

## Application for the purpose of residence of 'family and relatives' (foreign national)

*Read the explanation before you start to fill out the form.*

### For whom is this form intended?

You can only use this form if you are a foreign national. A foreign national is someone who wants to stay in the Netherlands, for example with a family member. This family member is your sponsor. Your sponsor has Dutch nationality or a Dutch residence permit and lives in the Netherlands. If you are a sponsor and you want to submit an application for a foreign national, you can use one of the following forms:

- 'Application residence permit: residence with married or registered partner. Application by sponsor'.
- 'Application residence permit: residence with unmarried partner. Application by sponsor'.
- 'Application form for a stay with the purpose of residence 'family and relatives' for the sponsor (7518).

You can submit the application yourself if you are 12 years or older. If you want to submit an application for your minor child, you must have parental authority over your child.

You can submit an application for a stay in the Netherlands with this form on grounds of one of the following purposes of residence:

- stay with spouse or (registered) partner;
- stay with a parent;
- stay as foreign adoptive child or foster child;
- stay with a minor who holds an asylum permit;
- stay with the holder of a medical residence permit;
- stay with a family member who holds a residence permit on 'temporary humanitarian grounds' because he is in the terminal phase of an illness;
- stay with a minor foreign national who holds a 'humanitarian temporary' or 'humanitarian non-temporary' residence permit because he has been put under supervision order by the juvenile court; or
- stay in order to carry out family life on grounds of Article 8 of the ECHR.

Further verification against other policy. During the assessment of your application, the IND can also verify whether you are eligible for a residence permit for another purpose. It concerns the following purposes:

- carrying out private life on grounds of Article 8 of the ECHR
- victim of human trafficking
- being unable to depart from the Netherlands through no fault of one's own
- medical treatment
- residence on grounds of other humanitarian reasons
- suspension of departure under Article 64 of the Aliens Act

If you are of the opinion that you also qualify for a residence permit on the basis of one of these purposes, please substantiate this with as many relevant documents as possible. Submit a copy of these documents together with this form.

Do you already have a residence permit? Make sure that the IND receives this application in time. Therefore submit the application before the validity of your current residence permit expires. *Please note!* Do not submit the application later than 4 weeks after the expiry date of the residence permit. This is important to prevent encountering a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures.

### How do you fill out this form?

This form comprises different appendices. Which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

### 3 Means of evidence

#### Requirements of foreign means of evidence

You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign proof of income you will need to include.

#### Language

All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of) the translation and (a copy of) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp/authentication stamp provided by the competent authorities in the country of issue.

#### Official means of evidence

Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In 'apostille countries' an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the 'Public Information Service', telephone number 1400. You can also visit the website [www.rijksoverheid.nl](http://www.rijksoverheid.nl).

#### Special facts and circumstances

If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

**Choose the family member with whom you want to stay.** You can only choose one purpose of residence. If you choose more than one purpose then (possibly) your application will be no longer valid. If you are in doubt about your purpose of residence then contact the IND. Do not submit your application if you are not sure whether you comply with the conditions. Visit the website [www.ind.nl](http://www.ind.nl) for more information about your purpose of residence.

### Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On [www.ind.nl](http://www.ind.nl) you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

## Appendix Fingerprints, passport photo and signature

***Please do not enclose this appendix with the form!***

For every new application you submit, the IND needs your photo, signature and fingerprints. The IND uses these biometric details to establish your identity and make your residence document. We do not need new biometrics in the following situations:

- Your biometrics have been taken at an IND desk or embassy abroad less than 6 months ago.
- You apply for a Foreign Nationals Identity Document (Type W and Type W2). Your biometrics have been taken at an IND desk or embassy abroad less than 5 years and 3 months ago. With a Foreign Nationals Identity Document you show that you are allowed to be in the Netherlands because you are waiting for a decision on your application. The IND then reuses old biometric details.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

### **Situation: application starts when the foreign national is abroad**

#### **1. Entry and Residence procedure**

- The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
  - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
  - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

#### **2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national**

- The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
  - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

#### **3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit**

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website [www.ind.nl](http://www.ind.nl).

