Application for the purpose of residence of 'employment as essential start-up personnel' (sponsor) - PILOT

Read the explanation before you start to fill out the form.

For whom is this form intended?
The 'employment as an essential start-up personnel' regulation allows starting, innovative companies (start-up companies) based in the Netherlands to attract essential personnel from abroad. This regulation is introduced as a pilot with a duration of 4 years.

The conditions a company must meet to benefit from this regulation as a start-up company are available at www.ind.nl.

With this form, the residence permit for employment as essential start-up personnel can be applied for by
- the start-up company (the sponsor);
- an authorised representative of the start-up company.

Renewal of the residence permit
If you, as a sponsor, want to submit an application for renewal of the residence permit for an essential start-up employee, please use the form: Application for extension of residence permit for work-related purposes of residence (sponsor).

The foreign national who wants to submit the residence permit for employment as essential start-up personnel also uses another form, namely: Application for the purpose of residence of 'employment as essential start-up personnel' (foreign national) - PILOT.

Family members of the employee
The employee may come to the Netherlands together with family members. The employee or the employee’s family member applies for the residence permit to stay with the employee. An application for the purpose of residence of ‘family members and relatives’ should be used for this purpose.

How do you fill out this form?
This form comprises different appendices; which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

Processing of personal data
The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. 3  Tuberculosis

You want to apply for a residence permit in the Netherlands on behalf of a foreign national. The foreign national may need to undergo an examination and treatment for tuberculosis (TB). This depends on the situation.

> Please tick the applicable situation

- The foreign national does not need to undergo a TB test because he has a valid residence permit in the Netherlands.
- The foreign national does not need to undergo a TB test because he was born in the Netherlands and he has not changed the location of his principal place of residence since birth.
- The foreign national does not need to undergo a TB test because he is a national of one of the countries listed in the appendix ‘Exemption from the obligation to undergo a tuberculosis (TB) test’.

The foreign national has a different nationality and:

- has already undergone a TB test in the Netherlands. Enclose an original and recent ‘TB test referral form’ with the application. This form is the proof that the foreign national has undergone a TB test in the Netherlands. This form may not be more than 6 months old; or
- has not yet undergone a TB test in the Netherlands. Then you should complete the ‘Declaration of intent to undergo a TB test’ appendix and send this together with the application. The foreign national must sign this appendix himself.

If the foreign national is in the Netherlands, then an appointment should be made for the test with the Municipal Health Service (GGD) in the area where he/she lives or will be living (for further information visit the website [www.ggd.nl](http://www.ggd.nl)). Take the appendix ‘TB test referral form’ with you to the Municipal Health Service (GGD). The Municipal Health Service (GGD) will then send the form to the IND.

4  Means of evidence

Requirements of foreign means of evidence
You must gather together the means of evidence before submitting your application. You may be required to submit foreign means of evidence together with this application, for example a foreign marriage certificate. Your personal situation and the purpose of residence determine which foreign means of evidence you will need to include.

Language
All foreign means of evidence must be compiled in Dutch, English, French or German. Is this not the case? Then you must have the means of evidence translated by a translator who has been sworn in by a District Court. Submit (a copy of) the translation and (a copy of) the means of evidence together with the application form. If you have the means of evidence translated in a foreign country and therefore not by a translator who has been sworn in by a District Court, then you are required to have the translation legalised or to have an apostille stamp provided by the competent authorities in the country of issue.

Official foreign means of evidence
Official foreign means of evidence must be issued and legalised by the competent authorities of the country that issued the means of evidence. In some countries the document must then also be legalized by the Dutch embassy or the Dutch consulate in the country in question. In ‘apostille countries’ an apostille, issued by the competent local authorities, is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign means of evidence include, for example, birth certificates and marriage certificates. Having these means of evidence legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp in the country of origin. For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the ‘Public Information Service’, telephone number 1400. You can also visit the website [www.rijksoverheid.nl](http://www.rijksoverheid.nl).
Financial means of evidence

Financial means of evidence must be verified by an authorised independent external expert affiliated with a relevant professional body.

Special facts and circumstances

If you think special facts and circumstances may apply, that have to be considered when assessing your application, you have to provide a written declaration. You have to substantiate this declaration with as many (official) means of evidence as possible.

If you submit special circumstances in the context of Article 3.6ba, first paragraph, of the Aliens Decree, you must only submit these circumstances if this concerns your first application submitted in the Netherlands.

