Notification form for changes concerning a recognised sponsor

You can only use this form if you are a recognised sponsor or the authorised representative of a recognised sponsor.

This form is only to be used for notifications concerning changes in the situation of the recognised sponsor. This includes changes of a general nature, but also specific changes in relation to the residence purpose for which you are a recognised sponsor. There are other forms for notifications concerning the foreign national for which you are a recognised sponsor. You will find these forms on the IND website, www.ind.nl.

You can use this form to submit any changes that you have to report to the IND under your obligation to provide information. A change must be reported to the IND within 4 weeks after the commencement of the change. There is one exception. If the address where the records of the company, organisation or legal person are kept has changed, this must be reported to the IND within 2 weeks after the commencement of the change.

Some changes as well as the occurrence of not notifying the IND in time, could have consequences for your recognition as a sponsor. In some cases, you might have to reapply for recognition.