### **Situation: application starts when the foreign national is in the Netherlands**

#### **1. The application is submitted by post**

- The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on [www.ind.nl](http://www.ind.nl). If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check [www.ind.nl](http://www.ind.nl) for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at [www.ind.nl](http://www.ind.nl).

#### **2. The foreign national submits the application in person**

- The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit [www.ind.nl](http://www.ind.nl).

#### **Processing of personal data**

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. ## Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

## Appendix Exemption from the obligation to apply for a regular provisional residence permit and special situations

***Do not enclose this appendix with the form!***

Usually, you will need a regular provisional residence permit (in Dutch: machtiging tot voorlopig verblijf; hereinafter MVV) in order to apply for residence in the Netherlands. You do not apply for a MVV in the Netherlands, but in your country of origin or in the country where you may reside for more than 90 days under a residence permit (your country of continuous residence).

Sometimes, you do not require an MVV. These situations are mentioned and explained below. Please read all situations first. Then tick in the application form the situation that applies and enclose the requested documents with the application form.

### **1. Your residence permit has expired**

The validity of your residence permit is stated in your residence document. If you have been unable to extend the validity of your residence permit or to change the restriction in time, you must state the reason for this in a separate letter. Enclose this letter and as many pieces of evidence and documents as possible with your application in order to substantiate your story.

### **2. For health reasons, you are unable to apply for an MVV in your country of origin**

If you are in the Netherlands and, for medical reasons, it is not wise for you to travel to your country of origin, you do not have to apply for an MVV. You have to prove this with certain pieces of evidence and documents. You must enclose all the means of evidence mentioned in the Appendix 'Explanation and means of evidence medical circumstances', which you can find on [www.ind.nl](http://www.ind.nl). Read the appendix carefully and follow the instructions.

The IND asks the independent physician from the IND's Medical Advisors Office (Bureau Medische Advisering or BMA) for advice about your medical situation. If you do not submit all the requested details, then BMA cannot advise and the IND can not assess whether your medical situation is grounds for exemption from the MVV requirement.

### **3. You have a valid residence permit issued in a Schengen country**

You do not require an MVV if:

- you have a valid regular residence permit\* issued in a Schengen country\*\*; and
- a recognised sponsor has applied for your residence permit; and
- you meet the requirements for the purpose of residence.

Your family members also do not need to have an MVV if:

- they already had a residence permit to stay with you in the other Schengen country; and
- their application for a residence permit is submitted by a recognised sponsor.

\* Do you have a residence permit for asylum? Then you do need an mvv.

\*\* Visit [www.netherlandsworldwide.nl](http://www.netherlandsworldwide.nl) to find out which countries belong to the Schengen area.

### **4. You are residing as a privileged family member of a staff member of a foreign diplomatic or consular post accredited in the Netherlands who has (had) a privileged status**

Your family member qualifies for a permanent residence permit him/herself. If you are residing as a family member with someone having a privileged status and you currently also have a privileged status yourself, you do not require an MVV. This only applies if you and the family member you are residing with have submitted an application for a permanent residence permit simultaneously.

**5. You have resided in the Netherlands on the grounds of a special privileged status as an accredited member of an international organisation or you have resided in the Netherlands as his/her family member.**

**6. You worked on a Dutch seagoing vessel or in a mining installation on the continental shelf for 7 years or longer**

If you can demonstrate that you worked on a Dutch seagoing vessel or on the continental shelf for 7 years or longer, you do not require an MVV. Please enclose the proof hereof with this application.

**7. You have Turkish nationality and you worked legally in the Netherlands over the past year.**

If you have Turkish nationality and you have worked legally in the Netherlands for the same employer in the past year, you do not need an MVV. This only applies if you want to continue to work as an employee for the same employer in the Netherlands.