Processing of personal data

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On www.ind.nl you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
Appendix Fingerprints, passport photo and signature

Please do not enclose this appendix with the form!

For every new application you submit, the IND needs your photo, signature and fingerprints. The IND uses these biometric details to establish your identity and make your residence document. We do not need new biometrics in the following situations:

- Your biometrics have been taken at an IND desk or embassy abroad less than 6 months ago.
- You apply for a Foreign Nationals Identity Document (Type W and Type W2). Your biometrics have been taken at an IND desk or embassy abroad less than 5 years and 3 months ago. With a Foreign Nationals Identity Document you show that you are allowed to be in the Netherlands because you are waiting for a decision on your application. The IND then reuses old biometric details.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

Situation: application starts when the foreign national is abroad

1. Entry and Residence procedure
   - The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
     - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
     - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national
   - The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
     - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit
   - If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website www.ind.nl.
Situation: application starts when the foreign national is in the Netherlands

1. The application is submitted by post
   • The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on www.ind.nl. If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check www.ind.nl for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at www.ind.nl.

2. The foreign national submits the application in person
   • The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit www.ind.nl.

Processing of personal data
The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

Appendix Exemption from the obligation to apply for a regular provisional residence permit and special situations

Do not enclose this appendix with the form!

Usually, you will need a regular provisional residence permit (in Dutch: machtiging tot voorlopig verblijf; hereinafter MVV) in order to apply for residence in the Netherlands. You do not apply for a MVV in the Netherlands, but in your country of origin or in the country where you may reside for more than 90 days under a residence permit (your country of continuous residence).

Sometimes, you do not require an MVV. These situations are mentioned and explained below. Please read all situations first. Then tick in the application form the situation that applies and enclose the requested documents with the application form.

1. **Your residence permit has expired**
The validity of your residence permit is stated in your residence document. If you have been unable to extend the validity of your residence permit or to change the restriction in time, you must state the reason for this in a separate letter. Enclose this letter and as many pieces of evidence and documents as possible with your application in order to substantiate your story.

2. **For health reasons, you are unable to apply for an MVV in your country of origin**
If you are in the Netherlands and, for medical reasons, it is not wise for you to travel to your country of origin, you do not have to apply for an MVV. You have to prove this with certain pieces of evidence and documents. You must enclose all the means of evidence mentioned in the Appendix ‘Explanation and means of evidence medical circumstances’, which you can find on www.ind.nl. Read the appendix carefully and follow the instructions.

The IND asks the independent physician from the IND’s Medical Advisors Office (Bureau Medische Advisering or BMA) for advice about your medical situation. If you do not submit all the requested details, then BMA cannot advice and the IND can not assess whether your medical situation is grounds for exemption from the MVV requirement.

3. **You have a valid residence permit issued in a Schengen country**
You do not require an MVV if:
- you have a valid regular residence permit* issued in a Schengen country**; and
- a recognised sponsor has applied for your residence permit; and
- you meet the requirements for the purpose of residence.

Your family members also do not need to have an MVV if:
- they already had a residence permit to stay with you in the other Schengen country; and
- their application for a residence permit is submitted by a recognised sponsor.

* Do you have a residence permit for asylum? Then you do need an mvv.
** Visit www.netherlandsworldwide.nl to find out which countries belong to the Schengen area.

4. **You are residing as a privileged family member of a staff member of a foreign diplomatic or consular post accredited in the Netherlands who has (had) a privileged status**
Your family member qualifies for a permanent residence permit him/herself. If you are residing as a family member with someone having a privileged status and you currently also have a privileged status yourself, you do not require an MVV. This only applies if you and the family member you are residing with have submitted an application for a permanent residence permit simultaneously.
5. You have resided in the Netherlands on the grounds of a special privileged status as an accredited member of an international organisation or you have resided in the Netherlands as his/her family member.

6. You worked on a Dutch seagoing vessel or in a mining installation on the continental shelf for 7 years or longer
   If you can demonstrate that you worked on a Dutch seagoing vessel or on the continental shelf for 7 years or longer, you do not require an MVV. Please enclose the proof hereof with this application.

7. You have Turkish nationality and you worked legally in the Netherlands over the past year.
   If you have Turkish nationality and you have worked legally in the Netherlands for the same employer in the past year, you do not need an MVV. This only applies if you want to continue to work as an employee for the same employer in the Netherlands.

