

Application for the purpose of residence of 'exchange' within the context of the Working Holiday Programme or Working Holiday Scheme

Please note!

Please print the form in **A4 format** and in **actual size**. You must send this cover page with the application. This prevents delays in processing your application!

Please read the explanation before you start to fill out the form.

Filling-in instructions

In order to be able to assess your application quickly and carefully in terms of content, the Immigration and Naturalisation Service uses scanning software with which your application is recorded in the immigration administration system. To support this, this form is equipped with a number of features, including a barcode and so-called "adjustment fields" in the corners of each page. The following is important for a good scan of your application:

1. When filling out this form, use only an HB pencil or pen with black or blue ink.
2. Write only in the space provided behind or below each question. Do you need more space? Then add a separate page on which you state your personal data and indicate to which question the added text belongs.
3. When you are presented with a choice where you have to choose between different answer options, keep the following instruction.

Check the box of your choice (as with "b")

a... b... c... d...

You want to change your choice? Then make the box of your first choice completely black and then tick the desired box.

a... b... c... d...

This form comprises different appendices. Which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

1 What is your situation

> Please tick the applicable situation and follow the instructions

1. **You are in the Netherlands and you want a residence permit with the purpose of residence exchange.**
 - You want to submit an application for a regular residence permit.
2. **You have a valid residence permit in the Netherlands and you want to change the residence permit (as well as renewing the period of validity of the residence permit) into the purpose of residence of exchange.**
 - You want to submit an application for changing the purpose of residence of your residence permit.
3. **You do not live in the Netherlands. You wish to submit an application for Entry and Residence (TEV) in your country of residence for the purpose of residence exchange.**
 - [You must use a different form for this application.](#) You must also contact the Dutch embassy or consulate in your country of origin or the country where you are staying.

2 Tuberculosis

You want to apply for a residence permit in the Netherlands. You may need to undergo an examination and treatment for tuberculosis (TB). This depends on the situation

> Please tick the applicable situation

- You do not need to undergo a TB test because you have a valid residence permit in the Netherlands.
 - You do not need to undergo a TB test because you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'.
 - You do not need to undergo a TB test because you were born in the Netherlands and you have not changed the location of your principal place of residence to outside the Netherlands since your birth.
- You have a different nationality and:
- have already undergone a TB test in the Netherlands. Enclose an original and recent 'TB test referral form' with the application. This form is the proof that you have undergone a TB test in the Netherlands. The form may not be more than 6 months old.
 - have not yet undergone a TB test in the Netherlands. Then you should complete the Appendix Declaration of intent to undergo a TB test' and send this together with the application. You must sign this appendix yourself.

If you are in the Netherlands, then you should make an appointment for the test with the Municipal Health Service (GGD) in the region where you live or where you will be living (for further information, visit the website www.ggd.nl). Take the appendix 'TB test referral form' with you to the Municipal Health Service (GGD). The Municipal Health Service (GGD) will then send the form to the IND.

3 Means of evidence

Requirements of foreign means of evidence

You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign means of evidence you will need to include.

Language

All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of) the translation and (a copy of) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp provided by the competent authorities in the country of issue.

Official means of evidence

Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In 'apostille countries' an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the 'Public Information Service', telephone number 1400. You can also visit the website www.rijksoverheid.nl.

Special facts and circumstances

If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

> *Please tick*

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Appendix Fingerprints, passport photo and signature

Please do not enclose this appendix with the form!

For every new application you submit, the IND needs your photo, signature and fingerprints. The IND uses these biometric details to establish your identity and make your residence document. We do not need new biometrics in the following situations:

- Your biometrics have been taken at an IND desk or embassy abroad less than 6 months ago.
- You apply for a Foreign Nationals Identity Document (Type W and Type W2). Your biometrics have been taken at an IND desk or embassy abroad less than 5 years and 3 months ago. With a Foreign Nationals Identity Document you show that you are allowed to be in the Netherlands because you are waiting for a decision on your application. The IND then reuses old biometric details.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
 - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
 - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national

- The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
 - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.

Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post

- The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person

- The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

Please complete the referral form before you make an appointment with the Municipal Health Service. See also www.ggd.nl for information about the Municipal Health Service. The completed form signed by the Municipal Health Service, showing that you underwent a TB test, must have been received by the IND from the Municipal Health Service within three months after having received your residence permit.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EC residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

If you submit the application at the IND Desk, you can pay the fees due at the IND Desk. You can pay with a bank card or in cash.

What happens with your application?

If you have submitted your application to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application. If you fail to make a payment or timely payment or submit an incomplete application, the handling of your application will be delayed. You will be informed in writing once your application has been handled. If your application is granted, you will also receive a letter with information about the follow-up procedure.

Providing correct information

Providing incorrect information or withholding relevant information may lead to withdrawal of the permit. If punishable offences are observed, the IND reports this to the police.

V-number

A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights.