**8. You are the spouse, registered partner or minor child of a Turkish employee. You have been admitted to the Netherlands with this employee and have lived together with this employee continuously for three years**

### 3 Income from business activities

Write in block letters

#### Explanation of the calculation of profits or share in the profits

A company's profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.

*Please note!* This explanation goes with 3.2, 3.5 and 3.12

## Appendix Proof of medical situation of foreign national

For the foreign national:

Please have this appendix completed and signed by your physician/ practitioner. If you have more than one physician/ practitioner, you are asked to copy this appendix so that each physician can complete and sign a copy.

The physician/practitioner must be registered in the registers under the Individual Healthcare Professions Act (Wet op de Beroepen in de Individuele Gezondheidszorg or BIG) or the Dutch Association of Psychologists (Nederlands Instituut van Psychologen or NIP).

For the physician/practitioner: Through this form, you are asked a few questions about the presence of any medical treatment of the foreign national you refer to below. The foreign national can use your answers to demonstrate that any medical facts or treatments exist which could be of importance to the assessment of his/her application for a residence permit in the Netherlands. When answering these questions, you are not asked to assess whether the conditions for a residence permit in the Netherlands are met. You only need to provide factual data in simple words that can be understood by non-physicians. The non-medically qualified officials from the Immigration and Naturalisation Service (IND) will not use your answers to form a medical opinion themselves, but do want to be informed of the fact that the foreign national receives active medical treatment from you. In case of any ongoing treatment, they may ask the independent physician from the IND's Medical Advisors Office (Bureau Medische Advisering or BMA) for advice. Following this, the BMA will contact you with the specific written consent of the foreign national.

If you have submitted your application to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application. If you fail to make a payment or timely payment or submit an incomplete application, the handling of your application will be delayed. You will be informed in writing once your application has been handled. If your application is granted, you will also receive a letter with information about the follow-up procedure.

### **Providing correct information**

Providing incorrect information or withholding relevant information may lead to withdrawal of the permit. If punishable offences are observed, the IND reports this to the police.

### **V-number**

A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.

### **Processing of personal data**

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On [www.ind.nl](http://www.ind.nl) you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

## Appendix Declaration by sponsor (family and relatives)

### Explanation

If you apply for residence for a family member to stay with you in the Netherlands, you are the sponsor. This comes with responsibilities. As a sponsor, you must ensure that your family member meets the conditions for a residence permit. Not only when applying for a residence permit, but also afterwards. Is your family member no longer entitled to reside in the Netherlands? Then you must ensure that your family member leaves the Netherlands.

*Please note!* You only complete this statement for your own family members. Are you applying for a child that is not your own child, but that of your spouse/partner? In that case, your spouse/partner must complete this statement for the child.

### Report changes

Are there any changes in your situation, which could have any effect on the residence permit? If so, you are obliged to report these changes to the IND within 4 weeks. The IND refers to this as the obligation to provide information. Please use the 'Notification form for family members and relatives', which you can download from [www.ind.nl](http://www.ind.nl). The form lists the changes you need to report.

### Retain records

You are obliged to collect and store any relevant information about your family member. You can find the data you are obliged to store in the Aliens Regulations. You must store this documentary evidence for 5 years after you are no longer the sponsor of the foreign national. The IND refers to this as the duty to keep and retain records. The IND can request data from you at any time. In this way the IND checks whether you comply with this obligation.

## Appendix Questionnaire for residence with partner

The questions must be answered by the partner (the sponsor) who lives in the Netherlands.

### What is important in this questionnaire?

You must answer the following list of questions extensively and in detail. The IND can then assess whether your relationship is lasting and exclusive. Use separate sheets of paper when answering the questions. Mention the number of the question and your answer on the sheet. You must place your signature and the date of signing on each sheet of paper. You must substantiate your answers with as much documentary evidence as possible. For example, letters, photographs, e-mails and aeroplane tickets. You may submit copies. If you do not answer the questions in extensive detail and do not submit documentary evidence, the IND cannot assess your relationship properly. Your application can then be rejected.