8. You are the spouse, registered partner or minor child of a Turkish employee. You have been admitted to the Netherlands with this employee and have lived together with this employee continuously for three years.
   If you have been admitted to the Netherlands as the spouse, registered partner or minor child of a Turkish employee and you have legally lived with this employee in the Netherlands for three years, you do not need an MVV.

9. You are the child of a Turkish worker and you completed vocational training in the Netherlands.
   If you are the child of a Turkish employee, who has been legally employed in the Netherlands for at least three years, and you have completed a vocational training course in the Netherlands, you do not need an MVV.

10. You come under the scope of Decision 1/80 or the Additional Protocol. There are special individual circumstances that prevent you from applying for an MVV. You meet all other conditions for granting the residence permit.
    Indicate the special, individual circumstances in a separate letter. Enclose the letter and the means of evidence showing the special circumstances with the application form.

11. You are the spouse, registered partner or child of a Turkish employee or a Turkish self-employed person. You want to stay in the Netherlands with that Turkish employee or Turkish self-employed person and there are special and individual circumstances. If you have to leave the Netherlands to apply for an MVV, the Turkish employee or self-employed person is forced to go with you due to these special and individual circumstances.
    Indicate the special, individual circumstances in a separate letter. Enclose the letter and the means of evidence showing the special circumstances with the application form.

12. You were born in the Netherlands, you are 12 years of age or younger and you did not move the location of your principal residence outside the Netherlands.
    A child aged 12 or younger, born in the Netherlands and forming part of the family of the sponsor (who did not move the location of his principal residence outside the Netherlands either) does not require an MVV. The parent(s) must lawfully reside in the Netherlands.

13. You qualify for a residence permit with the purpose of residence ‘cross-border service provision’.
    You do not need an MVV if you qualify for this residence permit.

14. You are a victim of or witness reporting human trafficking.
    If you are a victim of or witness reporting human trafficking, you must report to the police. You may be entitled to a residence permit based on this report. You are not obliged to submit a separate application for this. In that case, you do not need an MVV.

15. You do not have a residence permit and you are a victim of or witness reporting human trafficking. You cannot or will not file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker because of important reasons.
    If you do not have a residence permit, are a victim of or witness reporting human trafficking and you cannot or will not file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker because of important reasons. You do not need an MVV if you qualify for a residence permit with the purpose of stay ‘temporary humanitarian’ for these reasons.

16. You do not have a residence permit and you have fallen victim to (or might fall victim to) honour-related violence or domestic violence.
    You do not need an MVV if you qualify for a residence permit with the purpose of stay ‘temporary humanitarian’ for these reasons.
17. You are a minor child of a person who has a residence permit on temporary humanitarian grounds in connection with human trafficking or honour-related violence or domestic violence
If you are the minor child of someone who has a residence permit on temporary humanitarian grounds, as referred to above, and you are staying in the Netherlands with this parent, then you may be eligible for exemption from the requirement for an MVV.

18. You are unable to depart from the Netherlands
If you are not to blame for being unable to depart from the Netherlands, because you do not have a valid passport and, for valid reasons, you cannot be put into the possession of alternative travel documents, you do not require an MVV.

19. You are a minor child and you actually resided in the Netherlands for at least three years
You do not require an MVV if you:
• are under age;
• actually resided in the Netherlands for at least three years;
• are of school age; and
• intend to reside with a Dutch citizen or a sponsor with lawful residence.

20. You are unable to leave the Netherlands because this is contrary to Article 8 of the ECHR

In case of an appeal for protection of your family life:
• evidence showing the relationship pertaining to family law between you and the sponsor, for example a copy of a birth certificate; and
• evidence showing how you conduct your family life with the sponsor.

In case of an appeal for protection of your private life:
• evidence showing your connections with the Netherlands and which also shows the intensity of these connections.

21. You want to reside with your Dutch minor child of whom you are the only carer parent
If you are the only carer parent of a Dutch minor child who you have to support and who must leave the European Union if no residence permit is granted to you, you do not require an MVV.

22. You resided in another EU country as a holder of a European Blue Card and you apply for an European Blue Card in the Netherlands
You do not need an MVV if you apply for a European Blue Card in the Netherlands and you have stayed in another EU country as a holder of the European Blue Card for at least 12 months (mobility), or have stayed in another EU country as a holder of a European Blue Card for at least six months after such stay (subsequent mobility).

23. You resided as a family member with a holder of a European Blue Card in another EU country
Please enclose with this application the documentary evidence showing the nature and duration of the residence in the other EU country.

