

Dear,

You have temporary protection based on the Temporary Protection Directive (2001/55/EC) and you are registered with the local council. You received an O-document from the Immigration and Nationalisation Service (IND). This is a card. Your card will soon expire. You can find out more about the extension of your card in this letter.

**The temporary protection has been extended**

The IND will extend your pass until the end of the temporary protection. This is because the situation in Ukraine is still uncertain. Once it is clear when the temporary protection will stop, then the IND will let you know.

**This letter makes sure that your card remains valid**

With this letter you can prove that your card with number ... will be valid until the end of the temporary protection. The IND will not give you a new card. It is important for you to save this letter carefully. If you lose it, you can download the letter via mynd.nl.

**You must be able to show these documents at the same time**

- your passport, identity card, birth certificate or statement from the embassy
- your card
- this letter

**To foreign border authorities**

This letter is proof that the term of validity of the proof of residence (the O-document) of \* with number \*\*\* has been extended until temporary protection under the Temporary Protection Directive stops. This means that this person will have lawful residence in the Netherlands until the temporary protection stops.

**This letter makes sure that you will keep the same rights**

For example, you are allowed to work. You will also have a right to reception and facilities from the local council until the temporary protection stops.

**Do you have questions?**

For more information about your proof of residence see [ind.nl/directive-ukraine](http://ind.nl/directive-ukraine).

Yours faithfully,

The Minister of Migration,

On behalf of the latter,

E.P.H. Koop  
*acting Deputy Director General of the IND*