### Questions

- 1 Since when do you know your partner? Name the day, month and year.
- 2 How did you come in contact with your partner?
- 3 Where did you get to know your partner? Name the place and exact location.
- 4.1 If you got to know each other via internet or family: have you already met each other in person?
- 4.2 If so, when and where did you meet? If not, why not?
- 5 Since when have you had a love affair with each other? Name the day, month and year. How did this happen?
- 6 How have you maintained the relationship since the beginning until now? Submit as much documentary evidence as possible, such as letters, e-mails, photographs and aeroplane tickets.
- 7.1 Has your partner ever been in the Netherlands?
- 7.2 If so, when was that? Name the day, month and year.
- 7.3 What was the reason for that stay?
- 7.4 In what place and with whom did your partner stay?
- 8 Have you previously had a relationship with someone who came from abroad to the Netherlands for you? If so, with whom and when was that?
- 9 Has your partner previously had a relationship with someone in the Netherlands? If so, with whom and when was that?
- 10.1 Does your partner have minor-aged children?
- 10.2 If so, what are those children's names, how old are they and where do they live now?
- 11.1 Will the children travel together with your partner to the Netherlands?  
*Please be aware that if your children will not travel immediately with your partner there may be a waiting period of 1 year.*
- 11.2 If not, why not? Who will take care of the children after your partner's departure to the Netherlands?
- 12 Are you related to your partner? If so, what is the family relationship?

### Please note!

- ✓ Have you signed and dated all the pages?
- ✓ Have you attached all the documentary evidence (as copies)?

## Appendix Explanation and means of evidence medical circumstances

***Do not enclose this appendix with the form!***

You can use these notes if you:

- want to submit an application (to stay in the Netherlands) whereby the Immigration and Naturalisation Service (IND) assesses your medical situation.
- want to be eligible for accommodation while awaiting the decision on an application. This is only possible if you are an asylum seeker who has exhausted all legal means or an asylum seeker who is in the appeal phase of an asylum procedure and you want to submit an application for a regular residence permit for medical treatment or postponement of departure for health reasons (Section 64 of the Aliens Act).

These notes set out which details you will need to submit.

### **What do you need to do?**

Please enclose the following means of evidence with your application. Make sure that you and your doctor or practitioner sign the attachments when asked.

- Enclose a copy of your valid passport. Only copy the pages containing the identity details and the pages which are stamped. Do you not have a passport (any longer) and are you unable to obtain a new passport? Then send a written statement with your application in which the authorities of the country of which you are a citizen confirm and explain why you are unable to obtain a passport. You must also substantiate your identity and nationality in another manner, for example by means of an identity card or a birth certificate. The Immigration and Naturalisation Service (IND) needs to know who you are and where you come from.
- The Appendix 'Medical Information Disclosure Consent Form' completed and signed by you. This appendix may not be older than 6 months.
- A statement from your doctor. See the Appendix 'Proof of medical situation of foreign national'. Are there changes to your medical situation? Then send a new statement to the IND. The statement may not be older than 6 weeks.
- You must also enclose all the means of evidence mentioned in this appendix (Appendix 'Explanation and means of evidence medical circumstances'). These are letters in which the Medical Advisors Office asks your doctor or practitioner for medical information. *Please note!* For this purpose, you must give the enclosed letters with explanations from the Medical Advisors Office (BMA) for the person treating you at the Mental Healthcare Association (GGZ), your general practitioner and specialist to the doctor treating you. In the letters Medical Advisors Office explains to your doctor why the IND needs your medical information. Furthermore, the Medical Advisors Office asks a number of questions to your doctor. It is important that your doctor answers all questions and provides all requested information. If you do not submit all of the information required or if this information is incomplete, your medical situation cannot be assessed. You must submit the answered questions, as well as a copy of the requested medical details, together with the application form. The response from your doctor or practitioner and the medical documents must not be older than 3 months.
- You also submit means of evidence of everything you claim. If, for example, you claim that medical treatment is not available to you in your country, you must prove this.
- Proof of insurance for the healthcare costs that you have incurred in the Netherlands. You can also submit a different proof instead showing that financing the costs of the medical treatment has been arranged satisfactorily.
- Means of evidence showing that you have sufficient means of support for your living expenses during your stay in the Netherlands.
- Means of evidence showing the income of the person who is financing your stay and also possibly that of his or her spouse or partner/registered partner, see the Appendix 'Proof of Income'.
- A copy of the page showing the identification details of the passport or the identity card of the person who is financing your stay. Also make copies of the pages with travel stamps. Do not copy any empty pages. If he or she is not a Dutch citizen, then you can submit a copy of the front and reverse sides of the residence permit.