24. You are the victim of human trafficking and you are unwilling or unable to file a report of this or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats, and/or a medical or psychological limitation and/or you being a minor.
You do not need an MVV if you can show that you are unable or unwilling to file a report or collaborate in another way with the criminal investigation and prosecution of the human trafficker in connection with serious threats, and/or a medical or psychological limitation and/or you being a minor. You are required to prove this by means of the following evidence:

  ▪ the effect of your medical symptoms for the collaboration in the criminal proceedings.

This statement contains detailed and specific comments on your individual situation, addressing the consequences of you being a minor for the collaboration in the criminal proceedings. You will only assumed to be a minor based on identifying documents, or when established by the IND (as described in paragraph C1/2.2 of the Aliens Act Implementation Guidelines).
25. You have been a victim of work-related exploitation without a right of residence or you have been employed as a minor without a right of residence and you are eligible for a residence permit under a restriction related to temporary humanitarian grounds or you are the minor child under his/her authority.
There is a criminal investigation or investigation for prosecution of the former employer of the foreign national, or a trial of the former employer before the court. The foreign national cooperates with the investigation. If the criminal investigation or investigation for prosecution has already been completed, there must be a wage claim procedure before the subdistrict court as referred to in Section 23(5) of the Foreign Nationals Employment Act (in Dutch: Wet Arbeid Vreemdelingen or Wav).

26. You have a long-term residence permit in another EU country.
Your family members do not need to apply for an MVV either. However, these family members must have lived with you in the other EU country.

27. You have a residence permit as a researcher under Directive (EU) 2016/801 in another EU country. You come to do research in the Netherlands on the basis of long-term mobility.

28. You have temporary protection and you qualify for a temporary regular residence permit with a purpose of residence related to seasonal work, work as an employee, work as a highly skilled migrant or work as a self-employed person.

29. You are a minor foreign national. You are eligible for a 'humanitarian temporary' or 'humanitarian non-temporary' residence permit because you have been put under supervision by the juvenile court
Your family members who qualify for a residence permit to stay with you, also do not need to apply for an MVV

30. Other
You want to apply for a regular residence permit and do not have a valid or correct MVV. If none of the other grounds for MVV exemption apply to your situation, you may be able to obtain a residence permit without an MVV only if special and individual circumstances apply. Explain in a separate letter why it is not possible for you to apply for an MVV in your country of origin or country of continuous residence. State all special and individual circumstances that should be included in the assessment. Are you applying for a residence permit to stay with a family member? How do you pay?

After the IND has received your application, you will receive a letter stating the amount and the manner in which you have to pay. This form contains no information about the costs or any exemption from having to pay fees. Please visit www.ind.nl if you want to know the costs beforehand. If the assessment of your application shows that you do not qualify for the residence permit applied for, you will not receive a refund.

What happens with your application?
If you have submitted your application for an extension to the IND and paid the related costs, the IND will assess your application. If your application is incomplete, the IND will be unable to properly assess your application. If you fail to make a payment or timely payment or submit an incomplete application, the handling of your application will be delayed. You will be informed in writing once your application has been handled. If your application is granted, you will also receive a letter with information about the follow-up procedure.

Providing correct information
Providing incorrect information or withholding relevant information may lead to withdrawal of the permit. If punishable offences are observed, the IND reports this to the police.

V-number
A V-number is a unique number, which is used for identification of a foreign national by the IND and cooperating organisations (such as the Aliens Police). The number is listed in the correspondence which the foreign national or sponsor receives from the IND and other organisations and is also printed on the residence document itself.

Explanation
If you apply for a residence permit for a foreign national, you are the sponsor. This comes with responsibilities. As a sponsor, you must ensure that the foreign national meets the conditions for a residence permit. Not only when applying for a residence permit, but also afterwards. If the foreign national can no longer lawfully reside in the Netherlands, you, as sponsor, are responsible for the foreign national leaving the Netherlands.

Obligation to provide information
You are obliged to report changes to the IND within 4 weeks if they could have an effect on the residence permit. Please use the ‘Notification form for labour-related residence purposes’, which you can download from www.ind.nl. The form lists the changes you need to report to the IND.

Duty to keep records
You are obliged to collect and store any relevant information about the foreign national. You can find the data you are obliged to store in the Aliens Regulations. You must store this documentary evidence up to 5 years after you are no longer the sponsor of the foreign national. The IND can request data at any time in order to assess whether you have complied with your obligations.
Processing of personal data
The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on.
