Application for extension of residence permit for residence as family member or relative (sponsor)

**Please note!**
Please read the explanation before you start to fill out the form. You must send this cover page with the application. This prevents delays in processing your application!

**Online application form**
It is also possible to submit and manage this application online. Start the online application on www.ind.nl/en. Choose the button ‘Apply online’ and log on with your DigiD and an SMS notification code.

**Filling-in instructions**
In order to be able to assess your application quickly and carefully in terms of content, the Immigration and Naturalization Service uses scanning software with which your application is recorded in the immigration administration system. To support this, this form is equipped with a number of features, including a barcode and so-called "adjustment fields" in the corners of each page. The following is important for a good scan of your application:

1. When filling out this form, use only an HB pencil or pen with black or blue ink.
2. Write only in the space provided behind or below each question. Do you need more space? Then add a separate page on which you state your personal data and indicate to which question the added text belongs.
3. When you are presented with a choice where you have to choose between different answer options, keep the following instruction.

   Check the box of your choice (as with "b")
   
   ![Box options]

   You want to change your choice? Then make the box of your first choice completely black and then tick the desired box.

**For whom is this form intended?**
You can use this form if you are the sponsor of a foreign national who has a regular residence permit with the purpose of residence ‘residence as family member or relative’. You can use this form to submit an application on behalf of the foreign national in order to extend the period of validity of this residence permit.

**Why use this form?**
The Immigration and Naturalisation Service (IND) sends, approximately 3 months before the validity of the current residence permit expires, a service letter to notify you about the expiration date of your residence permit. The letter states that you have the possibility to extend your residence permit online via the website. For more information check ‘Apply online’ on www.ind.nl. Can you or do you prefer not to submit the application online? You can then use this form.

You must ensure that this application is received by the IND before the residence permit expires. This is important to prevent the foreign national encounters a residence gap. A residence gap is an interruption in your residence. This has consequences for any subsequent procedures. Do not submit an application if the residence permit is still valid for more than 3 months. The IND will disregard an application which is submitted earlier than 3 months before the expiration date of the residence permit.
The IND assesses the application and decides whether the foreign national is eligible for extension of the period of validity of the residence permit. Whether and for how long the period of validity of the residence permit is extended depends on the situation. The foreign national will only be eligible for extension of the period of validity of the residence permit if:

- he/she has a valid temporary Dutch residence permit at that moment; and
- he/she wants to extend the period of validity of the residence permit with the same purpose of residence; and
- there are no changes to the situation of the foreign national that would affect the right of residence.

**How do you fill out this form?**

This form comprises different appendices. Which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

**Processing of personal data**

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

**Would you like more information?**

Then visit the IND website at www.ind.nl. You can also contact the IND by telephone via 088 043 04 30 (normal charges apply). From abroad you can call +31 88 043 04 30.

> Explain why the foreign national has no valid passport

- If the foreign national is issued with a new residence permit, then he/she will need to take his/her passport with him/her when collecting the new residence pass. Without a valid passport, the foreign national will not be issued with his/her residence document, unless he/she is exempted from the passport requirement.
- If the foreign national was exempted from the requirement of having a valid passport at the time of issue of the current permit, or is temporarily exempted from this requirement, then he/she must hand over a copy of his/her valid passport (if he/she has taken possession of his/her passport in the meantime), or enclose a declaration showing that there are no changed circumstances and that he/she still cannot receive a valid passport from the authorities.
- If the foreign national has a residence permit on grounds of residence as a foreign national who cannot leave the Netherlands through no fault of his/her own, he/she is not required to complete this declaration.

**Processing of personal data**

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On [www.ind.nl](http://www.ind.nl) you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
Appendix Fingerprints, passport photo and signature

Please do not enclose this appendix with the form!

The foreign national must have his fingerprints and facial image (passport photo) taken to determine his identity. The biometric information is also required to create a residence permit. For the residence permit the IND also needs a signature of the foreign national.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. **Entry and Residence procedure**
   - The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
     - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
     - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. **Application for a Regular Provisional Residence Permit (mvv) by the foreign national**
   - The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
     - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. **Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit**
   - If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website [www.ind.nl](http://www.ind.nl).
Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post
   - The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person
   - The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

Processing of personal data

On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
Appendix Employer’s declaration

Please note! Not completing this employer’s declaration truthfully may be considered a crime (such as forgery) and may lead to filing a police report.

One copy must be completed and signed for each employer. The application form states when and of which person(s) you must enclose the employer’s declaration with your application.

Please note! The IND may check the correctness of your enclosed wage, work and benefit details with another government agency (for example the Netherlands Employees Insurance Agency or the Tax and Customs Administration).

Explanation A company’s profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.