- A written explanation why the Netherlands is the most appropriate country for undergoing the medical treatment(s) in question. Submit as much means of evidence as possible together with the application. Please include as much evidence as possible.

If, in your opinion, the Netherlands is the most appropriate country to undergo the medically necessary treatment because the Netherlands has a special international specialty, please enclose a medical statement showing this. It may concern the following declarations:

- a declaration from a healthcare institution in the Netherlands that you can be treated by this institution or specialist; and
- a declaration from your care provider abroad showing that the specialism is lacking or that you have exhausted your treatment options in your own country.

*If you are a citizen of Suriname who has come to the Netherlands with a visa that was issued on medical grounds, then you must also submit:*

- A copy of the visa that was issued on medical grounds.

### **Sending in**

Once you have collected, copied and enclosed all the necessary supporting documents, then send these to the Immigration and Naturalisation Service (IND). Write on an envelope the address of the Immigration and Naturalisation Service (IND): PO Box 1, 9560 AA Ter Apel, and enclose the relevant application form, the appendices and also at least the supporting documents cited under 1 to 4 above and send these to the Immigration and Naturalisation Service (IND).

### **Do you have any questions?**

Then visit the IND website at [www.ind.nl](http://www.ind.nl). You can also contact the IND by telephone via 088 043 04 30 (normal charges apply). From abroad you can call +31 88 043 04 30.

## Brief en uitleg aan huisartsen en andere eerstelijnsbehandelaars zoals artsen werkzaam bij de GGD, Kruisposten en Menzis

### **Stuur deze brief niet mee met de aanvraag**

Geachte collega,

Uw patiënt(e) heeft de Immigratie- en Naturalisatiedienst gevraagd om in Nederland te kunnen verblijven vanwege zijn of haar medische situatie. Bureau Medische Advisering beoordeelt de medische omstandigheden van uw patiënt(e). Met deze brief verzoek ik u daarom enkele gegevens te overleggen.

Mocht u geen behandelaar (meer) zijn van deze patiënt(e), dan hoeft u uiteraard geen medische gegevens aan BMA te verstrekken. In dat geval verzoek ik u aan te geven dat u geen behandelaar bent.

### **Waarom dit verzoek?**

Bureau Medische Advisering (BMA) heeft in de bijlage bij deze brief voor u als medische behandelaar beschreven waarom medische informatie in bepaalde vreemdelingrechtelijke procedures van belang is. Ook vindt u in de bijlage verdere verduidelijking over de aard van de medische gegevens die wij van u vragen. Ik verzoek u deze bijlage goed te lezen.

### **Om welke medische informatie gaat het?**

We vragen u om zowel de somatische problematiek als eventuele psychiatrische klachten te beschrijven. Als er ook een behandelaar voor de psychiatrie door de patiënt(e) is gemachtigd, zal BMA deze behandelaar eveneens om medische gegevens vragen.

Verstuur geen antwoorden op vragen van andere instanties of van de advocatuur.

