

Reporting form for changes concerning a recognised sponsor

You can only use this form if you are a recognised sponsor or the authorised representative of a recognised sponsor.

This form is only to be used for reporting changes in the situation of the recognised sponsor. This includes changes of a general nature, but also specific changes in relation to the residence purpose for which you are a recognised sponsor. There are other forms for reporting changes in the situation of the foreign national for which you are a recognised sponsor. You will find these forms on the IND website, www.ind.nl.

You can use this form to report any changes that you have to report to the IND under your obligation to provide information. A change must be reported to the IND within 4 weeks after the commencement of the change.

If the address where the records of the company, organisation or legal person are kept has changed, according to your duty to keep records, you must report this to the IND within 2 weeks after the commencement of the change.

Certain changes as well as not reporting certain changes to the IND in time, may have consequences for your recognition as a sponsor. In some cases you must reapply for recognition.
