from the IND's Medical Advisors Office (Bureau Medische Advisering or BMA) for advice. Following this, the BMA will contact you with the specific written consent of the foreign national.

Appendix Submitting and paying for the application by the sponsor

Do not enclose this appendix with the form!

Below, you can read how you can submit and pay for the Entrance and Residence Procedure (TEV procedure), the application for a residence permit (without a regular provisional residence permit) or a change to the restriction on the residence permit. *Please note!* If the foreign national relies on an exemption from the requirement to apply for a regular provisional residence permit you cannot send the application by post. In that case, the foreign national must always submit the application to the IND Desk in person. Please visit www.ind.nl for the ways you can contact the IND.

Submitting the Entrance and Residence Procedure (TEV procedure), a residence permit without a regular provisional residence permit or a change to the restriction on the residence permit

You send the application form, the appendices and the requested evidence to the IND by post. Never send any original evidence. You must send clearly readable and full copies of the original evidence. Do not use any staples or paperclips. Do not send any USB sticks, CDs, DVDs and suchlike. Put all evidence in a sufficiently stamped envelope. Send your application to the following address:

Application for an economic purpose of residence (work, study, for example)

**Immigratie- en Naturalisatiedienst
Postbus 5
9560 AA Ter Apel**

Application for a social purpose of residence (family formation or family reunification, for example)

**Immigratie- en Naturalisatiedienst
Postbus 16
9560 AA Ter Apel**

How do you pay?

An application is not free of charge. The costs depend on the purpose of the residence applied by you. After the IND has received your application, you will receive a letter stating the amount and the manner in which you have to pay (unless you use a direct debit collection) (*direct debit collection is not available for private persons, non-recognised sponsors, recognised sponsors relating to 'exchange' established in another Member State of the EU, EEA or Switzerland and applications for recognition as sponsor*). Here, you can find no information about the costs or any exemption from having to pay fees. Please visit www.ind.nl if you want to know the costs beforehand. If the assessment of your application shows that you do not qualify for the residence permit applied for, you will not receive a refund.

What happens with your application?

If you have submitted your application to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application. If you fail to make a payment or timely payment or submit an incomplete application, the handling of your application will be delayed. You will be informed in writing once your application has been handled. If your application is granted, you will also receive a letter with information about the follow-up procedure.

Providing correct information

Providing incorrect information or withholding relevant information may lead to withdrawal of the permit. If punishable offences are observed, the IND reports this to the police.

V-number

A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.

Appendix Declaration by sponsor (family and relatives)

Explanation

If you apply for residence for a family member to stay with you in the Netherlands, you are the sponsor. This comes with responsibilities. As a sponsor, you must ensure that your family member meets the conditions for a residence permit. Not only when applying for a residence permit, but also afterwards. Is your family member no longer entitled to reside in the Netherlands? Then you must ensure that your family member leaves the Netherlands.

Please note! You only complete this statement for your own family members. Are you applying for a child that is not your own child, but that of your spouse/partner? In that case, your spouse/partner must complete this statement for the child.

Report changes

Are there any changes in your situation, which could have any effect on the residence permit? If so, you are obliged to report these changes to the IND within 4 weeks. The IND refers to this as the obligation to provide information. Please use the 'Notification form for family members and relatives', which you can download from www.ind.nl. The form lists the changes you need to report.

Retain records

You are obliged to collect and store any relevant information about your family member. You can find the data you are obliged to store in the Aliens Regulations. You must store this documentary evidence for 5 years after you are no longer the sponsor of the foreign national. The IND refers to this as the duty to keep and retain records. The IND can request data from you at any time. In this way the IND checks whether you comply with this obligation.