### **Hoe levert u de informatie aan?**

U kunt de medische patiëntinformatie op één van de volgende twee manieren aanleveren:

- u stelt zelf een brief op waarin u puntsgewijs onderstaande vragen beantwoordt, of
- u stuurt een kopie van de relevante medische gegevens waaruit de antwoorden op onderstaande vragen duidelijk worden (zoals een psychiatrisch behandelplan).

### **Waar moet u op letten bij het aanleveren van de informatie?**

Gelet op bovenstaande, dient de informatie antwoord te geven op de volgende vragen:

1. Wat is/zijn de actuele of meest recent gestelde diagnose(s)?
2. Wat zijn op dit moment de belangrijkste door u geconstateerde somatische klachten en wat is het beloop van deze klachten?
3. Wat is de relevante medische voorgeschiedenis van uw patiënt(e)? (NB: het gaat hierbij uitdrukkelijk niet om het asielrelaas en/of traumatische ervaringen in land van herkomst.)
4. Wat is de soort behandeling die al is ingezet of is geïndiceerd? Wat is de frequentie van de behandelcontacten en hoe lang zal de behandeling - naar verwachting - geïndiceerd zijn?
5. Welke geneesmiddelen worden momenteel aan de patiënt(e) voorgeschreven? Zijn er allergieën bekend met betrekking tot bepaalde medicatie en kunt u aangeven welke specifiek eerder voorgeschreven medicatie niet heeft gewerkt?
6. In het geval dat bij u bekend is dat mantelzorg aan de orde is (zorg door niet-professionals, zoals familie of vrienden) en dat dit ook een essentieel onderdeel is van de medische behandeling: kunt u aangeven wie deze mantelzorg geeft, op welke wijze precies en de frequentie ervan? (Het gaat hierbij niet om hulp bij financiën of om huishoudelijke hulp, maar wel bij bijvoorbeeld toezicht op inname van medicatie bij schizofrene patiënten.)

**Wie levert de gegevens aan bij BMA?**

De medische informatie kunt u meegeven aan uw patiënt(e). Doet u dit in het belang van uw patiënt(e) zo snel en volledig mogelijk, in een gesloten enveloppe met de aantekening 'medisch geheim'.

Uw patiënt(e) is verantwoordelijk voor de verzending van de volgende stukken naar de Immigratie- en Naturalisatiedienst:

- De enveloppe met de medische informatie die door u en de andere medische behandelaars van uw patiënt(e) is aangeleverd, gericht aan Bureau Medische Advisering.
- De bijlage 'Toestemmingsverklaring medische gegevens'.
- De bijlage 'Bewijs omtrent medische situatie vreemdeling'.

**Vergoeding gemaakte kosten**

Uw kosten worden vergoed volgens de richtlijn voor schriftelijke informatieverstrekking van de Nederlandse Zorgautoriteit (NZA). Volgens wettelijke vereisten dient u de kosten te declareren door middel van een factuur.

Facturen worden sinds 1 juli 2020 verwerkt door het Financieel Diensten Centrum SSC DJI (FDC). Dit kan bij voorkeur digitaal, naar het emailadres [facturen@dji.minjus.nl](mailto:facturen@dji.minjus.nl).

Daarom dient u de factuur afzonderlijk, zonder de medische stukken, te versturen.

In de bijlage treft u de voorwaarden waaraan uw factuur moet voldoen. Verkeerd geadresseerde facturen of facturen die niet aan deze voorwaarden voldoen, kunnen niet in behandeling worden genomen.

**Heeft u vragen?**

Vragen over deze brief kunt u per e-mail richten aan de IND. Dat kan via Zivver. Zivver is een middel om veilig met u te e-mailen en bestanden uit te wisselen. Lees meer over [veilig mailen via Zivver](https://www.ind.nl/stukken-opsturen) op [ind.nl/stukken-opsturen](https://www.ind.nl/stukken-opsturen).

