2 Declaration of intent to undergo a TB test

In order to obtain a residence permit, you must be prepared to undergo a tuberculosis (TB) test in the Netherlands and - if necessary - treatment. If you are granted a residence permit, you will actually have to undergo a TB test within three months after having received your residence permit.

When you are in the Netherlands, you should make a TB test appointment with the Municipal Health Service (GGD) in the area where you live or will be living (for further information visit the website www.ggd.nl).

Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Please note! The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix '[Exemption from the obligation to undergo a tuberculosis \(TB\) test](#)'.

> Please check either one of the following two boxes

- ☐ I hereby declare that I am prepared to cooperate in a tuberculosis test and any treatment. I am aware of the fact that I must undergo a TB test within three months after the residence permit has been received. If I fail to do so, this might have consequences for my right of residence in the Netherlands.
- ☐ I do not need to undergo a TB test because I am a national of one of the countries listed in the appendix '[Exemption from the obligation to undergo a tuberculosis \(TB\) test](#)'.

3 Means of evidence

Requirements of foreign means of evidence

Documents must be in Dutch, English, French or German. In case the documents are drafted in another language, you need to have these translated by an authorised translator. Send a copy of the original documents together with a copy of the translation.

Please gather the following documents:

- a copy of your passport with your identity details together with your application. Also make copies of all the pages with travel stamps and enclose them. Do not copy any empty pages;
- a '[Antecedents certificate](#)' appendix that you have fully completed and signed;
- a copy of your ticket for your return flight, or proof that you have enough financial means to buy your return ticket. For example, a bank statement, stating your name. This bank statement must be in Dutch, English, French or German.

4 Payment of fees

Before your application can be assessed, you must pay a fee. The fee for an application for admission and residence in the Netherlands for a Working Holiday, submitted on or after 1 January 2025, is € 81. This amount must be paid by all applicants. You can also find this information on www.ind.nl.

Please transfer the fee for the application to the bank account of the IND referred to below and send a proof of payment to the IND.

As a payment reference, you must fill in your V-number, which you receive from the Dutch embassy/consulate where you submit your application. If you do not do this, your payment may not be processed properly.

You must transfer the fee within three weeks after the date on top of this form (filled in by the Netherlands embassy or consulate). Your application will only be assessed when the whole amount has been received by the IND. Please check whether your bank deducts a fee from the amount being transferred.

If the assessment of your application shows that you do not qualify for a residence permit in the Netherlands, you will not receive a refund.

5 Declaration of consent

The IND will assess and decide on your application. If you wish communication with the IND to take place by e-mail (instead of by post), you must consent to this first.

You can email with the IND by using Zivver. Zivver is a means of securely emailing and exchanging files. Read more about [emailing securely with Zivver](https://ind.nl/en/send-documents) at ind.nl/en/send-documents.

> Please check either one of the following two boxes

- ☐ I agree that communication with the IND will take place by e-mail. I want the email address I provided above to be used for this (section 1.13). I access this email address on a regular basis.
- ☐ I do not agree that communication with the IND will take place by e-mail. I want correspondence to be sent to the address I provided above (section 1.11).

Please note! The IND accepts no responsibility for any email messages that fail to reach you or are delayed. The IND cannot guarantee the reliability of sending or receiving messages by email, or the confidentiality and integrity of email correspondence sent over the internet.

6 What will happen with your application?

After receipt of your application, your documents and fee, the IND will assess your application. You will be contacted by the IND if your payment or your documents are not received. You will also be informed once the assessment of your application has been finalised. If your application is granted, you will also receive information about the follow-up procedure.

7 MVV and residence permit

In case your application is granted you will receive an MVV (entry visa) from the Dutch embassy/consulate. When your application is granted you can make an appointment to collect your MVV via www.netherlandsworldwide.nl. The IND aims to have your residence permit ready within a few weeks following your arrival in the Netherlands. The IND will send you a letter indicating when you can collect your residence permit. For this, you have to make an appointment online at the IND desk stated in the letter.