Zo ja, is er een directe aanleiding aan te geven waardoor deze crisis ontstond? (NB: het gaat hierbij uitdrukkelijk niet om het asielrelaas en/of traumatische ervaringen in land van herkomst.)

*In deze bijlage zijn opmerkingen verwerkt van het KNMG, de NVVP en LHV over de inhoud van de vraagstelling, de redenen voor de vraagstelling en de voorbeelden.*

### Waarom wij u vragen medische informatie te verstrekken

De Immigratie- en Naturalisatiedienst (IND) laat zich in een aantal vreemdelingrechtelijke procedures adviseren door Bureau Medische Advisering over de medische situatie van een persoon. Zo'n procedure kan betrekking hebben op een aanvraag om een verblijfsvergunning regulier op medische gronden. Of op het uitstellen van het vertrek van een uitgeprocedeerde vreemdeling op grond van artikel 64 van de Vreemdelingenwet. Ook kan door de IND beoordeeld worden of op grond artikel 3 van het Europees Verdrag voor de Rechten van de Mens een verblijfsvergunning moet worden verleend. De IND vraagt BMA bij dergelijke procedures om een medisch advies op te stellen en betreft dat advies vervolgens bij de besluitvorming.

### Wat houdt een BMA advies in?

Centraal in het BMA-advies staat de beoordeling van de medische gevolgen voor de patiënt(e) als de medische behandeling zou worden gestaakt: leidt het uitblijven van de medische behandeling binnen drie maanden tot zes maanden een medische noodsituatie? Ook wordt gewogen, als dat aan de orde is, welke therapiemogelijkheden voor de patiënt(e) in het land van herkomst aanwezig zijn.

In hoeverre de vreemdeling feitelijk toegang heeft tot aanwezige therapiemogelijkheden, bijvoorbeeld financieel of geografisch, onderzoekt het BMA niet. Dit zijn namelijk vreemdelingrechtelijke voorwaarden waar de IND aan toetst.

### Trauma en vertrouwensband

Met enige regelmaat brengen medisch behandelaars in de informatie die zij aan BMA verstrekken, ook niet-medische omstandigheden ter sprake. Bijvoorbeeld het gevoel van onveiligheid van de patiënt(e) en de onmogelijkheid van het opbouwen van een vertrouwensband met een behandelaar in het land van herkomst. Dit zou dan het gevolg zijn van een door de vreemdeling gesteld ondervonden trauma in het land van herkomst.

De vragen die BMA aan u stelt gaan echter niet over het beoordelen van een (vermeend) trauma in relatie tot de asielaanvraag van betrokkene. De vragen van BMA gaan alleen over het verhelderen van de actuele medische zorgvraag van uw patiënt(e). De aannemelijkheid van een trauma en de vraag of een trauma al dan niet gerelateerd is aan de asielaanvraag, worden door de IND in de asielprocedure onderzocht en beoordeeld. Dergelijke aspecten kan de vreemdeling in die procedure inbrengen. BMA-artsen hebben bij het opstellen van een medisch advies geen betrokkenheid bij de waarheidsvinding in de asielprocedure.

### Vraagstelling door BMA

Voor het schrijven van een degelijk medisch advies heeft BMA de medische informatie van de patiënt(e) nodig. Aan de hand van gerichte vragen wordt u verzocht om die medische informatie conform de KNMG Richtlijnen aan te leveren (zie: KNMG Richtlijnen inzake het omgaan met medische gegevens). Hierbij is de gehele actuele medische behandeling van de patiënt(e) van belang. Vaak bestaat deze behandeling uit diverse onderdelen en wordt deze vanwege meerdere tegelijk bestaande klachten uitgevoerd. Daarom kunnen wij u niet meer gerichte vragen voorleggen, dan die in onderstaande vraagstelling staan.

Beperkt u zich tot uitsluitend feitelijke medische informatie. Van u wordt niet verlangd te beoordelen of een medische noodsituatie ontstaat bij het uitblijven van een behandeling. Ook wordt van u niet verlangd de beschikbaarheid van de behandelmogelijkheden in het land van herkomst en de reisvaardigheid van de patiënt(e) te beoordelen. De medisch adviseur van BMA beoordeelt dit, mede op basis van de door u aangeleverde, feitelijke medische informatie.

### **Toelichting en voorbeelden**

Hieronder worden enkele veel voorkomende situaties genoemd om aan te geven welke medische informatie relevant kan zijn. Deze voorbeelden dienen ter illustratie. Het is aan u om op grond van bovenstaande informatie af te wegen welke medische informatie relevant is of kan zijn.

U hoeft in ieder geval geen informatie aan te leveren over:

- klachten waarvoor geen medische behandeling noodzakelijk is, zoals een lichte huidaandoening waarvoor geen behandeling nodig is;
- klachten die in het verleden zijn behandeld, maar geen relatie meer hebben met de huidige behandeling (b.v. doorgemaakte infecties die succesvol zijn uitbehandeld met antibiotica);
- het asielrelaas van uw patiënt(e) of de inhoud van traumatische ervaringen in het land van herkomst.

U dient, indien van toepassing, wel onderstaande vragen te beantwoorden en informatie aan te leveren over:

#### *Patiënten met een Post Traumatisch Stress Stoornis*

- Is bij uw patiënt(e) momenteel deze diagnose gesteld en zijn deze klachten momenteel actief aanwezig, of betreft het een reeds doorgemaakte PTSS waarbij er nog restklachten zijn? Benoem de bijkomende aandoeningen zoals depressie en somatische aandoeningen, verslaving of middelengebruik.
- Beloop en voorgeschiedenis van de medische klachten: eerdere (Wvggz) opnames, doorgemaakte psychoses, andere crisissituaties en eventuele medicatiewisselingen.
- Behandeling: psychotherapie en het soort psychotherapie, EMDR, de frequentie van therapiesessies. Benoem of en zo ja, welke psychofarmaca worden gegeven.

#### *Patiënten met schizofrenie*

- Is bij uw patiënt(e) momenteel de diagnose schizofrenie gesteld? Benoem de bijkomende aandoeningen (waaronder ook somatische aandoeningen), het ziekte-inzicht, ziektebesef en de medicatietrouw.
- Beloop en voorgeschiedenis: is er sprake van eerdere klinische opnames, doorgemaakte psychotische decompensaties en andere crisissituaties? Beschrijf eerdere BOPZ-maatregelen. Benoem eventuele medicatiewisselingen.
- Behandeling: ambulant of klinisch (open of gesloten) en de frequentie van de behandelsessies. Beschrijf eventueel bijzondere woonvormen zoals beschermd/begeleid wonen. Is er sprake van mantelzorg door familieleden die essentieel is voor het slagen van de medische behandeling? Benoem welke psychofarmaca worden gegeven.

#### *Patiënten met nierinsufficiëntie, diabetes mellitus, astma en/of hypertensie*

- Aanwezigheid van bijkomende aandoeningen en complicaties (zoals orgaanschade) die eventueel ook worden behandeld (mogelijk ook door andere specialisten).
- Beloop en voorgeschiedenis, indien bekend: beloop van de nierfunctie, beloop van de bloedsuikers, beloop van de longfunctie, exacerbaties/opnames wegens astma en beloop van de tensie. Eerdere ziekenhuisopnames en waarvoor.
- Behandeling: benoem welke medicatie wordt gegeven (bij dialyse patiënten wordt soms vergeten alle gegeven medicatie mee te sturen). Welke controles vinden er plaats en wat is de frequentie van de controles? Indien relevant: het soort dialyse (hemodialyse of peritoneaal dialyse), of transplantatie geïndiceerd is of mogelijk al is uitgevoerd.
